There were no angelic appearances or a thunderous heavenly voice from above. Rather, as Proverbs 19:21 proclaims, "Many are the plans in a person's heart, but it is the Lord's purpose that prevails." Bob learned that the Lord's will is made manifest through circumstances.

FAMILY TALK

HOST: DR. JAMES DOBSON - GUEST: GARY BAUER - JULY 13, 2022

On June 24, 2022, the United States Supreme Court issued a decision on the *Dobbs v. Jackson Women's Health Organization* case, effectively overturning *Roe v. Wade*, and returning the legality of abortion back to the states. On today's edition of Family Talk, Dr. James Dobson and his colleague and guest, Gary Bauer, discuss the landmark ruling and what it means for the pro-life movement going forward. Psalm 127:3 declares, "Behold, children are a heritage from the Lord, the fruit of the womb a reward."

HOST: DR. JAMES DOBSON - GUEST: GARY BAUER - JULY 14, 2022

Psalm 82:4 calls us to "rescue the weak and the needy; deliver them from the hand of the wicked." On today's edition of Family Talk, Dr. James Dobson and Gary Bauer, JDFI's new Director of Public Policy, continue celebrating the reversal of *Roe v. Wade*, and discuss what the future holds for the United States. In God's providence, with the overturning of *Roe* on June 24th, 2022, Dr. Dobson and Bauer note that it's essential that Christians rescue the unborn babies in their state by funding crisis pregnancy centers. They also underscore how important it is for believers to continue to vote for candidates who will protect the preborn.

HOST: DR. JAMES DOBSON - GUEST: DR. DEL TACKETT - JULY 25, 2022

Genesis 1:1 says, "In the beginning, God created the heavens and the earth." Sadly, a large percentage of the Christian community does not believe that Genesis is true history. On today's edition of Family Talk, Dr. James Dobson and Dr. Del Tackett, the creator of *The Truth Project*, discuss Del's documentary film, "Is Genesis History?," and examine the scientific evidence for creation. They also review the most important biblical truth: that just as sin and death entered the world through one man, Adam, salvation and God's grace came through one man, Jesus Christ.

HOST: DR. JAMES DOBSON - GUEST: STEVE FARRAR - AUGUST 01, 2022

America has a leadership crisis. On today's classic edition of Family Talk, Dr. Steve Farrar challenges men to understand three things that are true about our times. First, our Christian foundations are being destroyed. Second, biblical Truth has been rejected. And third, our country is overdue for God's judgment. Dr. Farrar, the founder of Men's Leadership Ministries, also stresses the need for genuine godly leadership in society today, and calls upon fathers to guide their children through the cultural fog.

HOST: DR. JAMES DOBSON - GUEST: STEVE FARRAR - AUGUST 02, 2022

According to Dr. Steve Farrar, America is in a moral free-fall. We are living off the spiritual capital of the past, but it's now coming to a halt. On today's classic edition of Family Talk, Dr. Farrar says our country is in need of true revival. Much like the spiritual awakenings of the past, we need three things. An economic collapse to push us toward God, an outpouring of prayer, and the leadership of Christian men. Second Chronicles 16:9 says, "For the eyes of the Lord range throughout the earth to strengthen those whose hearts are fully committed to Him."

HOST: DR. TIM CLINTON - GUEST: CHAD ROBICHAUX - SEPTEMBER 14, 2022

On February 20, 2022, Russia began its invasion of Ukraine. Within days of the attack, Chad Robichaux (pronounced Row-ba-show), a retired U.S. Marine and the founder of Save Our Allies, was on the ground helping evacuate disabled Ukrainians as well as a catastrophically wounded *Fox News* reporter. On today's edition of Family Talk, Chad shares with Dr. Tim Clinton his "boots on the ground" experience in the conflict and the ongoing humanitarian crisis that goes beyond what the media portrays. He also details the tenacity of the Ukrainian people returning to their homeland, determined to help in the fight against the Russians.

HOST: DR. TIM CLINTON - GUEST: CHAD ROBICHAUX - SEPTEMBER 15, 2022

After eight tours of duty in Afghanistan, Chad Robichaux had seen it all. From the brutality of the Taliban to witnessing the deaths of 15 fellow soldiers, he began to suffer from debilitating panic attacks. On today's edition of Family Talk, Chad says, "Imagine you're drowning in a swimming pool and handcuffed to the bottom. How desperate would you feel to get one breath of air?" That was his level of panic 24/7. When he returned to America, his extreme PTSD led to a suicide attempt in his bedroom closet. Thankfully, Chad trusted Christ as his Savior and today, he serves active duty, military veteran and first responder communities with faith based trauma and resiliency programs.
