<p>Christ's Loving Hands (Harrison, OH) ministers with food and the Gospel</p>	<p>Local News</p>	<p>01/10/2021</p>	<p>7:30pm</p>	<p>n/a</p>	<p>Hunger and financial hardship have increased in the Harrison area this year. Mr. Phillips talked about the mission of Christ's Loving Hands with food and rent funds. Their vision is to bring the community together to help the community – they are a go-between between the people that need help and want to help. He then related the history of Christ's Loving Hands (CLH) and why it's important that they are biblically based and that Christ is the center of the ministry. He addressed the importance of the Body of Christ coming together to address needs in the world, across denominations. He said the needs of the people they minister to has changed greatly in the past year, due to COVID and the aftermath. They see people of all ages, young couples to the elderly, and young children, as well as veterans. They interview folks who are inquiring for their services but it's not formal. He then talked about his time there and how amazed he is to see the "divine appointments," every day small miracles. Most people don't see God because they don't look low enough. Mr. Phillips then talked about their food pantry schedule and where the food comes from. He then gave their contact information for food drives or donations. He said people need to understand because someone needs food doesn't mean they're a bad person or lazy – and there's no way to really know who is in need. He and his volunteers experience the gift of giving and he has a great crew of volunteers in the ministry. He said they're also helping people stay safe during COVID, including rent assistance. He hopes the Harrison community is seeing how Christ works in their community and how CLH is really a necessity. They also meet spiritual needs by praying and talking to them. They have many projects in the work, including updating the website and making use of computer technology more. Their biggest need now is prayer and financial assistance because all their fundraisers were cancelled due to COVID. He again shared their contact information.</p>
