

Post-Filing Renewal Announcements (Television)

[FCC Rule 73.3580]

Starting no later than five business days after the FCC publishes its own Public Notice that the License Renewal applications have been “accepted for filing,”¹ begin broadcasting the post-filing renewal announcements. A total of six announcements must be made over the next four-week period starting with the first announcement, on KEDT’s primary programming stream. KEDT must broadcast at least one per week, with no more than two announcements in the same week and none on the same day. The announcements must be made at any time between 7 a.m. and 11 p.m. local time Monday through Friday. Television broadcasters must also display on screen the full text of the on-air announcement during the verbal broadcast of the announcement.

Certification of Post-Filing Renewal Announcements

The attached Certification of the broadcast of the post-filing renewal announcements should be completed within 7 days of the last date the announcement is aired. The Certification should be uploaded to the station’s FCC online public inspection file in the folder titled “Local Public Notice Announcements.” Please also send a copy of the completed Certification to Foster Garvey.
