

KQAL ISSUES PROGRAM LIST
January February March 2018

Program Title: Westwood One News

Date: 24 hours a day, seven days a week

Time: The top of the hour

Length: 2 mins.

Issues covered: A comprehensive newscast from the Westwood One Radio Network, covering important national and world news.

Program Title: Don't Cha Know

Date: Every Monday

Time: 12:30pm

Length: 30 mins.

Issues covered: KQAL presents a full community calendar, showcasing local and area events for the coming week such as blood drives, art shows, musical performances, and more.

Program Title: Community Calendar

Date: Monday through Friday

Time: 10:20am and 5:20pm

Length: 1 min.

Issues covered: A daily update on events taking place in the Winona community that day.

Program Title: Minnesota Native News

Date: Every Friday

Time: 12:30pm

Length: 5 mins.

Issues covered: A five minute summary of news and issues relating to Minnesota's native citizens.

Program Title: Minnesota History in 90 Seconds

Date: Every weekday

Time: 9:02am

Length: 90 seconds

Issues covered: Each episode provides a brief look at a historical figure or event in the history of Minnesota.

Program Title: Minnesota Music Notes

Date: Weekdays

Time: 12:02pm

Length: 90 seconds

Issues covered: Each episode highlights a Minnesota musician, their history and career, from Bob Dylan to the Minnesota Orchestra.

Program Title: Weather Forecast

Date: Most days

Time: After Westwood One News

Length: 1-2 mins.

Issues covered: A look at the weather forecast and current conditions, allowing listeners to plan their day and week.

Program Title: Weather Alerts

Date: as needed/delivered

Time: immediately when issued

Length: 1-2 mins.

Issues covered: KQAL immediately relays all weather alerts and warnings from the National Weather Service, providing critical and timely severe weather information to prevent loss of life and property.

Program Title: Notas Latinas

Date: Every Sunday

Time: 10:02am

Length: 60 mins.

Issues covered: Each episode covers news for the Hispanic population of Minnesota as well as Latin music.

Program Title: In Black America

Date: Every Sunday

Time: 11:02am

Length: 29 mins.

Issues covered: Host John L. Hanson Jr. interviews prominent African American citizens on this black-oriented public affairs radio program.

Program Title: The Live Feed

Date: Every Wednesday and Friday

Time: 6:02pm

Length: 30 mins.

Issues covered: KQAL records local and area artists at local venues and festivals, introducing unique artists and musical genres to our audience. Each program includes interviews with the artists as well as their performances.

Program Title: Don't Cha Know

Date: 1/1/18

Time: 12:30pm

Length: 40 mins.

Issues covered: An interview with Sandra Burke of Winona Volunteer Services. Burke showcased the services available such as the Food Shelf, Home Delivered Meals and more.

Program Title: Art Beat

Date: 1/9/18

Time: 12:30pm

Length: 15 minutes

Issues covered: On this encore presentation of Art Beat, we sit down with Nicole Chamberlain Dupree

from the Minnesota Marine Art Museum to discuss the Slow Art Jam. Like a musical slow jam, the Slow Art Jam slows things down a bit so you can really dig into the artwork. They take patrons on a guided discussion spending a whole hour on one piece of art.

Program Title: Culture Clique

Date: 1/11/18

Time: 12:30pm

Length: 15 minutes

Issues covered: We take you to the Winona History Center for the “Voices From The Past” cemetery walk. This year’s theme is Winona at play, where we learn about sports figures and recreation in Winona over the decades.

Program Title: The Doug Westerman Show

Date: 1/11/18

Time: 1:00pm

Length: 15 minutes

Issues covered: Join KQAL's Doug Westerman during the 1pm hour Thursday when he'll be joined by the radio voice of the Minnesota Vikings, Paul Allen. Doug and P.A. will be talking Vikings playoff football.

Program Title: The Best of Our Knowledge

Date: 1/12/18

Time: 12:35pm

Length: 25 minutes

Issues covered: We talk to a veteran educator about what it takes to develop the skills that help a student learn how to learn.

Program Title: 51 Percent

Date: 1/14/18

Time: 11:35am

Length: 25 minutes

Issues covered: Allison Dunne interviews a film director who almost quit the business and we hear about an alternative healthcare program for female veterans.

Program Title: The Best of Our Knowledge

Date: 1/26/18

Time: 12:35pm

Length: 25 minutes

Issues covered: We talk to the author of a new book that explores, and debunks, the 19 biggest myths about teachers, unions and public education.

Program Title: 51 Percent

Date: 1/28/18

Time: 11:35am

Length: 25 minutes

Issues covered: We speak with the author of a book about the women who fought for the right to vote, and we hear how heroin addiction can trap women into becoming victims of human trafficking.

Program Title: Art Beat

Date: 1/30/18

Time: 12:30pm

Length: 15 minutes

Issues covered: On this week's episode of Art Beat, we learn about the new web series, "Hidden." Hidden is a journey of five young superheroes as they discover not only their powers, but themselves, in order to combat evil. We speak with the series' creator Francisco Angel, actress Annika Knox and actor Jack Larson.

Program Title: Culture Clique

Date: 2/1/18

Time: 12:30pm

Length: 15 minutes

Issues covered: We take you to Paperbacks and Pieces, to talk with the Winona Herbal Society. They tell us about some different herbs, their uses and properties and what it takes to grow them.

Program Title: 51 Percent

Date: 2/4/18

Time: 11:35am

Length: 25 minutes

Time: 12:30pm

Length: 15 minutes

Issues covered: It's time again for the Frozen River Film Festival here in Winona. This Tuesday on Art Beat, we talk with director of the festival, Sara Enzenauer. Sara tells us about what kinds of films we can expect and what it takes to put on a film festival.

Program Title: Culture Clique

Date: 2/8/18

Time: 12:30pm

Length: 15 minutes

Issues covered: Conspiracy theories, propaganda, denial of scientific theory... this week on Culture Clique, we examine the rise of anti-intellectualism with guests Winona State University President Scott Olson; Amanda Brouwer, Professor of Psychology and Adam Gaffey, Professor of Communication Studies.

Program Title: The Best of Our Knowledge

Date: 2/9/18

Time: 12:35pm

Length: 25 minutes

Issues covered: A professor was called in to help determine the cause of an outbreak of an extremely rare cancer in New York City. What she found took those scientists halfway around the world. Today on the Best of Our Knowledge, we'll from that professor and how she helped solve this puzzle. We'll also hear about a partnership between a community college and a computer giant...learn the science behind gene splicing to help cure disease...and spend an Academic Minute looking for a new way to fight Lyme disease.

Program Title: Art Beat

Date: 2/13/18

Time: 12:30pm

Length: 15 minutes

Issues covered: It's that time of year again for Dancescape 2018! This week on Art Beat we sit down with Hannah Ose, dancer and choreographer and Andy Glischinski, one of the lighting designers for the show. They'll tell us about some new and exciting dances in this year's show and what it takes to put on Dancescape.

Program Title: Culture Clique

Date: 2/15/18

Time: 12:30pm

Length: 15 minutes

Issues covered: We talk with agricultural specialist Dale Hadler on modern farming practices. Dale discusses farming as a holistic system versus the farm as a production factory.

Program Title: 51 Percent

Date: 2/18/18

Time: 11:35am

Length: 25 minutes

Issues covered: A psychoanalyst shares her views on prioritizing motherhood, we hear from women working to see climate bills passed in their state and a sexual assault prevention program trains staff in bars and restaurants.

Program Title: Art Beat

Date: 2/20/18

Time: 12:30pm

Length: 15 minutes

Issues covered: We visit with Jovy Rockey, a local artisan from Winona, MN. Jovy makes unique pieces of jewelry that are very streamlined and modern. We'll talk to Jovy about the creative side of jewelry making and how her pieces have evolved over the years. Jovy also gives us some insight into how to make a business out of your passion.

Program Title: Culture Clique

Date: 2/22/18

Time: 12:30pm

Length: 15 minutes

Issues covered: We talk to Paul Schollmeier, Regional Fair Director for the science and engineering fair going on Feb 23rd at St Mary's University. We will talk about what it takes to put on a regional science fair and the good it does for the students and the greater community as well.

Program Title: The Best of Our Knowledge

Date: 2/23/18

Time: 12:35pm

Length: 25 minutes

Issues covered: A discussion about character education. Then we'll hear from a mental health trauma expert about the aftermath of another school shooting, and lighten the mood with some preschoolers talking about their favorite TV character.

Program Title: Art Beat

Date: 2/27/18

Time: 12:30pm

Program Title: Art Beat

Date: 3/6/18

Time: 12:30pm

Length: 15 minutes

Issues covered: We take you to Frozen River Film Festival in Winona and talk with filmmaker Dana Conroy about her new film, "Fire and Light" which follows four young siblings with autism as they travel the country finding an unusual path to healing through fire dancing.

Program Title: Culture Clique

Date: 3/8/18

Time: 12:30pm

Length: 15 minutes

Issues covered: We sit down with Laura Sutherland, the Safe Harbor Regional Navigator for Southeast Minnesota. The Safe Harbor Program provides victims of sex trafficking with services designed to heal the trauma they have experienced by being sexually exploited. Laura Sutherland along with social workers and law enforcement want to make sure victims don't fall through cracks in the system and that they get the help they need.

Program Title: The Best of Our Knowledge

Date: 3/9/18

Time: 12:35pm

Length: 25 minutes

Issues covered: We're hearing a lot about 'grit' these days when it comes to education. The popular narrative is if a student has grit and determination, then they will be successful, no matter what racial and financial roadblocks are in their way. A long-time educator has her doubts.

Program Title: Art Beat

Date: 3/13/18

Time: 12:30pm

Length: 15 minutes

Issues covered: We go to the Frozen River Film Festival to talk to Mary Farrell, director of Anne Pellowski: Storyteller to the World. Mary followed Anne Pellowski on her journey around the world assuring children had access to books in their native language.

Program Title: 51 Percent

Date: 3/18/18

Time: 11:35am

Program Title: Art Beat

Date: 3/20/18

Time: 12:30pm

Length: 15 minutes

Issues covered: We go to Winona's Frozen River Film Festival to talk to the director of "Conversations at the Border," which captures life on the Texas/Mexico border.

Program Title: Culture Clique

Date: 3/22/18

Time: 12:30pm

Length: 15 minutes

Issues covered: Was Winona an abolitionist colony? Was it central to the underground railroad? WSU professor Carol Jefferson believes it was. Find out what role Winona played in the abolition of slavery.

Program Title: The Best of Our Knowledge

Date: 3/23/18

Time: 12:35pm

Length: 25 minutes

Issues covered: Common Core has been the starting point for many a lively, and at times agitated discussion. We talk to a political science professor whose new book calls it a threat to democracy.

Program Title: 51 Percent

Date: 3/25/18

Time: 11:35am

Length: 25 minutes

Issues covered: An outdoor co-op puts women front and center, we hear why the job market is tough for military spouses, who mainly are women, and hear why pregnant women with opioid addictions have trouble finding doctors.

Program Title: Art Beat

Date: 3/27/18

Time: 12:30pm

Length: 15 minutes

Issues covered: We talk to the director of "Jeff's World," a film about extreme athletes in Minnesota.

Program Title: Culture Clique

Date: 3/29/18

Time: 12:30pm

Length: 15 minutes

Issues covered: We bring you two stories. Do you like cats and dogs? On this episode of Culture Clique Ashley Porter from the Winona County Humane Society talks about pet adoption and care. Then, is farming part of a holistic system or just a factory. We talk to agricultural specialist Dale Hadler to find out.
