Program Title: Culture Clique

Date: 7/19/18

Time: 12:30pm

Length: 20 minutes

Issues covered: Do you like to garden? Do you love flowers in your yard? Then this show is for you. We talk to master gardener Debra Martin about pollinator friendly practices.

Program Title: Art Beat

Date: 7/24/18

Time: 12:30pm

Length: 20 minutes

Issues covered: Intimacy Directing at the Great River Shakespeare Festival.

Kissing, sex scenes and even sexual violence on the stage and screen... how does it all come together behind the scenes? Intimacy Director Tonia Sina helps clarify things and gives us an inside look into the world of intimacy directing and choreography.

Program Title: Culture Clique

Date: 7/26/18

Time: 12:30pm

Length: 20 minutes

Issues covered: Sex Trafficking. We talk to Laura Sutherland from the Safe Harbor program which provides victims of sex trafficking with the resources they need to break away from a vicious cycle.

Program Title: Culture Clique

Date: 8/2/18

Time: 12:30pm

Length: 30 minutes

Issues covered: We go to the Winona Public Library for WinCon, a celebration of everything from cosplay and anime to comics and games. We took some time to talk to the Mississippi River Valley Ghostbusters and El Holly, a fantasy author from Minnesota. We also find out what it's like to create a fight scene for the stage and film.

Program Title: Art Beat

Date: 8/14/18

Time: 12:30pm

Length: 20 minutes

Issues covered: We talk to Jovy Rockey, a local jewelry maker, who talks with us about the creative side of jewelry making, along with some advice on how to turn your passion into a business.

Program Title: Culture Clique

Date: 8/16/18

Time: 12:30pm

Length: 20 minutes

Issues covered: Ever thought about homeschooling your kids? How does it work? Do you need teaching experience? Are there legal issues to navigate? Find out the answers to these questions and more when we talk to homeschooling mom Mary Lemke on this week's Culture Clique.

Program Title: Art Beat

Date: 8/28/18

Time: 12:30pm

Length: 20 minutes

Issues covered: A domed city of the future right here in Minnesota? It almost happened. We talk with filmmaker Chad Freidrichs, director of The Experimental City. The film deals with a Jetsons-like futuristic city that was almost built in the north woods of Minnesota.

Program Title: Culture Clique

Date: 8/30/18

Time: 12:30pm

Length: 30 minutes

Issues covered: Conspiracy theories, propaganda, denial of scientific theory... This Thursday on Culture Clique, we examine the rise of anti-intellectualism with guests Scott Olson, Winona State University President, Amanda Brouwer, Professor of Psychology and Adam Gaffey, Professor of Communication Studies.
