### Programs

Channel	Issue	Time	Date	Duration	Title of Program	Narrative Description
10	Health	5:00 a.m.-6 a.m.	9-16-19	1:08	Passe Partout	New research links obesity to a six-fold risk of developing type two diabetes. A team from Denmark found genetic risk and lifestyle, including alcohol intake, exercise and diet, also play a part in developing the illness.
10	Consumer Issues	10:05 p.m.	9-16-19	1:00	News 10 at 10	We explained how the attacks on the Saudi Arabia oil facilities will affect gas prices here in the United States.
10	Health	5:00 a.m.- 6:00 a.m.	9-17-19	1:00	Passe Partout	A new study finds women who enter menopause on the older end of the spectrum... ages 52 and above... have a 30 percent lower risk of developing type 2 diabetes. Researchers in France also found young women who hit puberty at age 14 or older have a 12 percent lower risk.

## Quarterly Issues and Programs List

<b>Channel</b>	<b>Issue</b>	<b>Time</b>	<b>Date</b>	<b>Duration</b>	<b>Title of Program</b>	<b>Narrative Description</b>
10	Politics	10:07 p.m.	9-17-19	2:10	News 10 at 10	In a one-on-one interview, Governor John Bel Edwards talks about the challenges he will face if he is elected to lead the state government for a second term.
10	Health	5:22 a.m.	9-18-19	1:00	Passe Partout	A new study finds mammography is effective at detecting breast cancer in men who are at high risk of developing the disease. Researchers at NYU Langone also found men with an immediate relative who had breast cancer, such as a mother or sister, were three times more likely to develop the disease.
10	Health	5:23 p.m.	9-18-19	1:30	News 10 at 5	We reported on a scientific breakthrough that may eventually allow blind people to see.
10	Health	5:00 a.m.- 6:00 a.m.	9-19-19	1:05	Passe Partout	The American Academy of Neurology says people over age 65 should be screened every year for thinking and memory problems. The group says screening is important because mild cognitive impairment can be an early sign of dementia or a symptom of sleep problems, depression, medical illness or medications.
10	Politics	10:00 p.m.	9-19-19	3:00	News 10 at 10	The three top Louisiana gubernatorial candidates squared off in the first televised debate of the election season. The candidates discussed how they plan on making Louisiana better in the future.
10	Health	5:00 a.m.- 6:00 a.m.	9-20-19	1:00	Passe Partout	Walking may be a tool to help doctors identify the type of dementia a person has. Australian researchers find patients with Alzheimer's disease or Lewy body dementia have unique walking patterns that have subtle differences when the types of dementia are compared.

## Quarterly Issues and Programs List

<b>Channel</b>	<b>Issue</b>	<b>Time</b>	<b>Date</b>	<b>Duration</b>	<b>Title of Program</b>	<b>Narrative Description</b>
10	Business	6:20 p.m.	9-20-19	1:30	News 10 at 6	One Acadiana is launching a campaign designed to capture new business and expand opportunities in the region.
10	Health	5:00 a.m.-6:00 a.m.	9-23-19	1:06	Passé Partout	A new study suggests a hormone may cause both men and women to develop an overactive sex drive. The World Health Organization categorizes hypersexual disorder as a mental illness. But researchers have linked it to overproduction of the hormone oxytocin.
10	Education	6:00 p.m.	9-23-19	2:00	News 10 at 6	All kindergarten through 12 <sup>th</sup> grade teachers in Louisiana will soon have access to an app allowing them to press a panic button that immediately calls 911 and notifies first responders and school staff in the event of an emergency.
10	Health	5:00 a.m.-6:00 a.m.	9-24-19	1:00	Passé Partout	People with gum disease are more likely to have high blood pressure. UK researchers reviewed cases of hypertension in patients with moderate and severe gum disease. They found the more severe the gum disease, the higher the likelihood of high blood pressure.
10	Health	10:02 p.m.	9-24-19	1:40	News 10 at 10	Precautions are being taken at Leonville Elementary because of a dramatic increase of flu cases. Students were let out early and inmates came to the school in order to disinfect inside. Students will return to class tomorrow.
10	Health	5:00 a.m.-6:00 a.m.	9-25-19	1:08	Passé Partout	Women who have had c-sections and then attempt a normal delivery with their next child face increased health risks. Oxford researchers say risks include uterine rupture and emergency surgery, but they add the overall risk remains low.

## Quarterly Issues and Programs List

<b>Channel</b>	<b>Issue</b>	<b>Time</b>	<b>Date</b>	<b>Duration</b>	<b>Title of Program</b>	<b>Narrative Description</b>
10	Economy	10:01 p.m..	9-25-19	2:20	News 10 at 10	The oilfield service company, Weatherford, closed one of its Broussard locations today. Employees in the wire line division say they lost their jobs with no warning.
10	Health	5:00 a.m.- 6:00 a.m.	9-26-19	1:00	Passe Partout	Scientists in the United Kingdom have confirmed for the first time that bacteria can change to resist antibiotics. Researchers found that a bacterium can lose its cell wall which is a common target of antibiotics. They hope their discovery leads to combination drug treatments to attack infections.
10	Government	10:00 p.m.	9-26-19	2:00	News 10 at 10	The top three candidates wanting to lead state government participated in a debate, answering a series of questions about how they would move Louisiana forward.
10	Health	5:00 a.m.- 6:00 a.m.	9-30-19	1:10	Passe Partout	A new study of postmenopausal women with aggressive breast cancer found adding a targeted therapy drug called Ribociclib to standard hormone therapy significantly improved their overall survival. Researchers at UCLA found survival rates were 58% for the combined treatment compared to 46% for hormone therapy alone.
10	Transportation	10:00 p.m.	10-1-19	1:55	News 10 at 10	It was a close five to four vote last month when the Lafayette city-parish council decided to keep seven-million dollars in funding to the Louisiana Avenue expansion instead of storm drainage. Mayor President Joel Robideaux vetoed the vote. An extra vote was needed to override the veto tonight, but no one's vote changed.
10	Health	5:00 a.m.	10-2-19	1:04	Passe Partout	A warning for asthma patients and how food insecurity can impact health.

## Quarterly Issues and Programs List

<b>Channel</b>	<b>Issue</b>	<b>Time</b>	<b>Date</b>	<b>Duration</b>	<b>Title of Program</b>	<b>Narrative Description</b>
10	Economy	10:20 p.m.	10-2-19	1:10	News 10 at 10	The Downtown New Iberia Business Association has taken on a new name in a new role in the city. We find out the organization's plans to bring new business and jobs to the city.
10	Health	5:00 a.m.	10-3-19	1:10	Passe Partout	The Downtown New Iberia Business Association has taken on a new name in a new role in the city. We find out the organization's plans to bring new business and jobs to the city.
