KLFY-TV

3Q 2020

Pursuant to the disclosure requirements in 47 C.F. R. 73.3526(11) (i), and during the quarter referenced above, this station provided information to its viewers regarding the following significant issues, including:

Education	Consumer Issues	Religion
Children/Youth	Economy	Technology
Politics	Housing	National Security
Health/Healthcare	Transportation	Minority Issues
Crime/Law Enforcement	Community	Women's Issues
Legal Matters (e.g. court decisions)	Business	Employment
Government (National)	Cultural	Business & Industry
Government (Local)	Elderly	
Environment	Immigration	

### Programs

Channel	Issue	Time	Date	Duration	Title of Program	Narrative Description
10	Health/Healthcare	5:10 a.m.	7-1-20	1:10	Passe Partout	We explain which older women may be more at risk for depression and give more information about how COVID-19 spreads.
10	Consumer Issues	10:20 p.m.	7-1-20	3:00	News 10 at 10	No matter your age, no one is immune to scams. However, older adults report higher median losses. Scammers often target this group with schemes, such as investment fraud and romance scams, where victims lose thousands of dollars.
10	Children/Youth	5:54 a.m.	7-2-20	2:20	Passe Partout	Wednesday was National Heatstroke Prevention Day. Officials from the Trump administration and the National Highway Traffic Safety Administration

Quarterly Issues and Programs List

Channel	Issue	Time	Date	Duration	Title of Program	Narrative Description
						have unveiled a new nationwide push to prevent young children from dying in hot vehicles. Child advocates say young kids are dying at record breaking rates despite decades of public action.
10	Business	10:01 p.m.	7-2-20	2:20	News 10 at 10	Blue Dog Cafe in Lafayette has announced that it is closing after 20 years of business, but owners hope it is temporary. The owners say it is due to the economic downturn following the COVID-19 pandemic.
10	Health/Healthcare	5:11 a.m.	7-3-20	1:02	Passe Partout	Hot flashes and night sweats are linked to greater risk for heart problems. A study in the American Journal Obstetrics and Gynecology found that women of any age who have hot flashes and night sweats are more likely to experience non-fatal cardiovascular events like heart attacks, angina, and strokes.
10	Health/Healthcare	5:05 p.m.	7-3-20	2:10	News 10 at 5	Health professionals are focused on slowing the spread of the coronavirus, especially during July 4th celebrations. You can help with one simple action, wear a mask. We spoke with Dr. Tina Stefanski about an easy and effective way to protect yourself and others.
10	Health/Healthcare	5:05 a.m.	7-6-20	1:05	Passe Partout	Children are supposed to be screened for autism at their 18- and 24-months checkups, but a new study in the journal pediatrics finds only half are being screened at both visits.

Quarterly Issues and Programs List

Channel	Issue	Time	Date	Duration	Title of Program	Narrative Description
10	Health/Healthcare	5:17 a.m.	7-7-20	1:00	Passe Partout	Breast cancer screening at an early age may be life saving for women who are childhood cancer survivors. A new study in Annals of Internal Medicine used simulation models and determined that starting screening with survivors at age 25 to 30 might reduce breast cancer deaths by 50 percent or more.
10	Education	10:04 p.m.	7-7-20	1:45	News 10 at 10	The President hosts a roundtable on getting the nation's kids safely back in school for the first day of class, which in most parts of the country means next month. The President insists that schools must open this fall, although some state and local education and health officials say it may be too soon. Administration officials say the White House is prepared to offer federal guidance on how schools should create a classroom environment that will prevent the spread of the coronavirus.
10	Health/Healthcare	5:26 a.m.	7-8-20	1:10	Passe Partout	New research shows patients can experience delirium, brain inflammation, stroke, and nerve damage from COVID-19. The study in the Journal Brain finds neurological disorders are the main and first symptoms of coronavirus for some patients and that some do not have severe respiratory symptoms. Experts say more study is needed to figure out

Quarterly Issues and Programs List

Channel	Issue	Time	Date	Duration	Title of Program	Narrative Description
						why some people develop these neurological complications.
10	Consumer Issues	10:20 p.m.	7-8-20	2:30	News 10 at 10	The Better Business Bureau of Acadiana has seen an uptick in calls from consumers regarding an employment opportunity involving wrapping your car with ads. This car wrap scam can leave you worse off financially.
10	Consumer Issues	5:10 a.m.	7-9-20	1:25	Passe Partout	Shares of Bed Bath and Beyond dropped in after hour trading, following a disappointing quarterly report card. The household goods retailer did post an 82 percent increase in online sales, but that was not enough to make up for the lack of in-person shopping due to the coronavirus. Overall, it posted a loss of more than 302 million dollars. The company also announced it will start closing about 200 stores
10	Health/Healthcare	5:11 a.m.	7-10-20	1:22	Passe Partout	A new commentary in the Journal Pediatrics concludes that children do not frequently transmit COVID-19 and schools can and should reopen this fall, keeping social distancing and community transmission in mind. The conclusions are based on several recent studies analyzing COVID-19 transmission by children.
10	Health/Healthcare	5:23 p.m.	7-10-20	1:50	News 10 at 5	With cases surging in parts of the country, there is rising pressure for some states and counties to return to stay at

Quarterly Issues and Programs List

Channel	Issue	Time	Date	Duration	Title of Program	Narrative Description
						home orders. President Trump insists the high number of COVID19 cases in the U.S. is due to increased testing. But top health experts say the positivity rate is also increasing and that's leading to a shortage in hospital beds in states like California and Texas.
10	Health/Healthcare	5:24 a.m.	7-13-20	2:28	Passe Partout	Suicide is among the top ten leading causes of death in the United States, affecting every demographic and socio-economic group. A new proposal being voted on this week would make dialing a life-saving hotline as simple as calling 911.
10	Education	6:04 p.m.	7-13-20	1:45	News 10 at 6	Louisiana teachers and parents say they don't feel comfortable sending students back to the classroom. We gave the results of a new survey.
10	Community	5:18 a.m.	7-14-20	2:12	Passe Partout	Picture this: the latest indie movie gaining Oscar buzz is out. There's just one problem. You can't find it in a traditional movie theater. But there is one place in Shreveport that has you covered.
10	Education	10:05 p.m.	7-14-20	2:15	News 10 at 10	The White House Coronavirus Task Force is encouraging schools across the nation to re-open this fall. Vice President Mike Pence met with Governor John Bel Edwards and higher education leaders in Baton Rouge today to discuss plans for schools in Louisiana.

Quarterly Issues and Programs List

Channel	Issue	Time	Date	Duration	Title of Program	Narrative Description
10	Education	5:54 a.m.	7-15-20	2:05	Passe Partout	International students are breathing a sigh of relief, after the Trump administration abandoned guidelines that would have put many of those students at risk of deportation. The plans drew sharp criticism and lawsuits from universities and states.
10	Economy	5:52 a.m.	7-16-20	2:20	Passe Partout	As the pandemic continues to grip much of the country, museums are hemorrhaging millions of dollars each day in lost ticket sales. As many as 40 percent of these institutions may never reopen.
10	Health/Healthcare	10:01 p.m.	7-16-20	2:05	News 10 at 10	Health officials are encouraging anyone who is curious and wants to take a coronavirus test to do so. They say getting swabbed even if you are not experiencing any symptoms can help the community.
10	Government (local)	5:24 a.m.	7-17-20	2:33	Passe Partout	The City of Youngsville has purchased land where a new drainage pond will be built. We take a closer look at a project that has been in the works since 2015.
10	Consumer Issues	10:20 p.m.	7-17-20	1:45	News 10 at 10	If you've been looking for a silver lining in the coronavirus pandemic, it may be this: the number of robocalls dropped.
10	Politics	5:55 a.m.	7-20-20	2:00	Passe Partout	The nation continues to honor and mourn the passing of legendary civil rights activist, Congressman John Lewis who died over the weekend at the age of 80.

						beneficial for blood pressure, cholesterol, and blood sugar levels
10	Education	6:10 p.m.	7-23-20	2:00	News 10 at 6	Lafayette Parish teachers are voicing their concern tonight about returning to the classroom too soon.
10	Health/Healthcare	5:11 a.m.	7-24-20	1:00	Passe Partout	Mothers who have coronavirus are unlikely to pass along the infection to their newborns even after two weeks of breastfeeding. Researchers in New York found no cases of transmission if the mothers took the recommended precautions such as wearing face coverings.
10	Health/Healthcare	5:10 a.m.	7-27-20	1:07	Passe Partout	A diet rich in plant-based foods can lower blood pressure, even if a person still eats small amounts of dairy and meat. Plant-based diets involve eating more fruits, vegetables, whole grains, legumes, nuts, and seeds, and limiting meat and dairy.
10	Education	6:00 p.m.	7-27-20	1:55	News 10 at 6	The plan to open Lafayette catholic schools is now on paper. Each school is going to open and operate based on their needs.
10	Health/Healthcare	5:11 a.m.	7-28-20	1:16	Passe Partout	Antibiotics can successfully treat children with uncomplicated appendicitis. A nationwide children's hospital study looked at more than one-thousand patients and found the children who chose to have their care managed through antibiotics had no harmful side

Quarterly Issues and Programs List

Channel	Issue	Time	Date	Duration	Title of Program	Narrative Description
						effects and didn't need to have their appendix surgically removed a year later.
10	Consumer Issues	5:23 p.m.	7-28-20	1:45	News 10 at 5	The FDA has a new warning out about a toxic chemical found in more than 75 brands of hand sanitizers. Michael George explains how you can tell which brands are safe.
10	Health/Healthcare	5:11 p.m.	7-29-20	1:17	Passe Partout	A simple blood test may be capable of diagnosing Alzheimer's disease years before the first symptoms appear. Researchers at Washington University have developed a technique to detect tiny amounts of a specific protein in the blood. They hope the screening tool will eventually replace brain scans and spinal taps for diagnosing Alzheimer's.
10	Consumer Issues	10:17 p.m.	7-29-20	2:30	News 10 at 10	There are mask exemption cards circulating online claiming to be a part of the department of justice, however they are fake.
10	Health/Healthcare	5:11 a.m.	7-30-20	1:10	Passe Partout	Alzheimer's disease risk factors may be able to be measured when we are teenagers and young adults. Risk factors include high blood pressure, high cholesterol, and diabetes as well as other factors such as education quality. Many of these risk factors disproportionately affect African Americans. Older African Americans are more likely to have dementia.
