Re: Public Affairs Quarterly Report

For: 1st Quarter 2017 (January-March)

Date: March 31, 2017

This quarter, the radio stations listed above identified the following as community issues:

1. **Arts & Culture**
2. **Community Awareness**
3. **Current Events**
4. **Education**
5. **Health**
6. **History/Politics**
7. **Personal Well-Being**

An average of 750 minutes per week were devoted this quarter for public affair issues. The radio stations listed above identified these issues through on-air awareness, fundraising, and the public affairs program, Q&A. The following is a complete list of topics aired during the 1st Quarter of 2017.

1. **Arts & Culture** - Includes the issues of pop culture, perceived intelligence, and documentary filmmaking.
2. **Community Awareness** - Includes the issues of family, youth, gender, poverty, soft addictions, mindfulness, mental health, and substance misuse in the LGBTQ community.
3. **Current Events** - Includes the issues of the economy, local politics, immigration, veteran affairs, the environment, drone warfare, climate change, and the plight of black women.
4. **Education** - Includes the issues of national education leadership and higher education.
5. **Health** - Includes the issues of thyroid health, depression, sleep/fatigue, cardio health, oral hygiene, probiotics, and curing disease.

6. **History/Politics** - Includes the issues of the healthcare, immigration, business, crime, monuments, women of color in politics, human subject research, political activism, anger in politics, politics & protest, and Middle East policy.

7. **Personal Well-Being** - Includes the issues of financial security, how pets help to heal, and menstruation.

**Public Affairs Report Sorted By Issue For
The 1st Quarter of 2017 (January-March)**
