	Education	See Attached Invoices	NSEA-Ashley	See Attached Invoices	See Attached Invoices	30	Helping kids find their passion is the reason why I teach. They all have unique gifts that if you just develop those gifts, they can be great contributors to society. Teaching is the most important job there is. Anyone who is successful, they are successful because a teacher inspired them. You're kind of the quiet hero. The invisible hero. I have a passion to make our community a better place. That's why I teach. Nebraska Public School teachers . Giving every student the opportunity to learn and succeed.

		See Attached Invoices	NSEA-Katie	See Attached Invoices	See Attached Invoices	30	Public schools are one of the most amazing institutions. I get a little emotional talking about it. It doesn't mean giving everybody the same thing. It means giving everybody what they need to reach their potential. I teach because kids are cool and I get to wake up every morning knowing that I get to go and hang out with the coolest people on the earth. I am never bored. Not a single second. Nebraska Public School teachers-giving every student the opportunity to learn and succeed.
		See Attached Invoices	Teach.org-Anthem	See Attached Invoices	See Attached Invoices	60	I'm a teacher. Let me tell you what I make. I make learning a privilege, not a chore. And frustration, a tool. 	Law Enforcement/Crime Prevention	See Attached Invoices	DHS-Protect Your Every Day	See Attached Invoices	See Attached Invoices	60	I'm a firefighter. A Teacher. A Farmer. I'm a barber. A waitress. A mom. We're all part of your community. Every day we move in and out of each other's busy lives. It's easy to take for granted all the little moments that make up our every day. Some are good, others not so much, but that's life. It's when you experience a moment of uncertainty. Something or someone's behavior that doesn't seem quite right. These are the moments to take a pause because if something doesn't feel right, it's probably not. It's not about paranoia or being afraid. It's about standing up and protecting our communities, one detail at a time. Because a lot of details can become a pattern. We trust our instincts, just like you should because only you know what's not supposed to be in your every day. So protect your every day. If you see something suspicious, say something to local authorities.

	Volunteerism	See Attached Invoices	Goodwill-How We Do It	See Attached Invoices	See Attached Invoices	60	Take a look under your bed. Find stuff under there? What about jobs? No? Now try your closet. Still no jobs, just more stuff? Well, you really have both. See, stuff is defined as household articles considered as a group. Sometimes this stuff is no longer needed. Wait. No longer needed? That can't be right. Because, remember those jobs you were looking for? Those are really needed. And they're the stuff inside your stuff. Our job is to unlock those jobs and it starts when you donate your stuff to your local Goodwill. Here's how we do it. When you donate to Goodwill, we sell your stuff to provide job training for people right here in your community. So just by teaming up with Goodwill, you help create jobs, and isn't that worth parting with the leftover keytar from your 80's cover band? Goodwill, donate stuff, create jobs.
