BUT SOME CAPITOL CITY RESIDENTS SAY THE PARKING IN THAT AREA OF TOWN ISN'T QUITE UP TO PAR. THE NEW ARENA OPENED LAST AUGUST... THE RAILYARD WAS CREATED TO PROVIDE ADDITIONAL ENTERTAINMENT NEAR THE PINNACLE BANK ARENA. THE AREA ON CANOPY STREET INCLUDES MORE THAN A DOZEN RESTAURANTS AND BARS... LIVE ENTERTAINMENT... AND A PUBLIC MARKET. BUT DESPITE ALL THESE NEW BUSINESSES... OFFICIALS SAY IT HASN'T STOPPED THE REST OF DOWNTOWN LINCOLN FROM BEING PROFITABLE. WHILE THE RAILYARD DOES MOST OF ITS BUSINESS BEFORE AND AFTER EVENTS AT THE ARENA... THEY'RE ALSO WORKING WITH OTHER HAYMARKET BUSINESSES TO PROVIDE NEW OPPORTUNITIES AND EVENTS FOR LINCOLN RESIDENTS.

WHEN NEARLY 15-THOUSAND PEOPLE ARE LOOKING FOR A PARKING SPACE IN THE SAME AREA.</p> <p>BUT FOR THE MOST PART, IT'S NOT PARKING THAT IS THE PROBLEM, BUT RATHER THE TRAFFIC CONGESTION. OFFICIALS SAY DRIVERS AND EVENT PATRONS CAN HELP SOLVE THE PROBLEM,</p> <p>BY JUST PAYING A LITTLE MORE ATTENTION.</p> <p>OFFICIALS ALSO SAY THAT EVEN IF YOU'RE NOT ATTENDING AN ARENA EVENT, YOU NEED TO REMEMBER THAT THE EVENT IS HAPPENING, AND MAYBE MAKE ADJUSTMENTS TO YOUR PLANS OR PARKING.</p>

1	Arena parking should have been factored in the same time as arena completed.	See Attached Invoices	Out and About Promo/Arena Parking	See Attached Invoices	See Attached Invoices	60	Krystal here, I'm out and about in Lincoln where I spoke with Wayne Mixdorf, the parking manager of the city about how the process for arena parking works. When you building something like Pinnacle Bank Arena, that houses or seats 15,000 plus people, there's a formula that you use to determine the amount of parking. And you try to establish a mix of structured parking and surface parking, and generally you're talking about an occupancy of 15,000 people. We usually use a calculus of three people to a vehicle. So we're looking at the order of parking between 4500 and 5,000 cars for capacity event.
2	Deficit of parking around new arena area.	See Attached Invoices	Out and About Promo/Parking Garages	See Attached Invoices	See Attached Invoices	60	Krystal here, I'm out and about in Lincoln where I spoke with Parking Manager Wayne Mixdorf about the new parking garages in the downtown area. We opened the first garage, Red 1, on August 1st. And of course the official opening for the arena was the end of August. But that is only the first of three garages that are associated with the arena. What we're calling Deck 3 right now, will be opening in July of 2014. And Deck 2 will be opening towards the end of August in 2014. The three garages, when they're constructed, will have about 2600 parking spaces. So the rest of it is in the surface parking, which is to the north of the arena.

4	Need for a smoother transisiton between the original Haymarket restaurants and hotels and the new Railyard businesses. The original Haymarket businesses helped launch the success of arena, but now new Railyard businesses need to build unity and work together to ensure original Haymarket businesses' success.	See Attached Invoices	Out and About Promo/Unity	See Attached Invoices	See Attached Invoices	60	Krystal here, I'm out and about in downtown Lincoln where I spoke with Stephanie Warner about the newer Railyard businesses as well as the older Haymarket businesses. A lot of the foot traffic, especially on arena concert days flows from all of downtown. We actually have a member of our team that serves on the Lincoln Historic Development Corporation Board and they go to those meeting and are involved with everything that goes on in the Haymarket. We are looking to partner with them this coming spring on the Farmer's Market so that we could potentially expand it into the Railyard.
5	Need for arena parking-Lincoln residents dining downtown at local downtown restaurants during a Pinnacle arena event are forced to pay steep EVENT parking in downtown garages -even if not attending arena event.	See Attached Invoices	Out and About Promo/Park and Go	See Attached Invoices	See Attached Invoices	60	Krystal here, I'm out and about in Lincoln where I spoke with Wayne Mixdorf, the parking manager of the city about the options people have for downtown parking. Anytime you bring 15,000 people into a small area for an event like a men's basketball game or a concert, there's always going to be a little bit more conflict. We manage that by online purchasing of parking, which people can do from the homepage, would be able to directly click on the picture of the Pinnacle Bank Arena. And that would take you to the site page for purchasing your parking. Scroll down the list of events, choose the event that you wanted, and then it would describe where the available parking is and the cost.

6	Need for Railyard hotels/restaurants owners to reach out and communicate with original Haymarket businesses who helped launch their success	See Attached Invoices	Out and About Promo/Competition	See Attached Invoices	See Attached Invoices	60	Krystal here, I'm out and about in downtown Lincoln where I spoke with Stephanie Warner about the competition between the Railyard and the older Haymarket businesses. The Railyard and the surrounding businesses that are also part of our properties really have great success. During the arena events, because the businesses can be so packed, I'm sure some people are having to find that they'll go to other locations in the Haymarket or downtown. But any time new businesses pop up, there's always going to be new competition for existing businesses. And I think that a lot of the downtown businesses have really stepped it up to compete and be in line with and do just as well as new Railyard and Canopy Street establishments.

7	Need to accept all coins in downtown parking meters. Parking meters downtown do not accept nickels as part of parking meter payment, but they do keep them if they are fed in the meters-which does go to city.	See Attached Invoices	Out and About Promo/Parking Meters	See Attached Invoices	See Attached Invoices	60	Krystal here, I'm out and about in Lincoln where I spoke with Parking Manager Wayne Mixdorf about the city's parking meters, and the rules about them. All variety of coins, except for pennies. You can put the pennies in, but it won't register any time. We'll gladly accept the donation, but it won't register any time for you. But yes, it will take nickels, dimes, quarters, it'll even take dollars. We have 1400 meters downtown that will accept credit cards. It's very simple to use, you would insert your credit card, also accepts debit card. We have people who are specifically collectors, so they're collecting the money from them. We have people who are specifically meter technicians. That are constantly responding to complaints and just looking for anything that may need to be repaired.

9	Roundabout safety-still unsafe-especially the elderly and people from rural Nebraska visiting Lincoln still aren't confident about using them.	See Attached Invoices	Out and About Promo/ Roundabouts	See Attached Invoices	See Attached Invoices	60	Mark here...Roundabouts like this one at 14 th and Superior are popping up all over Lincoln. Here's a few tips to help keep you safe! As you approach a roundabout, there will be a YIELD sign—slow down and watch for pedestrians and bicyclists—be prepared to stop. If another car is waiting ahead of you, do not stop on a crosswalk. When you enter, yield to circulating traffic on the left, but do not stop if it is clear. Once you pass the street before your exit, turn on your right turn signal and watch for pedestrians as you exit. If these rules are followed, roundabouts improve safety, increase intersection capacity, reduce environmental impacts and enhance community values.
