	Community Development	See Attached Invoice	Feeding America/Jennie Garth	See Attached Invoice	See Attached Invoice	60	<p>I'm Jennie Garth, and as a mother of three, I know kids worry about a lot of things. Getting enough food to eat shouldn't be one of them. But here in America, that is a real worry for 1 in 5 children. Even though we are one of the most food rich countries in the world, 15 million children don't know where their next meal is coming from. This is unacceptable, and something that feeding America Nationwide network of food banks is working to solve. Instead of accepting that our country lets billions of pounds of surplus food go to waste every year, Feeding America has made it their mission to help families in need by rescuing this food. Through food pantries and meal programs, a nationwide network of food banks provides more than 3 billion meals, serving virtually every community in the United States, including yours. Join me in supporting Feeding America and your local food bank by visiting feedingamerica.org. Together we can stop hunger. Together, we're feeding America</p>

		See Attached Invoice	Goodwill/How We Do It	See Attached Invoice	See Attached Invoice	60	<p>Take a look under your bed. Find stuff under there? What about jobs? No? Now try your closet. Still no jobs, just more stuff? Well, you really have both. See, stuff is defined as household articles considered as a group. Sometimes this stuff is no longer needed. Wait. No longer needed? That can't be right. Because, remember those jobs you were looking for? Those are really needed. And they're the stuff inside your stuff. Our job is to unlock those jobs and it starts when you donate your stuff to your local Goodwill. Here's how we do it. When you donate to Goodwill, we sell your stuff to provide job training for people right here in your community. So just by teaming up with Goodwill, you help create jobs, and isn't that worth parting with the leftover keytar from your 80's cover band? Goodwill, donate stuff, create jobs.</p>

	Safety	See Attached Invoice	DHS/Protect Your Everyday	See Attached Invoice	See Attached Invoice	60	I'm a firefighter. A Teacher. A Farmer. I'm a barber. A waitress. A mom. We're all part of your community. Every day we move in and out of each other's busy lives. It's easy to take for granted all the little moments that make up our every day. Some are good, others not so much, but that's life. It's when you experience a moment of uncertainty. Something or someone's behavior that doesn't seem quite right. These are the moments to take a pause because if something doesn't feel right, it's probably not. It's not about paranoia or being afraid. It's about standing up and protecting our communities, one detail at a time. Because a lot of details can become a pattern. We trust our instincts, just like you should because only you know what's not supposed to be in your every day. So protect your every day. If you see something suspicious, say something to local authorities.
