	Employment/Jobs	See Attached Invoice	Year Up "Atypical"	See Attached Invoice	See Attached Invoice	:60	A woman goes through a work interview, giving unorthodox answers to interview questions. She gets the job, only to disappear mid-handshake with the interviewer. "Please have a seat. I'll be honest, your resume is not what I'm used to." "I know." "OK, so what would you bring to my company?" "What do you need?" "I need a hard worker." "Good. I've got two part-time jobs and I help my parents pay the bills." "I need problem solving skills." "I got through high school without a car, a phone, or a computer." "No college degree though?" "Not yet, but life's taught me a lot, and I'm ready for more." "Well, you're not the typical type of candidate I hire, but you are exactly what I'm looking for." "Your company could be missing out on the candidates it needs most. Learn how to find, cultivate, and train a great pool of untapped talent at gradsoflife.org ."
	Health	See Attached Invoice	American Heart Association "Ceiling Crasher"	See Attached Invoice	See Attached Invoice	:60	A woman in colonial times addresses the audience. As she speaks, the floor below her breaks off and carries her up into the ceiling, bringing her into a scene showing her working in a factory during the World Wars. This repeats to carry her onto a stage where she is a candidate in an election, and again into the office of a business CEO. After her last line, it cuts to her breathing heavily and again to her collapsed on the floor, apparently suffering a heart attack. "So they say it's a man's world? Well I don't see anybody's name on it. While they were out doing their thing, we slowly changed all that. We changed all that! Today, women can do anything men can do. And there's one thing we're even better at..." Text: 1 in 3 women die of heart disease and stroke. It's not just a man's disease. You can prevent it. Make a change at GoRedFor Women.org

		See Attached Invoice	March of Dimes "Healthy Babies"	See Attached Invoice	See Attached Invoice	:60	A series of pictures taken through out a woman's pregnancy are used to show her slowly getting larger before "walking" out a door and returning with a baby. Text: Don't speed up your delivery date."Babies aren't fully developed until at least 39 weeks, which means babies born even a few weeks early can have breathing, feeding, and learning problems. If your pregnancy is healthy, wait for labor to begin on its own. A healthy baby is worth the wait. "
Education		See Attached Invoice	United Way "Graduation"	See Attached Invoice	See Attached Invoice	:60	High school students wearing graduation gowns sing and dance to "School's Out" as they leave the school building. "No more pencils, no more books. No more teacher's dirty looks. School's out for summer. School's out forever. School's out with fever. School's out completely." "What this place needed was better graduation rates. So we worked with schools like Henry Ford High and now they're up 18%, and it can happen in every place. To help us do more good this year, go to unitedway.org , cause great things happen when we live united."
Economic Development		See Attached Invoice	NSEA "Closer Look"	See Attached Invoice	See Attached Invoice	:30	Announcer: When you take a closer look at successful communities in Nebraska, they all have something in common. Their public school teachers and local business leaders work together. When that happens, kids learn the connection between school and work. That builds a strong work force, which helps leads to a strong local economy and that's good for all of us. When teachers and business leaders work together, great things happen in our Nebraska communities. Good schools are indeed good for business.
Law Enforcement/Crime Prevention		See Attached Invoice	Nebraska Lottery "Scams"	See Attached Invoice	See Attached Invoice	:30	Hi Friends, we want to warn you about scams designed to rip you off. Crooks are calling, emailing, texting, even messaging people on social media, telling them they've won a lottery prize. Don't fall for it. Scam artists say you must pay fees or taxes to get your winnings. Red flag. Don't send money. You won't get it back because there's no real prize. Don't give personal or bank account information. Sadly, there are some bad people out there. If you've been scammed, contact police and then your lottery office.

		See Attached Invoice	Scam Awareness "Spring Break"	See Attached Invoice	See Attached Invoice	:30	An elderly woman is approached by a man, who claims to be her grandson's college roommate, that her grandson son was in an accident during spring break, and that he needs money for surgery. The woman is then shown to be listening to the same speech over the phone. "Hi." "Hi." "I'm your grandson's college roommate. We're on spring break together in Jamaica and he's been in a bad accident. His jaw is wired shut. He needs money for surgery. He told me to ask you for it." "Ha. No." "You wouldn't fall for it here." (Shows woman on phone) "So don't fall for it here. Think before you send money. Don't fall for the person in need scam. Learn more at scamawareness.org."
		See Attached Invoice	Neighborhood Watch "Safe Community"	See Attached Invoice	See Attached Invoice	:60	Less Crime is no accident. Get involved with local law enforcement to help keep your neighborhood safe. If we don't have that neighborhood watch looking out for each other, we in law enforcement are unable to do our job. We can't do it by ourselves. We have to have the neighborhood involved. There aren't enough police in the world to protect everyone from crime. Citizens must become involved in helping prevent crime. That's why celebrate safe communities is all important--because we want to encourage people working in their communities to help prevent crime. Celebrate safe communities is a partnership between the National Sheriff's Association, the National Crime Prevention Council and the Bureau of Justice Assistance. Be proactive to prevent crime. Find out how your neighborhood, business or community can help take a bite out of crime. Go to celebratesafecommunities.org
Transportation		See Attached Invoice	Boystown "Pay It Forward"	See Attached Invoice	See Attached Invoice	:60	First person view of a high school student in various social situations, using a phone app to get help or express their mood with someone online, and helping others in trouble. "Need help? We're here. Whether you are feeling sad, frustrated, or happy. We've got you covered. Pay those good feelings forward. And if you ever need someone to talk to, we'll be here. 	See Attached Invoice	Veterans Affaris "Power of One"	See Attached Invoice	See Attached Invoice	:60	A somber man, apparently a veteran of a current war, is sitting alone in a crowded diner. He is brought out of his depressed state when the waitress tells him that another patron paid his ticket. He looks over to see that the man who paid is an older man with a cap reading Vietnam Veteran, who looks back and raises his cup in salute. When he looks at the paid ticket, it has a note that reads, "If you ever need to talk, I'm here for you." The Vietnam vet gets up and comes to shake the younger man's hand. "Hey Daniel. The gentleman over there paid for your meal." "The power of one small action. One small, conversation, or one phone call can make a difference in the life of a veteran going through a difficult time. For free 24/7 confidential support, call the Veterans Crisis Line or the Military Crisis Line." Text: 1-800-273-8255 Press 1. Confidential chat at VeteransCrisisLine.net or text to 838255
Volunteerism	See Attached Invoice	NHTSA "Know It Alls"	See Attached Invoice	See Attached Invoice	:60	Several parents at a playground presents facts about raising children to each other, trying to outdo each other, until another parent walks by and mentions that most parents think they are using the right car seat but are not. The group is left speechless. "Did you know kids who play outdoors have healthier lungs?" "Totally." "I did. Did you know that boys that play with dolls make better husbands?" "My son has lots of dolls." "But did you know tera cloth diapers breath better?" "I did." "Totally true." "Oh yeah, yeah." "Did you know that strollers have the right of way on the sidewalk?" "Yes." "Yep. I did." "Did you guys know..." "Did you that kids who eat breakfast have higher GPAs?" "Yeah, I know." "Yeah, that's actually what I was gonna say." "Did you know that babies should never touch silver? It's really bad for them." "I knew that." "Did you guys know that statistically friendly kids have more friends?" "That's obvious" "Did you know most people think they are using the right car seat for their kid but they are not?" "Parents who really know it all know for sure that their child is in the right seat at the right age and size. Visit safercar.gov/therightseat to make sure your child is protected." "I'm putting that in my blog." "I just put it in mine."

Safety	See Attached Invoice	FEMA "Waiting"	See Attached Invoice	See Attached Invoice	:60	People are huddled in a shelter, apparently waiting out a storm. The focus comes to two families: one couple with three children all hugging and gathered close together, and another couple who appear worried and frantic. The worried woman can be barely heard over the ominous sound of the storm, but phrases such as "just try to call him" and "Is he OK? Just tell me he's OK" are heard, as well as the husband trying to assure her and calm her. "Make sure you know where to find your family in an emergency. Start your plan at ready.gov."
