		See Attached Invoices	Nebraska SAMHSA - Opioid	See Attached Invoices	See Attached Invoices	:30	<p>Text: Prescription opioids can be addictive and dangerous. "My son was 20 years old when he was prescribed opioids. It took him 5 days to get addicted. I'm not supposed to be the one to pick which sneakers that I'm going to bury him in. My son overdosed at the age of 22 years old." Text: It only takes a little to lose a lot. Visit dhhs.ne.gov/PDMP</p>

	Volunteerism	See Attached Invoices	Meals on Wheels - Marco	See Attached Invoices	See Attached Invoices	1:00	<p>Video follows Marco making several food deliveries. "Hey Rosalina! How are you?" "Hi, Meals on Wheels!" "I'm Marco, I'm a college student, and I volunteer as a driver for Meals on Wheels. I'm very happy I did it. I think its awesome meeting these people. I mean they're so interesting. They've had so many wonderful experiences in life. You can tell when you go to see them how eager they are to share their experiences and wisdom with you. I can see my grandparents in some of these seniors and, you know, when I think about what I want for them, they lived alone and didn't have anyone to look after them and help them get food. I'd want someone there who does what I do to make sure they're being fed. Your community helps raise you up into the person you want to become. Meals on Wheels is a great way to give back to that community. Text: America, Let's Do Lunch. Volunteer with Meals on Wheels at AmericaLetsDoLunch.org.</p>
		See Attached Invoices	St. Jude - Help	See Attached Invoices	See Attached Invoices	1:00	<p>It took me a long time to be able to say "Chandler has cancer" because that is such a scary word. St. Jude takes care of absolutely everything. And knowing that we don't have to pay for all of the medical expenses, that's huge. St. Jude allowed me to focus on being a mom to Bryce and sometimes I'm just in awe of the impact St. Jude has not only on this community but the world. (Spanish with subtitles) St. Jude has given us everything. They are giving us the health of our princess without paying anything. (Spanish VO ends). St. Jude is uniquely positioned to advance the cures of pediatric cancer I think better than any other institution in the world. Donors are important to us because you get the feeling you have a team behind you. We have the resources and we have the focus and so if St. Jude doesn't do it, who will?</p>

	See Attached Invoices	United Way - Problems	See Attached Invoices	See Attached Invoices	:30	Problems. The ones most people don't have the stomach for. The ones no one talks about at cocktail parties. We go looking for them. In unforgiving cities, desolate towns and seemingly docile suburbs. No matter the obstacles, no matter the odds, we surround the community's critical problems and we fight. United Way fights for the health, the education and financial stability of every person in every community. Because change doesn't happen alone. Hope isn't a one-man band. And there's no such thing as self-taught or self-made. We have one life. To live better, we must live united.
Safety	See Attached Invoices	Gun Safety - Justin	See Attached Invoices	See Attached Invoices	:15	Kid approaches his dad. Kid:"Hey Dad. Hey Dad! Do we have a gun?" Dad: "Why do you ask that, kiddo?" Text:8 kids a day are accidentally killed or injured by FAMILY FIRE. FAMILY FIRE is a shooting involving an improperly stored gun. Make your home safer at ENDFAMILYFIRE.org .
