Now try your closet. Still no jobs, just more stuff? Well, you really have both. See, stuff is defined as household articles considered as a group. Sometimes this stuff is no longer needed. Wait. No longer needed? That can't be right. Because, remember those jobs you were looking for? Those are really needed. And they're the stuff inside your stuff. Our job is to unlock those jobs and it starts when you donate your stuff to your local Goodwill. Here's how we do it. When you donate to Goodwill, we sell your stuff to provide job training for people right here in your community.
