	Health	See Attached Invoices	St. Jude - Help	See Attached Invoices	See Attached Invoices	60	It took me a long time to be able to say "Chandler has cancer" because that is such a scary word. St. Jude takes care of absolutely everything. And knowing that we don't have to pay for all of the medical expenses, that's huge. St. Jude allowed me to focus on being a mom to Bryce and sometimes I'm just in awe of the impact St. Jude has not only on this community but the world. (Spanish with subtitles) St. Jude has given us everything. They are giving us the health of our princess without paying anything. (Spanish VO ends). St. Jude is uniquely positioned to advance the cures of pediatric cancer I think better than any other institution in the world. Donors are important to us because you get the feeling you have a team behind you. We have the resources and we have the focus and so if St. Jude doesn't do it, who will?

		See Attached Invoices	Veterans Affairs - When We Were Young	See Attached Invoices	See Attached Invoices	60	It used to be simple. When I was young and couldn't figure things out, I asked for help. I let someone know when I got hurt or scared or sad. As I grew older, things got more complicated. Sometimes people let me down. So I solved my own problems. Then I joined the military. They trained me to be strong. I learned to carry my own weight and sometimes the weight of others. Now that I'm home, it seems hard to fit back in. Reaching out is difficult because I want to do it on my own. Remember when you were young? Asking for help was simple. We asked for help. You don't have to do this alone. 		See Attached Invoices	Reading is Fundamental - Their Imagination	See Attached Invoices	See Attached Invoices	60	(Adults read the story of the Billy Goats Gruff to Children)Who wants to hear a story! Once upon a time, there were three billy goats. A bridge with a troll. The tiniest billy goat gruff... "Who's that trippin' over my bridge!" It's AH! The biggest billy goat gruff! And the billy goat was so heavy that the bridge creaked and groaned. There's a bridge they had to cross and... Three ugly trolls with eyes as big as saucers and a nose as long as a fire poker. And he had the biggest... Rose the troll with it only eye... Tripped and trapped... He flung up the troll in the air... and crushed him to bits! "Now come on." And continued up to the hillside. 	Environment	See Attached Invoices	Arbor Day Foundation - Clean Water	See Attached Invoices	See Attached Invoices	60	<p>More than 180 million Americans rely on drinking water that originates in forests often hundreds of miles away. Those trees capture snow and rain, replenish rivers and streams and keep our water pure. Without these trees, many would be without fresh, clean drinking water. But on average, we lose 7 million acres of forest trees a year to fire alone.</p> <p>These trees must be replanted so your glass can be refilled. The Arbor Day Foundation asks for your help in replanting our national forests. For the water we drink and the air we breathe. For the natural beauty that inspires us, the outdoor recreation that brings us together and for those with whom we share this planet. For today and for future generations, please visit <a href="http://arborday.org">arborday.org</a>. See what we're doing. See how you can help.</p>
	Community Development	See Attached Invoices	United Way - Problems	See Attached Invoices	See Attached Invoices	60	<p>Problems. The ones most people don't have the stomach for. The ones no one talks about at cocktail parties. We go looking for them. In unforgiving cities, desolate towns and seemingly docile suburbs. No matter the obstacles, no matter the odds, we surround the community's critical problems and we fight. United Way fights for the health, the education and financial stability of every person in every community. Because change doesn't happen alone. Hope isn't a one-man band. And there's no such thing as self-taught or self-made. We have one life. To live better, we must live united.</p>

Volunteerism	See Attached Invoices	Meals on Wheels - Barbara	See Attached Invoices	See Attached Invoices	60	<p>I've known Mikael and Jero about six months. She's spunky, she's always cracking jokes, she's lighthearted about things. There was an immediate connection. And really young at heart also. I try to keep up with what these young people is doing and knowing. It's nice that Meals on Wheels created this opportunity for both of us to connect with each other. We laugh and talk about so many things. They both came and told me she was pregnant. We were just excited to tell somebody the news. We just found out ourselves. They hadn't even told their family. Oh my gosh, you guys did it! I feel good that I was the first person to know. We both want our kid to have some of her personality and characteristics. I said, "You guys have no idea how I really, truly feel about you." Oh, she's making me cry. Drop off a warm meal and get more than you expect. 	See Attached Invoices	Meals on Wheels - Volunteer	See Attached Invoices	See Attached Invoices	60	<p>The first time I met Morris, the door flew open and I got this larger-than-life personality talking at the top of his lungs, so I thought "We're definitely gonna be friends." Oh, dapper Leon! Oh no. He's the highlight of my week. I've known Mikael and Jero six months. You don't find many young people that want to be fooling around with us old folks. I don't feel like I'm volunteering when I'm with Leon. They'll call like, "Ms. Barbara, do you feel like having us hang out a little while." That's their word, hang out. Just had a magnetic energy. "Oh, I totally forgot! Hold on, let me get this for you!" I was kind of hoping that we'd get what we did out of it. It's even better than I'd imagined. I said, "You guys have no idea how I feel about you." I'll come to the door with one meal and I'll walk away with a full heart. Drop off a warm meal and get more than you expect, volunteer at <a href="http://AmericaLetsDoLunch.org">AmericaLetsDoLunch.org</a>. America! America! America, let's do lunch!</p>
