	Employment/Jobs	See Attached Invoices	Veterans Affairs - Stand With Us	See Attached Invoices	See Attached Invoices	60	We're here early before they wake up. We stay late. We stay informed. We invest in the latest technology. We take the time to train the next generation of doctors and nurses. We work together to make sure we heal their bodies and their minds. We do this not because it's our job, but because this is about our veterans' lives. This is our mission. More than 300,000 of us working as one. Together with families and loved ones. No matter where they live in this country, we'll be there. We all come together and stand together to serve our veterans. We stand strong. United. Stand with us in caring for our veterans.
	Health	See Attached Invoices	Cohen Foundation - Target Lyme	See Attached Invoices	See Attached Invoices	60	There's a threat targeting America. One that's growing fast, but may still be hard to see: Lyme Disease. Spread by tiny ticks often smaller than the head of a pin, this dangerous disease is now more widespread than West Nile, Tuberculosis and HIV/AIDS combined. And if left untreated, it can lead to arthritis, facial paralysis, and even memory and concentration problems, often called brain fog. As the threat of Lyme Disease grows to more than three hundred thousand projected cases each year, it's time for us to Target Lyme disease. That means checking for ticks when you've been outside, even in your own back yard. It means seeing a doctor if you experience the symptoms of Lyme Disease, which can include joint pain, flu-like symptoms, fever, fatigue or sometimes a bulls-eye shaped rash. Set your sights on stopping Lyme. Learn how you can target Lyme Disease at TargetLyme.org.

		See Attached Invoices	St. Jude - Help	See Attached Invoices	See Attached Invoices	60	<p>It took me a long time to be able to say “Chandler has cancer” because that is such a scary word. St. Jude takes care of absolutely everything. And knowing that we don’t have to pay for all of the medical expenses, that’s huge. St. Jude allowed me to focus on being a mom to Bryce and sometimes I’m just in awe of the impact St. Jude has not only on this community but the world. (Spanish with subtitles) St. Jude has given us everything. They are giving us the health of our princess without paying anything. (Spanish VO ends). St. Jude is uniquely positioned to advance the cures of pediatric cancer I think better than any other institution in the world. Donors are important to us because you get the feeling you have a team behind you. We have the resources and we have the focus and so if St. Jude doesn’t do it, who will?</p>

		See Attached Invoices	Tobacco Free Nebraska - QL Butte Gap	See Attached Invoices	See Attached Invoices	30	<p>Forty-five years. Two packs a day. It’s like eighty thousand dollars. 		See Attached Invoices	Veterans Affairs - Strength Over Silence	See Attached Invoices	See Attached Invoices	60	Facing life's difficulties takes strength and determination. Whether it's physical challenges or struggles you can't see. It takes strength to ask for help when you need it. Learn how other veterans have reached out for help and hear their stories of strength and recovery at MakeTheConnection.net .
		See Attached Invoices	Veterans Affairs - When We Were Young	See Attached Invoices	See Attached Invoices	60	It used to be simple. When I was young and couldn't figure things out, I asked for help. I let someone know when I got hurt or scared or sad. As I grew older, things got more complicated. Sometimes people let me down. So I solved my own problems. Then I joined the military. They trained me to be strong. I learned to carry my own weight and sometimes the weight of others. Now that I'm home, it seems hard to fit back in. Reaching out is difficult because I want to do it on my own. Remember when you were young? Asking for help was simple. We asked for help. You don't have to do this alone. Veterans like us have faced similar challenges. We're not alone at MakeTheConnection.net .

I don't even know if it's the same people I saw last week! That guy... it seems like he's in charge there. I don't know, I don't feel very good about this at all. We have to report this! 		See Attached Invoices	Bullying - Ben's Story	See Attached Invoices	See Attached Invoices	60	<p>Everything starts out small. The things that hurt us. They all start from somewhere. The words we say, the things we do. That can grow into something else. What was small and innocent can become big and sometimes scary. All it takes is one comment, one picture, one video for something to catch fire. But a big problem doesn't need a big response. Not at first. Even if we don't know what to say, the eye emoji can be that first step we take. Let's all pledge to take that first small step together and change the world in a big way. I am a witness and so are you.</p>
		See Attached Invoices	Reading is Fundamental - Their Imaginations	See Attached Invoices	See Attached Invoices	60	<p>Who wants to hear a story! Once upon a time, there were three billy goats. A bridge with a troll. The tiniest billy goat gruff... "Who's that trippin' over my bridge!" It's AH! The biggest billy goat gruff! And the billy goat was so heavy that the bridge creaked and groaned. There's a bridge they had to cross and... Three ugly trolls with eyes as big as saucers and a nose as long as a fire poker. And he had the biggest... Rose the troll with it only eye... Tripped and trapped... He flung up the troll in the air... and crushed him to bits! "Now come on." And continued up to the hillside. "I thank you."</p>
	Environment	See Attached Invoices	Arbor Day Foundation - Clean Water	See Attached Invoices	See Attached Invoices	60	<p>More than 180 million Americans rely on drinking water that originates in forests often hundreds of miles away. Those trees capture snow and rain, replenish rivers and streams and keep our water pure. Without these trees, many would be without fresh, clean drinking water. But on average, we lose 7 million acres of forest trees a year to fire alone. These trees must be replanted so your glass can be refilled. The Arbor Day Foundation asks for your help in replanting our national forests. For the water we drink and the air we breathe. For the natural beauty that inspires us, the outdoor recreation that brings us together and for those with whom we share this planet. For today and for future generations, please visit arborday.org. See what we're doing. See how you can help.</p>

	Community Development	See Attached Invoices	United Way - Problems	See Attached Invoices	See Attached Invoices	60	Problems. The ones most people don't have the stomach for. The ones no one talks about at cocktail parties. We go looking for them. In unforgiving cities, desolate towns and seemingly docile suburbs. No matter the obstacles, no matter the odds, we surround the community's critical problems and we fight. United Way fights for the health, the education and financial stability of every person in every community. Because change doesn't happen alone. Hope isn't a one-man band. And there's no such thing as self-taught or self-made. We have one life. To live better, we must live united.
	Volunteerism	See Attached Invoices	Meals on Wheels - Volunteer	See Attached Invoices	See Attached Invoices	60	The first time I met Morris, the door flew open and I got this larger-than-life personality talking at the top of his lungs, so I thought "We're definitely gonna be friends." Oh, dapper Leon! Oh no. He's the highlight of my week. I've known Mikael and Jero six months. You don't find many young people that want to be fooling around with us old folks. I don't feel like I'm volunteering when I'm with Leon. They'll call like, "Ms. Barbara, do you feel like having us hang out a little while." That's their word, hang out. Just had a magnetic energy. "Oh, I totally forgot! Hold on, let me get this for you!" I was kind of hoping that we'd get what we did out of it. It's even better than I'd imagined. I said, "You guys have no idea how I feel about you." I'll come to the door with one meal and I'll walk away with a full heart. Drop off a warm meal and get more than you expect, volunteer at AmericaLetsDoLunch.org . America! America! America, let's do lunch!
