It was all a blur, but coming here, they're like we are going to do everything we can. And when they say everything, they mean everything. It's hard to fathom what St. Jude has done for us. They've really given our family hope. For the donors out there, it's just amazing. I never thought we'd be in this place. And its people like you that help us and help St. Jude provide for families like ours. St. Jude is the gold at the end of the rainbow. And we are so grateful and thankful for everything.

		See Attached Invoices	Humane Society "Renee and Turtle"	See Attached Invoices	See Attached Invoices	See Attached Invoices	<p>Renee: There was a time in my life where I was extremely homesick. I decided that I needed a pet. When I first saw Turtle, my heart was full. He jumped up and kissed me and like jumped right into my arms. I immediately went up to the volunteers at the shelter and said I want him. Like, he's gotta come home with me. Now I'm anything but lonely. Every day with Turtle is a perfect day. He keeps me company when I'm doing school work. I like it when he jumps up on the table too. He's a veggie thief. He's an incredible companion and my best friend. I can't say that I've bet anybody that doesn't love him too. When I adopted Turtle, I discovered all the things that make him unique. He's a little bit of a lot of things, but mostly, he's pure love. theshelterpetproject.org</p>
