	Health	See Attached Invoices	American Heart Association "The Day"	See Attached Invoices	See Attached Invoices	60	I guess sometimes things just happen. Devastating things. Got nothing to do with fairness. Bang. Your whole world changes in an instant. And you never see it coming. That's what happened to me the day my mother had a stroke. I'm Paul George and I want you to learn the signs of a stroke fast. FAST. Face Drooping. Arm Weakness. Speech Difficulty. Time to call 911. The sooner they get to the hospital, the sooner they'll get treatment. That can make a remarkable difference in their recovery. Protect the ones you love. Spot a stroke FAST.
		See Attached Invoices	Diabetes Prevention "Prediabetes Test"	See Attached Invoices	See Attached Invoices	60	It takes less than one minute to find out if you may have pre-diabetes. You can do it here, but you probably won't. You're busy. Kids, work, your show coming back in 48 seconds, so let's do this now. Hold up one finger if you're a man. Women zero. Three more fingers if you're over 60, two over 50 and one over 40. Are you physically active? If you're not sure, keep in mind you're sitting on a couch right now, so one more finger if you're not very active. One finger if anyone in your family has diabetes. One finger if you have high blood pressure. And, that's it. If you're holding up five fingers or more, you're probably have prediabetes. Sorry to be so blunt, but hey, you're busy. Just go to the site.

	Education	See Attached Invoices	NSEA-Katie	See Attached Invoices	See Attached Invoices	30	Public schools are one of the most amazing institutions. I get a little emotional talking about it. It doesn't mean giving everybody the same thing. It means giving everybody what they need to reach their potential. I teach because kids are cool and I get to wake up every morning knowing that I get to go and hang out with the coolest people on the earth. I am never bored. Not a single second. Nebraska Public School teachers-giving every student the opportunity to learn and succeed.
		See Attached Invoices	Teach.org "Anthem"	See Attached Invoices	See Attached Invoices	60	I'm a teacher. Let me tell you what I make. I make learning a privilege, not a chore. And frustration, a tool. Not an obstacle. I make working hard seem easy and giving up impossible. I make an old subject feel like a fresh thought an unconventional methods common. I'm a teacher. I make more. Teach.
		See Attached Invoices	NSEA-Carrie	See Attached Invoices	See Attached Invoices	30	If a student were to come to me and say "I want to be a teacher", I would say there's no greater profession to be in to make an impact in this world. They're looking into what can I do to help the community? And, it starts with us. It starts with us showing them what we've done for the community and they see, oh, we like that. I don't know any other profession in which you can be with our future every day. Nebraska Public School teachers-giving every student the opportunity to learn and succeed.

	Law Enforcement/Crime Prevention	See Attached Invoices	DHS "Protect Your Every Day"	See Attached Invoices	See Attached Invoices	60	I'm a firefighter. A Teacher. A Farmer. I'm a barber. A waitress. A mom. We're all part of your community. Every day we move in and out of each other's busy lives. It's easy to take for granted all the little moments that make up our every day. Some are good, others not so much, but that's life. It's when you experience a moment of uncertainty. Something or someone's behavior that doesn't seem quite right. These are the moments to take a pause because if something doesn't feel right, it's probably not. It's not about paranoia or being afraid. It's about standing up and protecting our communities, one detail at a time. Because a lot of details can become a pattern. We trust our instincts, just like you should because only you know what's not supposed to be in your every day. So protect your every day. If you see something suspicious, say something to local authorities.

		See Attached Invoices	Bullying "Ben's Story"	See Attached Invoices	See Attached Invoices	60	Everything starts out small. The things that hurt us. They all start from somewhere. The words we say, the things we do. That can grow into something else. What was small and innocent can become big and sometimes scary. All it takes is one comment, one picture, one video for something to catch fire. But a big problem doesn't need a big response. Not at first. Even if we don't know what to say, the eye emoji can be that first step we take. Let's all pledge to take that first small step together and change the world in a big way. I am a witness and so are you.

		See Attached Invoices	Goodwill "How We Do It"	See Attached Invoices	See Attached Invoices	60	Take a look under your bed. Find stuff under there? What about jobs? No? Now try your closet. Still no jobs, just more stuff? Well, you really have both. See, stuff is defined as household articles considered as a group. Sometimes this stuff is no longer needed. Wait. No longer needed? That can't be right. Because, remember those jobs you were looking for? Those are really needed. And they're the stuff inside your stuff. Our job is to unlock those jobs and it starts when you donate your stuff to your local Goodwill. Here's how we do it. When you donate to Goodwill, we sell your stuff to provide job training for people right here in your community. So just by teaming up with Goodwill, you help create jobs, and isn't that worth parting with the leftover keytar from your 80's cover band? Goodwill, donate stuff, create jobs.
