	Education	See Attached Invoices	NSEA-Brooke	See Attached Invoices	See Attached Invoices	30	One thing that I've learned really early on in teaching is that you're essentially training the next generation of the state's workforce. The job you do now is laying the foundation for people that might be your doctor in the future. It might be the person that comes in and does repair work at your house. And so if we have done our jobs right, they can make the best decisions for themselves and their families, and give back to their community. 		See Attached Invoices	DHHS-Adopt Rosa	See Attached Invoices	See Attached Invoices	30	<p>I always wanted a family. I waited for one, but it never seemed to work out. I looked at other families and think how great it would be, but at least we had each other. But then, my husband and I had the chance to be parents. The sisters wanted to be adopted together. Every day they fill us with hope and love. The things we thought we were supposed to give them. You can change a child's life forever. 1-800-7PARENT</p>

	Environment	See Attached Invoices	Arbor Day Foundation- Clean Water	See Attached Invoices	See Attached Invoices	60	<p>More than 180 million Americans rely on drinking water that originates in forests often hundreds of miles away. Those trees capture snow and rain, replenish rivers and streams and keep our water pure. Without these trees, many would be without fresh, clean drinking water. But on average, we lose 7 million acres of forest trees a year to fire alone. These trees must be replanted so your glass can be refilled. The Arbor Day Foundation asks for your help in replanting our national forests. For the water we drink and the air we breathe. For the natural beauty that inspires us, the outdoor recreation that brings us together and for those with whom we share this planet. For today and for future generations, please visit <a href="http://arborday.org">arborday.org</a>. See what we're doing. See how you can help.</p>

Your award for taking care of them is to get to eat them. Come on, you can find all these gifts and more. Now, let's be quiet. Let's dig, let's peek, let's dance. Let's sing, let's speak. Growing bodies and minds grow better when they connect with nature every day. Help the children in your life get out and grow. 	Community Development	See Attached Invoices	Goodwill-How We Do It	See Attached Invoices	See Attached Invoices	60	Take a look under your bed. Find stuff under there? What about jobs? No? Now try your closet. Still no jobs, just more stuff? Well, you really have both. See, stuff is defined as household articles considered as a group. Sometimes this stuff is no longer needed. Wait. No longer needed? That can't be right. Because, remember those jobs you were looking for? Those are really needed. And they're the stuff inside your stuff. Our job is to unlock those jobs and it starts when you donate your stuff to your local Goodwill. Here's how we do it. When you donate to Goodwill, we sell your stuff to provide job training for people right here in your community. So just by teaming up with Goodwill, you help create jobs, and isn't that worth parting with the leftover keytar from your 80's cover band? Goodwill, donate stuff, create jobs.
