Dear General Manager:

This letter is to provide formal notice to DISH Network that KSCE Channel 38 Christian Television, El Paso, Texas, (the "Station") requests mandatory carriage renewal for the carriage election cycle commencing January 1, 2012, in accordance with Section 338 of the Communications Act of 1934 and Section 76.66 of the Rules and Regulations of the Federal Communications Commission.

The Station also requests mandatory carriage of its HDTV signal as of February 17, 2012, or whenever DISH Network commences local-into-local service for ATSC digital signals that are broadcast in ATSC high-definition (HDTV) format pursuant to the above stated regulations and their amendments, in the EL PASO (LAS CRUCES) DMA.

If you should have any questions concerning these requests or the signal quality, please contact me, Grace Rendall, e-mail: gracer143@aol.com or Chief Engineer, Owen Smith, office phone: 915-532-8588. We appreciate the past years of carriage on Dish Network, and look forward to many more years of working together to serve our viewers and subscribers.

Sincerely yours,
