

Memorandum

To: Jack Neal, General Manager

From: Brenda Good, Director of Administration and Finance, WEIU TV

Re: Issues/Programs for WEIU TV

Date: October 1, 2013

The following is the Issues List for the 3rd quarter of programming on WEIU TV:

1. CHILDREN'S EDUCATION - How are the educational and informational needs of students being met?
2. MINORITY ISSUES - Are the needs of the minority population in east-central Illinois being met? If not, what can be done to improve the situation?
3. ECONOMIC AND AGRICULTURAL CLIMATE - What is the economic climate in our area? With agriculture being the largest industry, how are farmers dealing with the current economic times?
4. CRIME - Is it safe to live in east-central Illinois and what can be done to ensure the continued safety of our residents?
5. GOVERNMENT - What are the key issues in government, both state and federal, that are affecting east-central Illinois?
6. HEALTH – What are the health issues affecting those who live in east-central Illinois? What new medical advances are now available? Are there preventative health care issues that need to be examined?

Memorandum

To: Jack Neal, General Manager

From: Brenda Good, Director of Administration and Finance, WEIU TV

Re: Methods of Determining Issues

Date: October 1, 2013

WEIU TV determined the issues/program list for the Third quarter of 2013 by the following methods:

1. Analysis of local news reports from newspapers, television & radio.
2. Response to materials gathered by TV news.
3. Feedback from community members via various staff members participating in community service groups in the viewing area.
4. Discussion of issues with local and regional officials on a continuing basis.
5. Discussion with the Friends of WEIU and Radio and Television Center Boards for their input.

Please advise if you have any further questions or require further information.

1. Children's**Education**

News Watch	17:34:00	8/19/2013	Live	:51	Over the weekend thousands of college students moved back to EIU. EIU freshman Ally Grevenites speaks about her expectations over the next 4 years at the university. A lot of improvements have been made around campus this past summer.
News Watch	17:34:00	8/20/2013	Live	:48	Eastern Illinois University's Booth Library is home to an electronic repository called The Keep which has nearly 30 thousand documents. This database aims to provide worldwide exposure for the university.
News Watch	17:34:00	8/20/2013	Live	:17	Students of Lake Land College start class Tuesday. It's not too late to register at the college if still interested in taking classes.
News Watch	17:34:00	8/22/2013	Live	:51	Lake Land started classes today. Sophomore Clayton Dutton commented on the renovations that have gone on over the summer to some of the buildings at the college. A new student celebration and welcome day will take place August 28th.
News Watch	17:34:00	8/22/2013	Live	:31	Ameren Illinois has unveiled a 3.3 million dollar technology applications center located on the U of I campus. Ameren Officials say research from Champaign will focus on improving the reliability and security of the electric grid. Under a new legislation Ameren says it plans to spend 643 million dollars over 10 years on improvements.
News Watch	17:34:00	8/26/2013	Live	:26	Renowned documentary filmmaker Lee Mun Wah will be speaking at Eastern Illinois University. His workshops have been used to aid government and social service agencies, cooperations and educational institutions in their own diversity initiatives.

News Watch	17:34:00	8/29/2013	Live	:34	Indiana State University's fall enrollement has reached its highest level in more than 40 years. The over 12-thousand four hundred fall enrollment number at the Terre Haute Campus is being credited to a record number of graduate students and a large incoming freshman class.
News Watch	17:34:00	9/2/2013	Live	:27	University of Illinois has offered free online classes through Coursera, but now may start charging students 30-80 dollars for a certificate showing that they completed the class. Since only a fraction of the 300 thousand people around the world that take the courses actually complete them this certificate would indicate completion of the course.
News Watch	17:34:00	9/3/2013	Live	:26	Eastern Illinois University has reached its third week of school, meaning census date has come and gone. Student's federal, state and institutional aid awards are calculated and reported based on the status of campus enrollement. EIU received their enrollement numbers today, but cannot comment until all numbers and details regarding enrollement are sorted through.
News Watch	17:34:00	9/4/2013	Live	:19	Lake Land College is hosting an open house on Thursday to welcome their new president Josh Bullock. Bullock was named the new president of Lake Land on March 6th and took office July 1st.
News Watch	17:34:00	9/5/2013	Live	1:15	Eastern Illinois University's freshman class numbers are on the rise, but as for total enrollement, just the opposite. Enrollement is down about 600 students this fall. Much of the decline is due to less transfer students. Provost Blair Lord says the university students are started off in the right direction with the average for ACT scores and grade point averages on the rise at the university. Illinois State University enrollement also on the decline.
News Watch	17:34:00	9/5/2013	Live	:25	U of I administrators are proposing a 4.4 -5 million dollar operating budget for this fiscal year ending next June. It is the smallest increase in years, however the school is expecting a 0.2% increase in state aid. Administrators are planning to give raises to faculty and staff members starting this month.
News Watch	17:34:00	9/9/2013	Live	:31	U of I has launched its new online application where students fill in their own high school courses and grades. The campus will require an official transcript if a student decides to enroll. University admissions director Stacey Kostell says the school created the online application to offer a better "user experience."

News Watch	17:34:00	9/9/2013	Live	1:12	Sullivan Schools have recently improved their security plans like issuing key cards to staff rather than physical keys and improving cameras in each office. Superintendent Brad Tuttle says hiring one security guard isn't enough and will be proposing to hire another for added peace of mind at tonight's school board meeting. Tuttle says he is still working on other ways to improve security in each building.
News Watch	17:34:00	9/9/2013	Live	:26	Indiana State University officials say they've given permission to a Lawrenceville oil company to drill on campus property. Illinois-based Pioneer oil has obtained a state permit to drill at ISU in Terre Haute. Drilling won't cost the university a thing but they'll receive royalties if oil is found.
News Watch	17:34:00	9/10/2013	Live	:26	EIU staff, students and city officials will be going door to door this evening through Thursday to connect with residents in the community. The 5th annual Good Neighbor event pairs the Student Community Service office with the city with a chance to get to know neighbors.
News Watch	17:34:00	9/11/2013	Live	:28	University of Illinois says their total enrollment is more than forty-three thousand students this semester, the largest in the school's history. The boost came from this year's freshmen classes which is second largest ever at the university.
News Watch	17:34:00	9/11/2013	Live	:22	Construction on Paris High School is set to start in November. Officials say the design team went into a redesign phase after some of the bids accepted last spring came in over budget. The project will be delayed at least six months due to the redesign.
News Watch	17:34:00	9/12/2013	Live	:24	US News puts out its World Report College Rankings each year and now it ranks Eastern Illinois University number seven in Midwest public master's institutions. That's up seven spots from its place at number 14 last year.
News Watch	17:34:00	9/12/2013	Live	:25	U of I President Bob Easter is receiving a 90-thousand dollar bonus as part of a new incentive-based compensation plan. The plan focuses on the university reaching set goals for cost reduction, enrollment, and other factors. On top of Easter's bonus is a nearly three percent pay raise that will put his salary a little over 4 hundred 62 thousand dollars.
News Watch	17:34:00	9/13/2012	Live	:28	Eastern Illinois Provost Blair Lord says enrollment went up to more than 12-hundred this year with its new incoming freshmen class. U of I is also seeing an increase this year along with Northern Illinois and U of I Springfield. However, officials say that overall college enrollment is decreasing across the country.

News Watch	17:34:00	9/16/2013	Live	:34	University of Illinois' President Bob Easter has recommended that associate engineering professor Louis Wozniak lose his tenure. Administrators claim Wozniak revealed one student's grade, videotaped students without consent and told students in an email to remind him of their names because he only remembers those he has sex with. Wozniak later apologized for the joke. He started at the university in 1966, but has been barred from teaching since 2010.
News Watch	17:34:00	9/17/2013	Live	:26	Lake Land College in Mattoon has partnered with North American Lighting in Paris to create an eight-week training course. It starts October 7th at the college's Eastern Region Center in Marshall. When it's over, students will receive a full-time paid position with North American Lighting and 16 credits toward an Associates degree.
News Watch	17:34:00	9/18/2013	Live	1:09	Eastern Illinois University officials say enrollment has dropped significantly since 2005. Brenda Major has been the director of admissions for nine years, but the university has decided to let her go after this school year. EIU Provost Blair Lord says this is the first of many changes to come to get more students to Charleston. Dr. Lord is in the process of putting together a search committee to fill Major's position.
News Watch	17:34:00	9/19/2013	Live	:22	The Champaign Police department is reminding drivers to be safe in school zones after an 11-year-old girl was reported being hit by a car while riding her bike to school this morning. The girl was not hurt. Police say the driver was ticketed to failure to yield to a pedestrian in the crosswalk.
News Watch	17:34:00	9/19/2013	Live	:31	The Champaign Federation of Teachers voted to give their contract negotiators authorization to call a strike. About 97% of educators who voted Wednesday approved the action which is standard procedure and still a few steps away from actually going on strike. The federation represents about 850 educators whose contract expired this summer and so far both sides have't been able to come to an agreement on several issues including pay.
News Watch	17:34:00	9/24/2013	Live	:30	A lease agreement was approved last night for a company planning to drill at Indiana State in Terre Haute. Pioneer Oil must now seek leases with the university and other downtown landowners. Some work has started on the project.
News Watch	17:34:00	9/26/2013	Live	:25	44-year-old Air Force Colonel Mike Hopkins, along with two Russians, blasted off from a launch pad in Kazakhstan earlier this week in pursuit of the International Space Station. Hopkins will call the space station home for the next 6 months. Hopkins is the 6th U of I alum to become an astronaut.

2. Minority Issues

News Watch	17:34:00	9/17/2013	Live	1:00:00	Eastern Illinois University Vice President Dan Nadler wants students to know the counseling center is available to assist any students who may be experiencing problems after the off-campus "Barn Party." Early Sunday morning police were called to the party location on West State Street. They say two people were shot at the event and another person beat unconscious. EIU student Jay Kinkle says something like this is bound to happen whe a party gets this big. The party that attracted nearly 400 people was promoted by G.O.M.A.B. Productions from Chicago and hosted by the fraternity Phi Beta Sigma. Phi Beta Sigma denies sponsoring the party and have been placed on iterim suspension.
News Watch	17:34:00	9/18/2013	Live	1:20:00	The Charleston community still has many questions regarding the "Barn Party" shooting. Early Sunday morning police arrived to a party where two people had been shot and one person beat unconscious. Kajuan Wright and Marquis Green are facing chargest of resisting arrest, but officials say more arrests are pending. Mayor Larry Rennels says he went to the location after hearing the shots fired. Rennels says the community should think twice before renting out their properties without knowledge of the events taking place.
News Watch	17:34:00	9/30/2013	Live	:29	Illinois lawmakers are considering a tax incentive package to get Archer Daniels Midland Company to relocate its headquarters to Chicago. They would employ about 100 people.

3. Economic and Agriculture Climate

News Watch	17:34:00	8/27/2013	Live	:24	Organizers of the Farm Progress Show in Decatur are expecting a record number of international attendees this year. The show is the nation's largest outdoor farm show and brings thousands of people to Illinois. For the first time there will be interpreters available at the event.
News Watch	17:34:00	8/28/2013	Live	1:02:00	Heat didn't stop thousands from attending the nation's largest farm show in Decatur. The Farm Progress Show got underway yesterday with a cre from WEIU in attendance. The crew spent the day touring the grounds and talking to farmers and seed dealers. Field demonstrations will not be shown this year at the show due to weather delayed corn planted in mid-May. More than 600 exhibitors have set up at the show welcoming visitors from at least 40 countries. Traffic will be heavy in the Decatur area.
News Watch	17:34:00	8/29/2013	Live	:35	Officials from the Cronus Chemical Company say they're delaying a decision on where to build their 1.2 billion dollar fertilizer plant for several weeks. The facility is to be built in either Iowa or Tuscola. Engineering issues and how they affect building costs is to blame for the uphold. Both Illinois and Iowa have offered the company 30 million dollars or more in incentives.

News Watch	17:34:00	8/29/2013	Live	:51	Ag officials say this spring and early summer had more rain than normal leading to poor root development in corn and soybeans. Now the heat isn't helping the situation. But Du Pont technical sales agronomist Bruce McVicker told WEIU's Fred Peralta the wet spring may be just as much to blame for the lower crop yield as the dry summer. McVicker says the crop yield should still be higher than last year's.

News Watch	17:34:00	9/24/2013	Live	1:00:00	The 110 acre Lincoln Springs Resort was sold to Ashmore resident Larry Clapp for almost six-hundred thousand dollars. At one time the facility offered camping, miniature golf, swimming, banquet facilities and a restaurant. Clapp plans to repair the mini golf course and several other buildings to rent out. Another possible plan for the resort is a winery. The area Clapp hopes to rent out should be finished in a month.

News Watch	17:34:00	9/24/2013	Live	:31	The Archer Daniels Midland Company wants to re-locate its global headquarters to Decatur. The company is one of the largest agricultural processors and says it won't layoff anyone, but will leave behind more than four thousand jobs. Decatur will become the international firm's North American headquarters.
News Watch	17:34:00	9/24/2013	Live	:25	According to Country Financial insurance company, Illinois farmers had the safest season in decades last year. They say there were 12 farm related deaths last year between July 2012 and June 2013. These are the lowest records since Country Financial began tracking in 1978. About two-thirds of the fatalities involved road collisions with farm machinery.
News Watch	17:34:00	9/25/2013	Live	:26	The bidding for the historic post office in Charleston was set to end today, but was extended again at the last minute. The post office was built in 1917, but closed in 2011 when operations moved to the northwest business park. The current bid for the building is 132-thousand dollars.
News Watch	17:34:00	9/27/2013	Live	:23	The online auctions to sell the historic post office in Charleston is over. The winning bid came in yesterday at just over 135-thousand dollars. No word yet on who purchased the building.
