

## QUARTERLY ISSUES/PROGRAMS LIST

2nd Quarter 2020 (for programming aired April 1 through June 30, 2020)

This quarterly issues/programs list is a list of a non-entertainment programming which, in the opinion of the management of the station, represents the most significant treatment by the station of certain issues believed to be of community concern.

During this period, WORT 89.9 FM has served the public interest by producing and broadcasting diverse content which addresses local, regional, and statewide issues. The following is a list of the produced programming or news stories in response to areas of concern to listeners.

The list is not intended to be a comprehensive list of all of the station's non-entertainment programming. Nor is it designed to list every program broadcast by the station that is responsive to the selected issues. Included are only those programs in which the station devoted significant time or depth to these various issues.

Issues of community concern:

- Policing
- Racial justice protests & activism
- Economics
- COVID-19 labor issues
- COVID-19 inequities
- COVID-19 updates
- Environment & ecology
- Voting
- United States Postal System
