

# WIFE Quarterly Issues/Programs List

Period October 1 – December 31, 2018

Attached is documentation of some of the key issues addressed this quarter by WIFE Radio. These issues were determined by various means, such as attending public meetings, inviting guests into the studio for LIVE interviews, news coverage, and direct contact with our listeners through email, letters, and phone calls. The order of appearance does not reflect priority or significance.

This quarter we covered a variety of issues, though children's issues, as they continue to face safety issues in school dominated.

Public service announcements air regularly. A list of PSA's is attached to this report.

Assisting with this quarter's report were Dave Rodgers/PRESIDENT, Michelle Bottomley/STATION MANAGER, Ted Cramer/PROGRAM DIRECTOR, Annette Miller/NEWS DIRECTOR, and staff members: Rebecca Hymer, Jack Reynolds, Starr Miller, Diane Stiltner and Brian Durham.

\* This report was attempted to be uploaded on 1/7/19, prior to the deadline, however; was unsuccessful due to the government shut-down. \* ✓ MLB
