

WIFE Quarterly Issues/Programs List

Period July 1 – September 30, 2018

Attached is documentation of some of the key issues addressed this quarter by WIFE Radio. These issues were determined by various means, such as attending public meetings, inviting guests into the studio for LIVE interviews, news coverage, and direct contact with our listeners through email, letters, and phone calls. The order of appearance does not reflect priority or significance.

This quarter we covered a variety of issues, though the spread of Hep A, West Nile virus, and pig flu appeared to dominate. Children's issues, as they headed back to school this quarter, also dominated coverage.

Public service announcements air regularly. A list of PSAs is attached to this report.

Assisting with this quarter's report were Dave Rodgers/PRESIDENT, Michelle Bottomley/STATION MANAGER, Ted Cramer/PROGRAM DIRECTOR, Annette Miller/NEWS DIRECTOR, and staff members: Rebecca Hymer, Jack Reynolds, Starr Miller, and Diane Stiltner
