Outreach Initiatives:

During this reporting period, KBTC has completed or participated in the following ongoing initiatives:

- An ongoing internship program providing hands-on training and practice to regional college and high school students, interested community members and others.
- Regular training/mentoring Professional Development programs and seminars (in person and online) designed for employees to acquire skills qualifying them for higher-level positions.
- Provided training to management level personnel to assure EEO compliance and preventing discrimination. All staff participated in online Sexual Harassment and Title IX training.
- Staff participated as members of the Curriculum Advisory Committee at Bates Technical College in the Digital Media and Broadcast programs. This work consisted of working with faculty and advising them about career opportunities for students and how best to prepare them.
- KBTC conducted several station tours to donors and students of all ages.
