Quarterly PSA Report

July - September

Source: Frances and Friends - Current Events

Panel: Frances Swaggart and Panel

Air Date: 8/11/23

Duration: 2 Hours

Synopsis: Topics Discussed on Today's Program:

Topic:

- Today on Frances and Friends, Sister Swaggart and panel discuss the forest fires on the Island of West Maui, and the fifty some deaths discovered so far following intensive searches. The panel discusses the natural patterns of seasons, and points out that these weather phenomena are not the result of climate change.
- The fires are about 80-percent contained, but have displaced thousands. The agenda of climate change is an effort to recreate the earth with a one-world solution to a non-existing problem.
