

WDEB-FM Jamestown. TN

Quarterly Issues/Program List

**During the period April 1 to June 30, 2021 Station WDEB's
programming treated the following issues of public concern:**

Issue	Title	Description	Dates – Duration	Times
Community Medical Concerns	InSight	Do to the closing of Jamestown Medical Center the employees of the Fentress County Ambulance Service have been overworked and under paid and on 4/13/21 the ambulance director stepped down intensifying the situation. WDEB did an InSight interviewing the former director and County Executive to find out the problems and look at possible solutions.	4/13/21 18:36 in Length	10 AM, 1:00 PM, 6:00 PM
Community Medical Concerns	InSight	The Fentress Co Ambulance Committee met in a 2 ½ hour session to try to come up with a possible solution to the Ambulance Service problem. WDEB covered the meeting and did a special news feature.	04/22/2021 11:00 in Length	10 AM, 1:00 PM, 6:00 PM
Education	InSight	11 schools in TN recently completed the TVA School Uplift Pilot Program, learning to save energy and competing to earn grants for building upgrades and solar pavilions. 4 schools in our broadcast area were awarded TVA-funded grants for solar pavilions. We interviewed TVA officials and teachers about the project and how they were able to save 20% on their annual energy bills from behavior changes alone.	5/24/21 15:06 minutes	10 AM, 1 PM AND 6 PM
Addiction Recovery	Miracle May Radiothon	WDEB staff and members of Manna House held a live Radiothon to encourage the community to give to help meet the expenses at Manna House Ministries, which is a non-profit organization helping the addicted. During the Radiothon we helped raise over \$10,000 for Manna House.	5/1/21 2 hour Live Event	1 to 3 PM
Education Physical Fitness	InSight	On May 1 st the Clarkrange High school JROTC Raiders competed in the 2021 National JROTC Fitness championship in Florida. In 5 events, with 9 cadets competing, they brought home 4 first place trophies and were named the 1 st place overall champions nationwide. WDEB spent an entire morning interviewing instructors and students about the competition and the training it took to win.	05/27/21 19:24 in length	10 AM, 1 PM AND 6 PM
Education	InSight	Plant the Seed Program was birth to help motivate students to further their education after high school. On May 26 th the valedictorians and salutatorians from all elementary and high schools in Fentress Co met at the board of education office to have their pictures taken. These photos will be placed on a billboard in recognition of their achievements. WDEB interviewed teachers and students on how they were able to achieve this honor.	05/28/21 7:56 in length	10 AM, 1 PM AND 6 PM
