

**Declaration of Jan Wade**

I, Jan Wade, hereby declare, under penalty of perjury, as follows:

1. I am greater than eighteen years of age and am competent to make this Declaration.
2. I am President and General Manager of Station WISN-TV, Milwaukee, Wisconsin. I have held these positions since March 2007. I was not employed in any capacity at Station WISN-TV during 2003.
3. WISN-TV is the network affiliate of the ABC Television Network located in the Milwaukee Designated Market Area.
4. On February 25, 2003, the ABC Network made available to its affiliates, including WISN-TV, the episode of *NYPD Blue* that is the subject of the Notice of Apparent Liability, FCC 08-25, dated January 25, 2008. By review of the Station's program logs from February 2003, I have confirmed that the episode aired on WISN-TV on February 25, 2003, at 9:00 p.m.
5. The Station no longer has emails and letters from the public from 2003, making it impossible to determine whether any local viewer complained to WISN-TV about the February 25, 2003, episode of *NYPD Blue*. Of course, the Station is generally required to maintain letters and emails from the public concerning operation of the station only for a period of three years and would have discarded letters and emails from February and March 2003 sometime after March 2006. Had the Commission inquired with WISN-TV about the February 25, 2003, episode of *NYPD Blue* prior to that time, the Station could have reviewed and retained letters and emails from the public from February and March 2003 for later reference.

I declare, under penalty of perjury, that the foregoing Declaration is true and accurate to the best of my knowledge, information, and belief.
