<u>ISSUE</u>	<u>TITLE/RESPONSIVE PROGRAMMING</u>	<u>DATE/TIME/DURATION</u>
1. Breast Cancer Awareness Month	Representatives from the American Cancer Society discussed Breast Cancer and how to check yourself.	10/03 - 30 Minutes
2. Voter Irregularities	Concerned citizens in the Amherst County area were discussing how some machines were "out of service" when they showed up to vote. Computers were down county wide, and the turnout was high. Discussion lasted for an entire hour with people calling about issues they saw at polling places. We had a representative on to discuss the assurance that everyone's vote was counted.	11/6 - 60 Minutes
3. Amherst County Public Library	The Amherst County Public Library celebrated it's 50th year of service to the community. We had a representative on discussing how important libraries still are to the community. Most people didn't know that books can be digitally borrowed from the library as well as free computer access for those that don't have internet access.	11/19 - 30 Minutes
4. ACLU and Criminal Teen Sexting	The ACLU of Virginia Urges Crime Commission to stop the criminalization of teenage sexting. It has become a real problem and parents need to know the consequences to discuss with their teenage children. We had a representative of the ACLU and Law Enforcement to discuss ways to discuss with your kids and possible ramifications of the laws don't change.	12/10 - 30 Minutes
