This contract: ☒ Confirmed ☐ Rejected ☒ Requires Attention

**Immediate attention is required in order to process the contract in full.** The suggested alternate commercial availabilities on this page are provided for your consideration in lieu of those spots or schedules that have failed to clear for reasons listed below. The suggested alternate commercial spots or schedules are available as of the date and time printed above at the classes of time and in programming listed below. You are not obligated to purchase the suggested commercial spots or schedules. Spots or schedules different from those that have been suggested may be available for sale that achieve your budgetary or audience goals. If needed, ask the national representative or your station representative for further information. Spots will not be formally booked without receipt of proper response to this confirmation or revised contractual paperwork.
