

**Required Broadcast Channel Change PSA and Crawl
Regarding Implementation of Repack Channel Operations
WDVB-CD Edison, NJ**

If you watch TV free over the air using an antenna and would like to continue receiving this signal, listen carefully concerning “Rescan Day.” TBN’s WDVb-CD Edison, New Jersey has been assigned a new channel pursuant to the FCC’s spectrum repacking process. WDVb-CD will be moving from channel 23 to channel 22 on August 2, 2019 at 11:59 p.m. If you subscribe to cable TV or a satellite provider, they will make the necessary changes for you to continue receiving WDVb-CD. If you are using an antenna to watch TV free over the air, you will need to rescan your TV’s tuner to find the new channel. Select “scan” or “autotune” from your TV or converter box menu. Instructions may also be found by pressing the “set-up” or “menu” buttons on your remote control. For more information and video instructions on how to rescan for channels and ensure closed captioning reception, visit TVAnswers.org or contact Sheri Duff at sduff@tbn.tv or call toll-free (855) 826-2255. Once you rescan, you will still find WDVb-CD on channel 23.

CERTIFICATION OF COMPLIANCE

The foregoing Consumer Education Channel Change PSA and Consumer Education Channel Change Crawl required by FCC Rule 73.3700(c)(4)&(5) was broadcast on WDVb-CD on the following dates at the times noted:
