DESCRIPTION OF ISSUE	PROGRAM/ SEGMENT	DATE	TIME (MT)	DURATION	NARRATION OF TYPE AND DESCRIPTION OF PROGRAM/SEGMENT
Politics and Government	BUENOS DIAS AMERICA	10/3/2022	8:05 AM	10 min.	Manolo González Moscote, Journalist and international political analyst.- Regarding the war in Ukraine, the analyst made an analysis of the United States' position of condemning the sabotage of the Nord Stream gas pipeline, while President Joe Biden described the annexation of the Ukrainian territories by Russia as a "farce" and promised more military support to Kyiv.
Immigration Issues	BUENOS DIAS AMERICA	10/3/2022	8:45 AM	7 min.	Mariana Díaz-Wionczek, Ph.D., psychologist, expert in bilingualism and multicultural education. Veteran in the world of children's television, who was part of the team of famous pioneering children's series in the representation of Latino characters such as Dora the Explorer, Go, Diego! Go! and Santiago of the Seas.-Latino children represent more than a quarter of the child population in the entire USA. Living between two worlds, the Latino and the Anglo-Saxon, is normal for them, but this reality is not reflected in the media they consume. Mariana, who joined PBS KIDS to host Rosie's Rules, discussed the new PBS KIDS animated series starring Rosie Fuentes, a 5-year-old bilingual Mexican-American girl who is just beginning to learn how the world around her works. The series premiered on October 3 and reflects the reality of millions of Latino children in the country - including family separation.
