Re: Retransmission Consent Election

Dear Mr. Smith:

We have been notified that Barry Electric Cooperative (“Barry”) intends to initiate a video service in southern Barry County, Missouri, which are in the Springfield, Missouri Designated Market Area. Nexstar Broadcasting, Inc. (“Nexstar”) is the licensee of television broadcast station KOZL-TV which is assigned to the Springfield DMA.

Please be advised that Nexstar hereby invokes its rights pursuant to Section 325(b) of the Communications Act of 1934, as amended, and Section 76.64(a) of the FCC’s rules, to bar retransmission of the station’s signal by Barry on its referenced systems except pursuant to our express written authority granted pursuant to a retransmission consent agreement between you and us. This election is a continuing election from the date hereof through the initiation and continuing provision of service by your systems. In addition, this election is made for each and every community or video service that Barry intends to serve in the Springfield DMA.

We look forward to negotiating a retransmission consent agreement with you for Barry’s retransmission of KOZL-TV on its new system. Mr. Leo Henning, General Manager of KOZL, will be in contact with you in the near future to negotiate terms of the agreement.

Sincerely,

Elizabeth Ryder
Executive Vice President & General Counsel
