Re: Retransmission Consent Election

Dear Mr. Klindt:

We are in receipt of your letter providing notice that Ozarksgo, LLC (“Ozarksgo”) intends to initiate a video service in approximately 60-90 days in Baxter and Fulton Counties, Arkansas, which are in the Springfield, Missouri Designated Market Area. Nexstar Broadcasting, Inc. (“Nexstar”) is the licensee of television broadcast station KOZL-TV which is assigned to the Springfield DMA.

Please be advised that Nexstar hereby invokes its rights pursuant to Section 325(b) of the Communications Act of 1934, as amended, and Section 76.64(a) of the FCC’s rules, to bar retransmission of the station’s signal by Ozarksgo on its referenced systems except pursuant to our express written authority granted pursuant to a retransmission consent agreement between you and us. This election is a continuing election from the date hereof through the initiation and continuing provision of service by your systems. In addition, this election is made for each and every community or video service that Ozarksgo intends to serve in the Springfield DMA.

We look forward to negotiating a retransmission consent agreement with you for Ozarksgo’s retransmission of KOZL-TV on its new system. Mr. Leo Henning, General Manager of KOZL, will be in contact with you in the near future to negotiate terms of the agreement.

Sincerely,

Elizabeth Ryder
Executive Vice President & General Counsel
