Issues/Program Report

2022 - 4th Quarter

Features

KDIS, KKSP, KDXE, and KZTS have determined the following selected issues of concern to be of significance to families in our community during 4th Quarter 2021

National and Local elections.

The possibility of our state electing the youngest (and our first female) Governor.

Record setting inflation and its effect on Arkansans

The rise of college tuitions in Arkansas

Physical, mental, and COVID health updates

Aftermath of overturning of Roe-Wade decision in Arkansas

Curbing violence (especially gun violence) in our African American community

KDIS, KKSP, KDXE, and KZTS continually seeks to identify issues of concern to its local community through a number of different community contacts and outreach programs and events. We reached out to community contacts and outreach programs and events. We reached out to Dr. Derrick Lewis - health expert, Scott Hannigan - Admissions Director of Harding University, Rose Mimms - Arkansas Right to Life Director, Dr. Rhona Mattox - President of Arkansas Medical, Dental, and Pharmaceutical Association, Dr. Fitzgerald Hill and Drew Davis - Leadership for Every Arkansan.

KDIS, KKSP, KDXE, and KZTS broadcasts periodic interviews with local and national contacts giving greater details and clarity of the issues of significance to our community. These interviews are broadcasts on Sundays at 4:00 AM on KKSP and KDIS and every weekday at 12:00 PM on KZTS, and Tuesdays at 7:00 PM on KZTS and KKSP.
