New Discovering Nature PSAs remind parents and caregivers that trails are a family's guide to the transformative power of discovery in the forests and parks near them. Help families this fall experience nature near them by running PSAs highlighting the ma

The purpose of the PSA is to help viewers understand just how essential our National Forests are and that replanting is urgently needed to ensure they continue to thrive.

Dr Ruiz gives information about the Coronavirus.

Child Car Safety: Make Sure Kids Are In The Right Car Seat: Motor vehicle crashes are a leading cause of death for children under 13. PSA's tell parents how their love for their children extends to car safety. This means knowing the right seat for the

For children battling a critical illness, a wish is more than just a dream. It can be a turning point in their lives. Wishes can give kids the strength to fight, to get better ... to grow up. And, it can help families focus on the possibilities of tomorrow

Dr Ruiz gives information about the Coronavirus.

Drunk driving claims a life every 50 minutes. Save lives by preventing drunk driving.

Educates viewers about their fair housing rights. When people are aware of their rights and how housing discrimination happens, they can take action and report it.

PSA helps adults learn the risks of having prediabetes develop into type 2 diabetes.

Dr Ruiz gives information about the Coronavirus.

Drunk driving claims a life every 50 minutes. Save lives by preventing drunk driving.

125,000 youth in the U.S. foster care system are currently waiting for adoptive families, and only 5% of all children adopted in 2017 were between the ages of 15 and 18. For National Adoption Month this November, encourage potential parents to consider adoption.
Educates viewers about their fair housing rights. When people are aware of their rights and how housing discrimination happens, they can take action and report it.
Educates viewers about their fair housing rights. When people are aware of their rights and how housing discrimination happens, they can take action and report it.
Dr Ruiz gives information about the Coronavirus.
PSA helps adults learn the risks of having prediabetes develop into type 2 diabetes.
This campaign spotlights the need to find permanent families for teens, who have lower overall adoption rates and wait longer to be adopted than younger children. The newest PSAs highlight this need by reminding parents that there are plenty of heartwarming stories.
PSA helps adults learn the risks of having prediabetes develop into type 2 diabetes.
Project Roadblock is a multiplatform drunk driving prevention campaign exclusive to local broadcast television stations and is the largest annual station-supported initiative of a single PSA campaign. Sponsored by TVB, the U.S. Department of Transportation.
The purpose of the PSA is to help viewers understand just how essential our National Forests are and that replanting is urgently needed to ensure they continue to thrive.
Make the Connection PSA's "Turn Hope Into Action" lets families, friends and Veterans themselves know that mental health treatment works and recovery is possible.
New Discovering Nature PSAs remind parents and caregivers that trails are a family's guide to the transformative power of discovery in the forests and parks near them. Help families this fall experience nature near them by running PSAs highlighting the many benefits of nature.
The PSAs — which are directed towards men between the ages of 21 and 35 —inspire young men to examine their behavior and take responsibility for their own decision to get behind the wheel after having a few drinks. PSAs emphasize that if you have to ask yourself if you're ready to drive, you're not ready.
This new public service announcement (PSA) in Spanish from Department of Homeland Security (DHS) offers information about the importance of informing the authorities of any suspicious activity. The PSA communicates the key message: "If you see something, say something."
Removing unused, unwanted or expired opioid medications from the home is a key strategy in addressing the opioid crisis in the United States. The information included in these FDA PSAs will act as a call to action to encourage consumers to dispose of these medications properly.
Tips for staying safe during the Coronavirus pandemic.
New Discovering Nature PSAs remind parents and caregivers that trails are a family's guide to the transformative power of discovery in the forests and parks near them. Help families this fall experience nature near them by running PSAs highlighting the many benefits of nature.
The purpose of the PSA is to help viewers understand just how essential our National Forests are and that replanting is urgently needed to ensure they continue to thrive.
We hope you can help inform your audience about the need for ethnically diverse blood stem cell donors by transmitting the new public message entitled "Alfredo" (: 60y: 30). The message highlights the need for Hispanic and Latino donors, and the unique opportunity they provide.
Make the Connection PSA's "Turn Hope Into Action" lets families, friends and Veterans themselves know that mental health treatment works and recovery is possible.
Inspire adults to go after diplomas, dreams -- and more. Adults who complete their high school education can tap into a wealth of benefits, including greater career options, household income, and opportunities to become role models to their families and communities.
Mass. Broadcasters Association/MA Army National Guard
Child Car Safety: Make Sure Kids Are In The Right Car Seat: Motor vehicle crashes are a leading cause of death for children under 13. PSA's tell parents how their love for their children extends to car safety. This means knowing the right seat for the right child.
Tips for staying safe during the Coronavirus pandemic.
Run these PSAs during February for American Heart Month to encourage viewers who have stopped following their HBP management plan to partner with their doctor, get back on a plan, and get their numbers to a healthy range.
