

## WJGV 2nd QUARTER REPORT FOR 2011

The following program list represents broadcast by WJGV which have provided significant treatment toward Putnam county Issues.

\*\*\*Aired County Commission Meetings of the quarter as normal. The public was allowed form their homes the only broadcast viewing of the Putnam County Commission Meeting. Although the commission meeting does air on the county's cable channel, it is not during a time convenient for public viewing in our opinion as does WJGV and whereas the cable channel only airs the meeting just 4 times, WJGV airs the meeting up to 10 times for viewer informational needs. During this quarter the public affairs segments was aired on weeknights beginning at 9PM. Normal segments are 2 hours in length.

\*\*\*\*Aired Several County Workshops of the Putnam County Commission. These are not videoed by anyone else for public viewing. These meetings are the real decision making grounds for the Putnam County Commission Meeting in our opinion. The agenda for this meeting is not completed until the day of the meeting so depending on the topic on hand is the decision on whether to video the workshop, or not, as some topics moot of interest to the average viewer.

\*\*\*\*Aired Memorial Day Special pre-empting Public Affairs Segment at 10PM on June 30<sup>th</sup>. The Program was from the past with Sister Dolly Harrell and Bro. Asbury of St. Augustine, who ran away from home and joined the Navy at age 15. Bro. Asbury tell his experience and how he was in several major sea battles of WWII.
