

Amended Children's Reports for 2Q 2014

On December 15, 2014 MundoFOX Network sent an Alert to affiliates regarding the required E/I "bug" as required by the FCC. MundoFOX has since corrected the problem and all other Children's Programming carried with the exception of the below programs during this time did have the required E/I "bug"

NOTIFICACION /ALERTA MFEA #12.05

TO: GENERAL MANAGERS, GENERAL SALES MANAGERS, PROGRAMMING DIRECTORS, PROMOTION MANAGERS, and TRAFFIC DIRECTORS
FR: MUNDOFOX BROADCAST DISTRIBUTION
DT: December 11, 2014
RE: **E/I PROGRAMMING BUG FOR FCC REQUIREMENT**

MundoFOX Affiliates:

Recently, we were informed that some of our Educational/Informational programming, as described below, did not include the E/I "bug" during the program during the broadcast. As you are aware, this is an FCC requirement for E/I programming.

- *Como Se Hacen Las Cosas (Making Stuff)*:
From June 1, 2014 – November 30, 2014, this program did not include the E/I bug – which represented only 30 minutes of the E/I block from **June 1st - July 27th**. The remainder of the kids block during this time period included the bug. The error was corrected and the bug was included beginning December 7, 2014 (see below).
- *Wibbly Pig, Artzooka and Making Stuff*:
From August 3, 2014 – November 30, 2014, the E/I bug was missing from the entire kids block (*Wibbly Pig, Artzooka, and Making Stuff*). The error was corrected immediately upon discovery of the issue, and the bug was included beginning December 7, 2014.

We apologize for the late notice. Please be sure to discuss this important matter with your station personnel that handles the E/I quarterly reports. **You will need to revise the 2nd and 3rd quarters for 2014 (CY) with the dates provided above.** We will be sure to include this information for the 4th quarter when we send it out in January.

Please be sure to reach out to your Broadcast Distribution Rep immediately if you receive any notice regarding these incidents.

Thank you for your immediate attention.
