

**KZSC-FM QUARTERLY ISSUES/PROGRAMS LISTING**  
**3rd Quarter 2022**

*During the 3rd Quarter of 2022, KZSC-FM has served the public interest by broadcasting materials which treated significant problems and needs of concern to the communities who receive our broadcast.*

*The following is a listing of some of the issues ascertained through personal interviews, emails, phone calls, social media, and other on-going contacts with a wide range of Bay Area government officials, community leaders, and citizens, and some of the programming aired in response to those stated issues of concern.*

**The Bushwhackers Breakfast Club - Fridays 6am - 9am**

**7/1/2022, 30 min**

**Host:** "Dangerous" Dan Orange

**Guest(s):** California State Senator John Laird

**Topic:** California legislature passed a state constitutional amendment for the November ballot that would enshrine Roe v. Wade; federal constitutional right to privacy now in question; California legislature now in 1 month summer recess, but recently achieved amazing things in the budget (\$25MM for Watsonville Hospital...still \$10MM short, but with 2 months to go, this should be manageable; \$20MM for Cal Poly facilities in Swanton (Forestry Program and beautiful house and facility); Sgt. Gutzweiler bill is in Assembly Committee, going through on consent (the perpetrator pled guilty to murder 2 days ago for life in prison without parole); lightning round committee run-down.

**Transformation Highway - Thursdays 12 - 1pm**

**7/7/2022, 60 min**

**Host:** John Malkin

**7/8/2022, 30 min**

**Host:** "Dangerous" Dan Orange

**Guest(s):** Tom Brezsny

**Topic:** Arrived in Santa Cruz on Aug. 22, 1978, and has been in real estate for 33 years - he was studying for the Real Estate exam when the 1989 earthquake hit!; he's had a front row seat to the division of wealth, and has seen an accelerating pace of people moving out & in; worked at India Joze; real estate is changing due to the influence of digital; S.B. 9 got rid of single family zoning: if the dwelling is on a standard lot, can split it into 2 duplexes - this is statutory;

**The Bushwhackers Breakfast Club - Fridays 6am - 9am**

**7/8/2022, 30 min**

**Host:** "Dangerous" Dan Orange

**Guest(s):** Nicole Wilson - American singer/songwriter

**Topic:** Arrived in Santa Cruz in 1999 to start grad school in Cognitive Psychology; sometimes songs come fully formed, like "You Take Me for Granted", which was inspired by a relationship that did not work out; "Greg and Nic" in grad school, with Greg more noir, and Nicole more Disney Princess; writing and recording in grad school exercised her non-academic brain; after Ph.D., got involved in Silicon Valley in Educational Technology; Jazz Trio, and a singer first; whatever genre the Muse takes she follows.

**Transformation Highway - Thursdays 12 - 1pm**

**7/14/2022, 60 min**

**Host:** John Malkin

**Guest(s):** Lois Ahrens

**Topic:** Interview with representative from the Real Cost of Prisons Project; Discussion of prison abolition, and new album "Tiyo's Songs of Life"

**The Bushwhackers Breakfast Club - Fridays 6am - 9am**

**7/22/2022, 30 min**

**Host:** "Dangerous" Dan Orange

**Guest(s):** Tony Shafer - retired LA Fireman

**Topic:** Interview and discussion of wildfires and controlled burns; prescribed fire in New Mexico flared up...4 months after being put out!; dilemma: fuel loads are too extreme, and we do not have an overarching policy; structural fires have different fire fighting teams than wildland fires, and most wildland fire fighting has no strategy to fight fires that threaten structures or communities; CalFire grew out of federal forest fighting, and may know little of your community; Qs that you should ask your fire district / County Board of Supervisors / City Council: 1) Is there a back-up power plan for traffic signals and water systems? 2) Are you pre-filling water tanks just in case? 3) Are you pre-deploying teams to high risk areas? 4) Are you prepared for an event, by up-staffing on high risk days? and 5) Have you budgeted for the equivalent of 1/2 of the active resources to be loaded and held in reserve?

**The Bushwhackers Breakfast Club - Fridays 6am - 9am**

**7/22/2022, 30 min**

**Host:** "Dangerous" Dan Orange

**Guest(s):** Sharon Allen - Americana Singer / Songwriter

**Topic:** East Coast refugee, arrived Boulder Creek in 1979, and started playing music locally with her 1st husband, Allen Frank (who switched his name order as a performer); Back Alley Band...Blind Alley Band...Sharon Allen & the Firebirds - playing 4 nights a week, and 4 sets a night; started up with Dusty Boots 10 years ago; with the pandemic, Sharon pulls back on the reins more than anyone; started writing songs in the 1990s - can be wonderful, & frustrating.

**The Bushwhackers Breakfast Club - Fridays 6am - 9am**

**7/29/2022, 30 min**

**Host:** "Dangerous" Dan Orange

**Guest(s):** California Assemblymember Mark Stone

**Topic:** Started in politics in 1998 - Scotts Valley School Board; appointed to replace Almquist on the County Board of Supervisors when Almquist was appointed judge; swam the English Channel in 2009 after 2 years of training, with the last 6 months the toughest; feet dry to feet dry...took over 8 hours...learned that to succeed, had to "break it down" into manageable pieces; Watsonville Hospital included in state budget, and signed; hospital in Robert Rivas' district; bill signed creates a "special district", which grants taxation powers; Watsonville Hospital requires taxation to fund operations; who draws the boundaries of the special district? LAFCO: the Local Agency Formation Commission, with appointed members who are all (except 1) elected officials; deep dive into legal aid in civil cases - the state bar has proposed 2 approaches but neither has a mechanism of accountability; Assembly back in session on Monday, with all bills required to be acted upon by midnight, August 31st.

### **The Bushwhackers Breakfast Club - Fridays 6am - 9am**

**7/29/2022, 30 min**

### **The Bushwhackers Breakfast Club - Fridays 6am - 9am**

**8/5/2022, 30 min**

**Host:** "Dangerous" Dan Orange

**Guest(s):** California State Senator John Laird

**Topic:** Diablo Canyon nuclear power plant scheduled for shutdown in 2025; trailer bill with place-holder budget to study keeping it open signed in June; shutdown was a negotiated agreement, with a \$100MM bill passed to train staff and help the transition - \$80MM of which has been spent; starting a decision process with Laird laying out what needs to be in the proposal; 2 planned offshore wind projects off California, Morro Bay and Humboldt; discussion of the grid capacity and how wind would fit with a still working Diablo Canyon; Laird has 23 bills moving, and all bills have to be out by midnight August 31st = a combination of Whack-a-Mole and High Blood pressure!

### **The Bushwhackers Breakfast Club - Fridays 6am - 9am**

**8/5/2022, 30 min**

**Host:** "Dangerous" Dan Orange

**Guest(s):** Steven Graves - Singer / Songwriter

**Topic:** Songwriting starts with an idea, or a melody; for "Rich Man", started with the band jamming during rehearsal - Steven threw the recorder on and got a minute and a half...played it back, and the lyrics just came to him; Nashville promoter helps him develop strong connections to DJs; has a promoter in Sweden, and doing great in Europe; wrote "Fire" the day the Paradise Fire made the sky super dark; discussion of covering the songs of others, and needing to make it his own.

### **The Bushwhackers Breakfast Club - Fridays 6am - 9am**

**8/19/2022, 30 min**

**Host:** "Dangerous" Dan Orange

**Guest(s):** Greg Loiacono - Singer / Songwriter

**Topic:** One of the founders of "Mother Hips", founded at Cal State Chico 30 years ago, performing originals straight out of the gate...people were ready for this, and the immediately started getting gigs; also, they were a spectacle, dressing up; when the pandemic hit, it took a little while to start writing; How do you decided what to focus on? Mother Hips is home base, and can count on it....solo incarnation more of a leader (as opposed to a democracy), with lead vocals more taxing, especially falsetto; making money in music these days is almost entirely playing live; discussion of falsetto lead singing and the need to rest his voice the day of a gig (performing tonight at Michael's-on-Main).

### **The Bushwhackers Breakfast Club - Fridays 6am - 9am**
