Story summary: Midland's y-m-c-a received the largest donation to date from the f-m-h foundation to kick off its investment campaign for expansion. We spoke with one of the y-m-c-a board members about the new donation. Who explained to us that the donation will start the construction of the new state-of-the-art facilities. It will cover the costs of building the new center near Golden Gate Drive in the midland. Since their goal is to raise seven million dollars. They need two point eight million dollars more to reach that goal. "It is very important to have the support of members of the local community and the foundation. Obviously, a million dollars goes a long way toward covering the costs of building and renovating the new facility" The campaign will help expand the y-m-c-a and meet the needs of families seeking after-school programs.

Short Summary: We shift to events from Fort Stockton where several residents are saying that the city is demolishing their homes that are made of adobe. They claim the city has told them they want to beautify Fort Stockton. But some of the houses that have been torn down have been there for years. Some of those homes are abandoned, but others have meaning to the people who live in fort Stockton. Most of the homes and buildings in Fort Stockton are made of adobe. A resident of the area, Abel Quintela, says at least 10 houses were demolished by the city. And that residents are not only left homeless, but also with a bill to pay for the costs of demolition. "You have the right and the city has the right to give you money for destroying your property. Or inculcate in giving yourself (to) put a property in your house if they're going to beautify the city as they say." Quintela says the bills left to pay residents can be as high as \$3,000. Telemundo 20 has reached out to the city, and they are still waiting for a response.

Story Summary: Students were on vacation during the holidays and have returned to school this week. Our reporter Melissa Brandi has more details on how to improve health and make sure your son or daughter is active starting in the second semester of school. It's important for your child to participate in activities to improve their health starting this new year. I talked to 2 coaches where they explained the reasons for putting your child in some activity and information about eating habits.

THE SECOND SEMESTER OF THE 2024 SCHOOL YEAR HAS BEGUN AND STUDENTS HAVE ALREADY RETURNED TO SCHOOL.

THE KIDS WERE ON VACATION DURING THE HOLIDAYS AND IF WE'RE TALKING ABOUT DIETING, WELL, THAT WAS AN EXCEPTION DURING THOSE DAYS.

WE SPOKE WITH A COACH AT AN ELEMENTARY SCHOOL IN WEST TEXAS, AND HE TELLS US THAT HE HAS STARTED THE YEAR TALKING ABOUT THE IMPORTANCE OF SLEEP, HYDRATION, AND GOOD HYGIENE.

COACH GONZALEZ WEST ELEMENTARY SCHOOL 'BUDDY'

"I'M WORKING ON A SURVEY TO ASK THEM IF THEY NEED HELP WITH THEIR HEALTHY HABITS, THINGS THEY CAN DO AT HOME. LAST MONTH WE HAD A FITNESS CALENDAR TO GO HOME, SO FOR THOSE TWO WEEKS THAT THEY WERE GOING TO BE OUT OF SCHOOL, I'M GIVING THEM TIPS AND IDEAS SO THEY CAN BE ACTIVE WHEN THEY'RE NOT INSIDE THESE WALLS."

PART OF HAVING PROPER HEALTH RECOGNITION IS ALSO HAVING THE FAMILY INVOLVED, WHICH IS SAID TO BE A COMMUNITY EFFORT.

IRAM SANCHEZGORILLA HEAVY HITTERS TRAINER

"IT'S A GOOD GOAL FOR PARENTS TO GET THE KIDS IN SO THEY'RE NOT LOCKED UP IN THE PHONE ANYMORE, TO DO SOME ACTIVITY, TO GET MOVING. I SEE A LOT OF CHILDREN WHO COME HERE AND THEY DON'T HAVE ANY PHYSICAL CONDITION, THEY GET TIRED, THEY'RE TOO YOUNG FOR THEM TO HAVE THAT BAD PHYSICAL CONDITION."

WE NOT ONLY LISTEN TO THE COACHES, BUT ALSO THE OPINION OF THE KIDS WHO ARE PART OF GORILLA HEAVY HITTERS WHO TRAIN AND EXERCISE TO IMPROVE THEIR HEALTH.

ERIC CARRILLO MEMBER OF GORILLA HEAVY HITTERS "ENCOURAGE KIDS GO GET A LITTLE EXERCISE PLAY OUTSIDE MAYBE PLAY FOOTBALL PLAY WITH THEIR FRIENDS"

SCARLETT CARRILLO MEMBER OF GORILLA HEAVY HITTERS

THEY SHOULD TRY TO GET OUT OF THE HOUSE OR BESIDES BEING ON YOUR PHONE OR LIKE JUST SITTING AROUND AND DOING NOTHING BECAUSE IT IS BETTER DOING SOMETHING THAN JUST BEING HOME.

IT IS IMPORTANT FOR TEENS TO STAY ACTIVE AND INFORMED AT AN EARLY

AGE WITH VARIOUS WAYS TO MAINTAIN HEALTHY AND HEALTHY HABITS.
COACH GONZALEZ

"THE WEATHER IS GETTING BETTER AND WE HOPE PARENTS WILL RETURN TO OUR WELLNESS WALKS. IT'S AN OPPORTUNITY FOR THEM TO JOIN THEIR CHILDREN DURING THEIR PE HOURS TO WALK THE TRACK WITH US. AND I THINK IT'S A GOOD WAY TO STRENGTHEN THAT FAMILY BOND BETWEEN STUDENTS AND FAMILY AND ALSO FORM THOSE HEALTHY HABITS AGAIN."

According to coach Gonzalez, a program is expected in the fall from the Ector county school district called kids teaching kids where it is designed and focused to help parents and students with the knowledge and resources to make eating habits healthier at home. Story Summary: The Texas commission on environmental quality has notified the public water supply system at the city of midland water purification plant that the drinking water supplied to customers had exceeded the maximum level of arsenic contaminants. The epa has established that the maximum allowable amount of arsenic is 0.010 milligrams per liter. However, analysis of arsenic in her community's drinking water indicates a compliance value in the fourth quarter of 2023 of 0.01. This is not an emergency. However, some people who drink water with an arsenic content higher than the mcl for many years may suffer from skin damage or circulatory system problems and may have an increased risk of cancer. There is no need to use an alternative water supply. If you have health problems, you may want to talk to your doctor to learn more about how this may affect you. The city of midland says it will now mix water sources better and test a new treatment technique to remove arsenic.

Story Summary: In news from our community Ector County has had a problem with its jailers in the last two years. Since upgrading the facility through a \$25 million certificate of obligation, they've been trying to keep up with the jail's expansion. One of the problems the county faces is that when there aren't enough jailers to take care of inmates, they must send them to other county jails. Which can cost them \$60 to \$85 a day, but with this new pay increase, they believe it's a solution to that problem. The commissioners hired a recruitment firm to be more ambitious with the message of how much jailers make. County leaders say this long-term solution will benefit west Texans for years to come.

Story Summary: Mental health is always important in our lives, especially when we have high-risk professions. Michel Rafols brings us closer to this topic. We know that factors such as our environment and our lifestyle will influence our mental health, but there are professions that, due to their characteristics, also influence our psychological well-being.

Professions Such as police, military, and firefighters can put those who work in them in difficult and stressful situations.

JOSE MEDINA FIREFIGHTER/EMERGENCY MEDICAL TECHNICIAN" THERE ARE CALLS THAT WE GO IN AND THERE IS A PERSON WHO DIES IN A FIRE, OR HAS

HAD A HEART ATTACK. SOMETIMES IT'S KIDS WE SEE BLEEDING, SOMETIMES THEY DON'T SURVIVE AND THAT HURTS US MENTALLY." [Notes: VO] THE FIRE DEPARTMENT UNDERSTANDS THE RISKS OF MENTAL HEALTH PROBLEMS FACED BY THE MEN AND WOMEN IN ITS RANKS, AND DEDICATES RESOURCES TO PREVENT THESE TYPES OF HEALTH PROBLEMS. [Notes: SOT] JONANNA SIMENTAL FIREFIGHTER/PARAMEDIC "AS GROUPS WE TALK TO EACH OTHER, SO THAT THOSE THINGS DON'T STAY INSIDE, MENTALLY. IF THAT DOESN'T HELP US THEN WE HAVE THERAPY, COUNSELING. FIREFIGHTERS AND PARAMEDICS, IN ADDITION TO HAVING PROFESSIONAL HELP AVAILABLE FOR MENTAL HEALTH PROBLEMS, ALSO SEEK TO HELP EACH OTHER WHEN ONE GOES THROUGH TRAUMATIC EXPERIENCES JOSE MEDINA FIREFIGHTER/EMERGENCY MEDICAL TECHNICIAN "SOMETIMES HE CAN'T SLEEP BECAUSE OF ONE OF THE CALLS YOU GOT. YOU SAW SOMEONE WHO WAS SHOT IN THE ARM, IN THE HEAD, AND THAT TRAUMATIZED YOU." JONANNA SIMENTAL FIREFIGHTER/PARAMEDIC "WE AS A FAMILY, BECAUSE WE'RE A FAMILY, WE KNOW WHEN SOMETHING IS GOING ON IN ONE OF US. THAT IT BECOMES A NORMAL THING THAT YOU CAN TALK TO SOMEONE AND FEEL COMFORTABLE AND BE ABLE TO SAY, I HAVE A PROBLEM. "... >

Rapid response teams are not only concerned about the mental health of their members, but they also take care of making specialized help available to them, but it is also important to provide help among colleagues when they notice changes in any of them. Teamwork will be everyone's success. I'm Michel Rafols and this was my report for Telemundo 20.

Story Summary: Protests were held this afternoon demanding the permanent closure of the migrant shelter located at Floyd Bennet Field in Brooklyn. This week, 1,900 migrants from the shelter were moved to a local school by the winter storm, which also drew criticism from parents and local leaders. Yaimeé bell tells us how these protests took place...

PROTESTERS SAY THE SHELTER IS BAD FOR MIGRANTS BECAUSE IT'S AN AREA PRONE TO FLOODING, BUT IT'S ALSO BAD FOR THE COMMUNITY BECAUSE ASYLUM SEEKERS KNOCK ON THE DOORS OF RESIDENCES USING UNREGISTERED CARS AND HAVE INCREASED ROBBERIES IN THE COMMUNITY. THAT'S WHAT THEY SAID... CLOSE THE BORDER... PROTESTERS IN NEW YORK CITY DEMANDED THE CLOSURE OF THE MIGRANT SHELTER LOCATED AT FLOYD BENNETT FIELD IN ARNALDO SALINAS – DIRECTOR OF THE GUARDIAN ANGELS ORGANIZATION: NO ONE SHOULD BE KEPT AT FLOYD BENNET FIELD, IT'S DANGEROUS TO HAVE PEOPLE WHOEVER THEY ARE... 1409 THE WINDS, THE

BUT EVEN THOUGH THE SHELTER IS PRONE TO FLOODING, PROTESTERS SAY IT'S ALSO DETRIMENTAL TO THE COMMUNITY AS IT HAS INCREASED CRIME.3049 NAT THESE AREN'T IMMIGRANTS, THEY'RE HUMAN TRAFFICKERS... 3158 THESE PEOPLE ARE FEW, THERE IS ROOM FOR EVERYONE HERE.1715 ARNALDO SALINAS – DIRECTOR OF THE GUARDIAN ANGELS ORGANIZATION: SINCE THEY HAVE JUST ARRIVED AND THEY ARE DRESSED SO WELL, THEY HAVE MOTORCYCLES... And this isn't the first time we've seen complaints about this migrant shelter in Brooklyn. Congressmen and other local leaders have already spoken out and said that it was a concern that they would take refuge in this land that was an old military base that was flooding. ODESSA IS OFFERING TO THE COMMUNITY. TALK TO SOME EXPERTS AND THEY TELL US MORE

THE ARCTIC GUST IS MAKING ITS WAY THROUGH PARTS OF THE COUNTRY, BRINGING EXTREME COLD TO WEST TEXAS.

JUSTIN LOPEZ METEOROLOGIST "From time to time, the polar circulation becomes destabilized and then that air, what's called the polar jet stream, polar air, can go down in places to the south where it shouldn't get in. And that happens when there's hot air that gets in where it shouldn't go, and that's out there in the Arctic."

AS TEMPERATURES APPROACH FREEZING, HERE ARE SOME TIPS TO KEEP YOU WARM AND, MORE IMPORTANTLY, SAFE WHEN THE FRIGID DAYS ARRIVE ANDREA GOODSON DIRECTOR OF PUBLIC AFFAIRS, ATMOS ENERGY"

Bundle up. Even if you're inside, bundle up more when you're inside. You can lower the temperature of the thermostat a couple of degrees. Dress a little warmer and you'll also save many from using their stove or oven to heat their home."

STAYING WARM IN FREEZING TEMPERATURES IS CRITICAL, BUT IT'S IMPORTANT TO KNOW HOW TO DO IT SAFELY.

ANDREA GOODSON

"One of the things people do is use the stove or oven to heat the house. It is not recommended. Especially with a gas stove or a gas oven, that light can go out and then you're just pumping gas into your house at that time. So it is not advisable to use the stove or oven to heat the house.

SOME EXAMPLES OF WAYS TO KEEP WARM ARE TO KEEP COLD AIR OUT... BE SURE TO BLOCK DRAFTS FROM DOORS AND WINDOWS, AND IF YOU HAVE A FIREPLACE, CLOSE THE DAMPER AS WELL. JUSTIN LOPEZ

JUSTIN LOPEZ "You'd be better off covering the pipe with insulation, keeping the faucets leaking a little bit, and then also providing food for both yourself and pets as well."

ATMOS ENERGY SAYS THE NATURAL GAS INDUSTRY IS PREPARED TO DEAL WITH THE COLD AND THE NUMBER OF PEOPLE WHO WILL USE THEIR HEATERS TO STAY WARM, SO MAKE SURE YOU STAY WARM SO YOU DON'T RUN INTO DANGER.

Story Summary: The stories of overcoming never cease to amaze us. Women and men who decide to turn their lives around abound around us. Michel Rafols tells us one of those stories in his report today. Violence within a marriage affects both men and women, but it is enough to make a decision for such tragedies to be a thing of the past.

FOR YEARS MARIANA REYES SUFFERED WITHIN A DYSFUNCTIONAL MARRIAGE DUE TO CAUSES THAT SHE HERSELF TELLS US.

MARIANA REYES, MUJER EMPRENDEDORA." I WENT THROUGH ALL KINDS OF VIOLENCE, FROM PSYCHOLOGICAL VIOLENCE TO BEATINGS. YOU DON'T STAY OUT OF FEAR, YOU STAY OUT OF FEAR OF THE FUTURE. BECAUSE OF THE FEAR OF THE UNKNOWN. UNTIL THERE COMES A TIME WHEN YOU SAY, WHAT AM I DOING HERE."MARINA DECIDED TO EMIGRATE TO THE UNITED STATES, AND AFTER A LONG PROCESS OF EMIGRACION.cc SHE WAS ABLE TO OBTAIN HER RESIDENCY. DURING THAT TIME HE FACED OTHER CHALLENGES, THAT OF NEW CUSTOMS AND THE BARRIER OF LANGUAGE.

MARIANA REYES, ENTERPRISING WOMAN." I WENT TO MIDLAND COLLEGE TO LEARN ENGLISH, I OPENED YOUTUBE, GOOGLED, MY NEIGHBORS, MY CHILDREN, MY GRANDSON, EVEN WHEN I LEAST THOUGHT I WAS ALREADY SPEAKING ENGLISH"ON A BIRTHDAY PARTY HE PREPARED THE FOOD AND MADE THE DECORATIONS, AND HIS SKILLS IN IT IMPRESSED. MARIANA REYES, ENTERPRISING WOMAN." MY GRANDSON IS AN INSPIRATION TO ME AS ARE MY CHILDREN. AT THAT TIME WHEN MY GRANDSON HAD A BIRTHDAY, I DECORATED THE PLEYBO, AND THE MANAGER SAID TO ME, WHY DON'T YOU DEDICATE YOURSELF TO THAT. ARE YOU VERY GOOD? FROM THERE SHE BEGAN TO PREPARE FOOD AND DECORATIONS FOR EVENTS AND FOR HER SUCCESS SHE IS IN HIGH DEMAND. IN THE FAMILY SHE IS A MOTHER, BUT AT WORK SHE IS THE BOSS. PRISCILA FIERRO, MARIANA'S DAUGHTER"AS A PATRON, MY MOM IS VERY DEMANDING. TO SEE HER AS SHE BROUGHT US FORWARD, HOW SHE HAS FOUGHT AND GIVEN HER LIFE FOR US, I CAN SAY THAT MY MOM IS WONDER WOMAN." ... >

Mariana Reyes is a testimony that we can live through very difficult times, where we don't see any future, but when we decide to break those ties, we take wings to fly towards a better future, where the stars of decision and effort will guide us towards a better future. Story Summary: During Thanksgiving we talked about the importance of giving and helping the underserved not only at that time but throughout the year. In his report, Michel Rafols brings us closer to a person who did just that. Helping others is a human value that is deeply rooted in many people, Alejandro favela is one of them.

SINCE HIS ARRIVAL IN THE UNITED STATES, HE BEGAN TO WORK IN THE ARDUOUS WORK OF CONSTRUCTION, ALWAYS THINKING ABOUT HIS PROFESSIONAL GROWTH, BUT WITHOUT FORGETTING TO HELP THOSE WHO HAVE LESS. ALEX FAVELA, OWNER OF FAVELA CONCRETE "I HAD NEEDS LIKE MANY PEOPLE. BOTH FOR MY PARENTS AND FOR THE FAMILY, BECAUSE IT WAS STRONG. AND I AM VERY GRATEFUL BECAUSE NOW I AM WHAT I AM FROM A VERY YOUNG AGE HE WORKED IN CONSTRUCTION, A JOB HE LEARNED TO LOVE, WHILE FOLLOWING THE TEACHINGS OF HIS GRANDFATHER, WHO INSPIRED HIM WITH THE IMPORTANCE OF FOLLOWING HIS HEART. ALEX FAVELA OWNER OF FAVELA CONCRETE "I'M PASSIONATE ABOUT MY JOB, IT'S HARD WORK, HEAVY WORK, BUT IT'S MY THING. I STARTED HELPING MY WORKERS, I STARTED HELPING A LOT OF PEOPLE, SOMETIMES PEOPLE I DIDN'T EVEN KNOW. BUT IF YOU CARRY THAT IN YOUR HEART, NO ONE IS GOING TO TAKE IT AWAY FROM YOU" ALEX HAS MADE DONATIONS WORTH CLOSE TO \$100,000. SAINT JUDE HOSPITAL HAS ALSO PARTICIPATED IN FUNDRAISERS FOR PEOPLE WITH CANCER AND OTHER DISEASES, PEOPLE NOT ONLY IN THE UNITED STATES BUT ALSO IN HIS NATIVE MEXICO. ALEX FAVELA OWNER OF FAVELA CONCRETE "I HAVE BEEN CONTRIBUTING TO THE COMMUNITY OF THE PERMIAN BASIN IN DIFFERENT ACTIVITIES SUCH AS GIVING GROCERIES, HELPING PEOPLE WITH THEIR ERRANDS" ALEJANDRO FAVELA HAS DONATED PROSTHETIC LEGS, THANKSGIVING DINNERS, THE DESTINATION OF HIS AID IS DIVERSE TO REACH MORE PEOPLE. [Notes: SOT] ALEX FAVELA OWNER OF FAVELA CONCRETE "TELL ME, WHY DO YOU HELP? I TELL THEM, I HELP FROM THE HEART AND BECAUSE SOMETHING "PUCHA" ME, WHICH IS GOD. I HAVE THANKED GOD FOR THE WORK HE GIVES ME AND BASED ON THAT I CAN HELP, BECAUSE NOT ALL OF US HAVE THE HEART TO HELP." >

A very old saying says that the habit does not make the monk. No matter what profession you have, from the toughest to the most qualified, it doesn't define what kind of person you are. The important thing is that we carry in our hearts the desire to help others. I'm Michel Rafols and this was my report for Telemundo 20.

Story Summary: Let's talk about public safety... Yesterday, advocates gathered at the Chris Kyle memorial to honor victims of human trafficking and seek solutions to the problem in the Permian basin. Attendees poured blue sand into the cracks in the pavement to honor victims of human trafficking. Filling the cracks in the pavement symbolizes not letting victims slip between the cracks and fall into oblivion. "it's a huge problem, almost like an epidemic, so to speak, for the United States, but Texas is the second state in the United States in reports of human trafficking, which is important for people to report, but we don't want to be known as the second state were." Story Summary: Midland county schools have historically had a high rate of fights between students. Fortunately, at the moment the reality is different. The work carried out in their schools shows a substantial change in this type of indiscipline, decreasing them by two thirds.

IN THE FALL SEMESTER OF 2022, THERE WERE A TOTAL OF 206 FIGHTING INCIDENTS, COMPARED WITH ONLY 127 IN FALL OF 2023. JARED ANDREWS DIRENTOR OF LEGACY HIGH SCHOOL. "NOT ONLY DO WE FOCUS ON DECREASING FIGHTING, BUT ALSO DECREASING ANY INFRACTIONS. LATE ARRIVALS, DRESS CODE, BEHAVIOR IN CLASS. WE WORK FROM THE SMALL THINGS, BECAUSE FROM THERE WE CAN CHANGE THE BIG THINGS" REDUCING FIGHTS IS NOT ONLY ABOUT DISCIPLINE BUT ALSO ABOUT THE SAFETY OF THOSE INVOLVED. JARED ANDREWS DIRENTOR OF LEGACY HIGH SCHOOL." WE SAY ABOUT THEIR SAFETY, BECAUSE ANY STUDENT CAN BE INJURED IN A FIGHT. SUCH INDISCIPLINE CAN BE PUNISHED FROM LOSING PRIVILEGES TO TRANSFERRING THE STUDENT TO ANOTHER SCHOOL." LOGICALLY, THE WORK OF SCHOOLS RESTS NOT ONLY ON THE SHOULDERS OF THEIR MANAGEMENT, BUT ALSO ON THE TEACHERS AND THE ENTIRE MULTIDISCIPLINARY TEAM. JARED ANDREWS DIRENTOR OF LEGACY HIGH SCHOOL." TEACHERS HAVE TOLD ME THAT THEY SEE POSITIVE CHANGES. THAT STUDENTS ARE HAVING A POSITIVE CHANGE. AND THIS HAPPENS BECAUSE WE ARE ALL WORKING IN THE SAME DIRECTION. SINCE THE BEGINNING OF THIS SCHOOL YEAR, SEEKING POSITIVE CHANGES HAS BEEN A PRIORITY FOR THE SCHOOL DISTRICT AND THE RESULTS ARE REMARKABLE WHEN COMPARING THE 155 FIGHTS IN THE FALL OF 2022 WITH THE 48 IN THE SAME PERIOD OF 2023. JARED ANDREWS DIRENTOR OF LEGACY HIGH SCHOOL." CAMERAS HELP KEEP THE SCHOOL SAFE, AND SO DO THE TEACHERS. SCHOOLS SHOULD BE A SAFE PLACE TO LEARN, TO RECEIVE AN EDUCATION." >

The statistics show the good work done in this regard, indicating that the macrha school district is on the right track in the search to reduce the numbers of indiscipline due to this concept.

Story Summary: Speech and language disorders are more common than some people think. Michel Rafols spoke with a specialist and brings us closer to this topic in his report today. Speech and language disorders are very common in Hispanic children and the causes that cause them can be very varied.

EVEN FEEDING FROM BIRTH CAN BE DETRIMENTAL TO LATER SPEECH DEVELOPMENT. TANYA MANRIQUEZ, SPEECH-LANGUAGE THERAPIST "SPEECH AND LANGUAGE DISORDERS ARE NECESSARY FROM A NEWBORN TO THE ELDERLY. IF A NEWBORN HAS DIFFICULTY WITH FEEDING, SUCKING. BECAUSE THE MUSCLES OF THE MOUTH ARE USED TO PRODUCE PHONEMES AND SOUNDS AND TO SPEAK." ALTHOUGH IT SEEMS THE SAME TO US, SPEECH AND LANGUAGE ARE TERMS THAT DEFINE DIFFERENT ASPECTS OF COMMUNICATION. TANYA MANRIQUEZ SPEECH AND LANGUAGE THERAPIST "LANGUAGE IS COMPREHENSION, WHAT YOU UNDERSTAND WHEN SOMEONE SPEAKS TO YOU AND EXPRESSION PRODUCING PHRASES AND SENTENCES THERE ARE SIGNS THAT CAN SUGGEST TO PARENTS THAT THERE MAY BE A PROBLEM WITH OUR YOUNG CHILDREN'S SPEECH TANYA MANRIQUEZ SPEECH AND LANGUAGE THERAPIST "AFTER A YEAR IF THEY ARE NOT TRYING TO SAY WORDS, WATER, MOM, DAD, THEN THERE ARE SIGNS BECAUSE BY THE YEAR THEY SHOULD HAVE ABOUT 10 WORDS" THE USE OF TABLETS OR PHONES FOR TOO LONG CAN BE ONE OF THE CAUSES OF SPEECH DELAY IN CHILDREN. TANYA MANRIQUEZ, SPEECH AND LANGUAGE THERAPIST: "IT'S BETTER TO PLAY WITH A PUZZLE, A BOOK, SOME BLOCKS, A BALL THAN THE TABLET. SPEECH DEVELOPS UP TO 200 WORDS"... >

It is now a speech and language specialist who advises us, as we have heard so many times through other doctors, not to allow our little ones to spend so much time with a phone or tablet. On this occasion, as the child grows, their vocabulary and language also grow. I'm Michel Rafols and this was my report for Telemundo 20.

Story Summary: Let's start with election news. Where presenter Brooks Landgraf has taken to Facebook to deny that he is endorsing Brandon Pugh for the precinct chair. Landgraf says he doesn't and won't support Pugh despite recent paid-by-text political ads claiming Landgraf's endorsement. On Facebook Landgraf wrote and quoted. "Your unauthorized use of my name in your ad has understandably confused voters, by appearing to some of them to be my endorsement or support. In addition, there are important facts that he omitted from his message: Brandon Pugh actively and passionately supported my most recent opponents and was even on the payroll of one of them. I grew up in district 202 and went to elementary school there. I don't want republican voters in my old neighborhood to be fooled by this fake text message."

Story Summary: Reports of scams have been growing in Ector County. Michel Rafols investigated and provided us with the report. Scams through QR codes and card payment machines at gas stations have been the most frequent targets of scams, but not the only ones.

SCAMS USING QR CODES AND P-CARD PAYMENT MACHINES AT GAS STATIONS HAVE BEEN THE MOST FREQUENT TARGETS OF SCAMS. THE ECTOR COUNTY SHERIFF'S OFFICE WANTED TO ALERT THE COMMUNITY ABOUT THESE TYPES OF SCAMS AND INFORMATION THEFT. CRISTINA MCKINNEY, LIEUTENANT OF ECSO "THERE ARE QUITE A FEW CASES THAT WE ARE WORKING ON ABOUT SKIMMERS. WHEN YOU GET TO A SKIMMER, GRAB IT, MOVE IT AROUND TO SEE IF YOU'VE REMOVED IT AND PUT SOMETHING FAKE IN THERE. ON THE SIDE THERE MUST BE A RED THING, IF IT IS TORN, THEY HAVE ALSO CHANGED IT" BE CAREFUL WITH THE MONEY TRAPS, THEY PUT THEM IN THE MACHINES TO CATCH AND NOT LET OUT THE MONEY YOU HAVE ASKED FOR, AND WHEN YOU LEAVE THE THIEVES COME AND TAKE YOU OUT. BUT QR CODES ARE ALSO USED AS TARGETS IN ORDER TO STEAL INFORMATION. CRISTINA MCKINNEY, LIEUTENANT OF ECSO "ALMOST EVERY RESTAURANT THAT GOES THERE IS THE QR CODE, ON THE TABLE AND ONE LIKE THIS IN THE RESTAURANT SAYS, LET'S GRAB THE MENU. DON'T DO THAT. GET THE WAITRESS TO BRING YOU THE MENU, BECAUSE YOU'RE PUTTING SOMETHING FAKE ON TOP OF THE QR CODE AND GRABBING ALL YOUR INFORMATION. SCAMS ALSO INCLUDE PHONE CALLS PRETENDING TO BE SHERIFF'S OFFICE OFFICIALS ASKING YOU TO MAKE A PAYMENT. ECSO LIEUTENANT CRISTINA MCKINNEY "A LOT OF PEOPLE HAVE BEEN TALKING, A SERGEANT IS CALLING ME. THEY SAY, THEY HAVE A WARRANT FOR HIS ARREST. YOU HAVE TO GIVE THOUSANDS OF DOLLARS AND THOSE WHO TAKE THE CALL THE MOST ARE OLD PEOPLE. PLEASE CALL US IN THIS SITUATION AT 432-335-3050." ... >

The sheriff's office also recommends using the gas pumps closest to stores or paying cash. If you notice any suspicious devices or receive any fraudulent calls, report them to the authorities. I'm Michel Rafols and this was my report for Telemundo 20

Story Summary: Let's go to news in our community where meals on wheels provides seniors with a hot, healthy meal every day, and a visit they want. Patsy casas took on the task of learning more about what this organization does.

RICHARD ACUÑA HELPS US BECAUSE WE DON'T HAVE TO COOK, AND THEY ARE WARM MEALS THAT COME. AND IT'S A BOON TO US

CRAIG STOKER: MEALS ON WHEELS IN ODESSA SERVES CUSTOMERS WITHIN THE CITY LIMITS OF ODESSA AND PARTS OF WESTERN ODESSA. WE HAVE BEEN GROWING OUR SERVICE AREA IN THE 15 MONTHS I HAVE BEEN HERE. AND WE'VE BEEN TRYING TO REACH AS MANY PEOPLE AS WE CAN. THEY'VE ACTUALLY ALMOST DOUBLED THE NUMBER OF PEOPLE SINCE THEY'VE BEEN SERVING SINCE WE STARTED.

PEOPLE LIKE MR. RICHARD AND HIS WIFE ORALIA ACUÑA AND MY PARENTS, MR. RAUL AND MARIA ELENA CASAS, ARE SOME OF THE 900 CUSTOMERS THAT MEALS ON WHEELS SERVES DAILY IN ODESSA. THESE MEALS COME FROM THE ODESSA REGIONAL HOSPITAL, THANKS TO DIFFERENT PROGRAMS.

SCRAIG STOKER: WE RUN A PROGRAM THROUGH THE DEPARTMENT OF HEALTH AND HUMAN SERVICES, WHICH IS RUN BY THE STATE. THEY COVER A GOOD PORTION OF OUR CUSTOMERS, WE ALSO RECEIVE FUNDING THROUGH THE TEXAS DEPARTMENT OF AGRICULTURE. WE RECEIVED MONEY FROM THE CITY OF ODESSA. AND WE COLLECT THE REST.

PATSY: MEALS ON WHEELS, DELIVERS HOT, NUTRITIOUS MEALS TO PEOPLE OVER THE AGE OF 60. OR THE ELDERLY, PEOPLE WHO ARE CONFINED, OR DISABLED, WHO DO NOT HAVE A FAMILY, OR ARE UNABLE TO CARE FOR THEMSELVES. WHEN CRAIG STARTED IN THIS ORGANIZATION, THEY WERE

ONLY SERVING 450 PEOPLE A DAY. SO THEY HAD A REALLY LONG WAITING LIST, DOUBLING THAT NUMBER, TO ALMOST 1000.

CRAIG STOKER: WE WORK EVERY DAY WITH A NETWORK OF VOLUNTEERS, WE HAVE ABOUT 38 ROUTES THAT WE DO EVERY DAY, SO EVERY DAY AT LEAST 38 VOLUNTEERS COME. PEOPLE LOVE TO COME WITH FAMILY OR FRIENDS, SO USUALLY MORE THAN 38 PEOPLE COME TO HELP US.

PRE-RECORDED: TELL ME WHY THE HELP THAT THIS ORGANIZATION IS GIVING YOU HAS BEEN IMPORTANT? MY DAD: BECAUSE... WE CAN'T MAKE FOOD VERY WELL ANYMORE. AND HAPPY BECAUSE THEY ARE HELPING US TO BRING THE FOOD TO THE DOOR.

PRE-RECORDED MARIA E. CASAS: VERY GOOD, BECAUSE EVERYTHING THEY BRING US. ME: DO THEY BRING YOU CHICKEN, POTATOES, VEGETABLES, IF YOU EAT IT? NODS HAD TO SAY YES.

ORALIA ACUÑA: VEGETABLES AND MEAT AND RICE AND GREEN BEANS, ALL THOSE VEGETABLES, I ALL LIKE. AND I DON'T HAVE TO COOK NOW.

PATSY: AND ON BAD WEATHER DAYS OR HOLIDAYS, MEALS ON WHEELS DELIVERS BOXES FULL OF FOOD THAT CAN LAST UP TO FIVE DAYS PER PERSON. THERE ARE CANNED FOODS, CRACKERS, COOKIES, JUICE BOXES, AND POWDERED MILK.

CRAIG STOKER: WE KNOW THAT THE DAILY FOOD WE SERVE IS IMPORTANT. BUT WHAT'S REALLY IMPORTANT IS THAT WE LOOK OUT FOR OUR CUSTOMERS. WE HAVE A LOT OF CLIENTS WHOSE FAMILIES ARE GONE. WE HAVE CLIENTS WHO HAVE STOPPED LIVING WITH THEIR FAMILIES. WE ARE THE ONLY THING THEY HAVE LEFT.

DID YOU LIKE THAT A PERSON COMES AND VISITS YOU EVERY DAY? ARE YOU GLAD TO SEE SOMEONE KNOCK ON YOUR DOOR? MAMI: YES, OF COURSE.

BECAUSE? BECAUSE I'M ALONE, HERE I AM.

RAÚL CASAS: I'M VERY HAPPY BECAUSE THEY BRING US FOOD. ON MONDAY A LADY COMES, ANOTHER DAY ANOTHER LADY COMES. AND SOMETIMES A MAN COMES ON THURSDAY, HE TALKS TO ME ABOUT THE COWBOYS, HE SAYS, I'M GLAD HE'S COMING.

RICHARD ACUÑA: NO PAY, NOTHING. THEY ARE HAPPY ALL THE TIME. THEY COME AND TALK TO US AND ASK US HOW WE ARE AND IF WE NEED SOMETHING OR SOMETHING. IT'S A CONTACT EVERY DAY.

ORALIA ACUÑA: I'M THRILLED WITH ALL THE PEOPLE WHO COME. THAT THEY BRING US MEALS ON WHEELS. BECAUSE EVERYONE TALKS AND TELLS US HOW WE ARE. WHAT WE NEED.

PATSY: IT'S DEFINITELY A SHOW OF LOVE, AS THE VOLUNTEERS USE THEIR OWN VEHICLES AND THEIR OWN GAS. BUT ALWAYS WITH A SMILE ON THEIR FACES, EAGER TO SEE THAT DOOR OPEN. MEALS ON WHEELS ALWAYS WELCOMES NEW SMILING FACES.

CRAIG STOKER: WE ARE ALWAYS IN NEED OF VOLUNTEERS, YOU CAN EXPECT TO SPEND ANYWHERE FROM 45 MINUTES TO AN HOUR.

PATSY: THEY PACK EVERYTHING IN BAGS. THEY USUALLY SERVE A HOT LUNCH EVERY DAY. VOLUNTEERS DO THIS WITH ROADMAPS TO LIMIT THEM SO THAT

THEY DON'T TAKE UP A LOT OF TIME.

CRAIG STOKER: ONE OF THE BIGGEST MISTAKES I MADE IN THIS WORLD WAS CHANGING ROUTES AND TAKING PEOPLE OFF THEIR USUAL VOLUNTEER ROUTE. AND THAT'S WHAT ANGERED PEOPLE THE MOST, BECAUSE THESE PEOPLE WHO ARE OUR CUSTOMERS REALLY BECOME OUR FAMILY.

PATSY OUT: THE GOAL IS TO PREVENT THEM FROM GOING TO AN OLD LADY. AND THEY DO THIS BY VISITING THEM EVERY DAY. THEY GET UP, THEY GET DRESSED, THEY GO TO THE DOOR EVERY DAY, THEY PREPARE TO RECEIVE THESE PEOPLE, THEY GIVE THEM A PURPOSE. THE DIFFERENCE MEALS ON WHEELS MAKES IN SOMEONE'S LIFE, AND NOW THEY HAVE A PURPOSE.... >

Were patsy casas letting us know, if you want to ask for help from a loved one or need it yourself. You can call meals on wheels at the phone number on the screen (432) 333-6451. Or if you want to volunteer? They can always use help.

Story Summary: It is confirmed that in the city of Odessa there will be a bass pro shops very soon for lovers of outdoor education. Our reporter melissa Brandi has more details of this new project in the city of Odessa. Bass pro shops today announced updated plans for a new destination retail store location to serve the Odessa and midland, Texas markets. I spoke with the mayor of the city of Odessa, and he explained to me how the idea of building it in the city of Odessa came about.

THE OPENING OF THE NEW BASS PRO SHOPS LOCATION WILL BE THE COMPANY'S 17TH IN THE GREAT STATE OF TEXAS AND WILL SERVE THE COMMUNITIES OF ODESSA AND MIDLAND, AS WELL AS THE WEST TEXAS PLAINS REGION. JAVIER JOVEN MAYOR OF THE CITY OF ODESSA

"We have the ability to be able to attract a store like this from Bass Pro Shop. That's just the beginning. So, the thing is the benefit, not just that. It's the whole area. On the other side of Pecos, on the other side of Midland, south of McKamey to Lubbock." THE NEW DESIGN WILL ALLOW THE COMPANY TO EXPAND THE PREVIOUSLY PLANNED 65,000-SQUARE-FOOT LOCATION INTO AN IMPRESSIVE 100,000-SQUARE-FOOT DESTINATION STORE, BUILDING ON ITS REPUTATION FOR SERVING THE STATE'S PASSIONATE SPORTSMEN WITH THE WIDEST SELECTION OF QUALITY PRODUCTS AT THE BEST PRICES, WHILE OFFERING EXPERT SERVICE, GENUINE AND KIND. JAVIER JOVEN "Let the investment come back and what we are, we are in profit and help the o counties of the two cities and the entire area."

ALTHOUGH BASS PRO SHOPS HAD ALREADY CONSIDERED OPENING A STORE IN MIDLAND, IT BELIEVES THAT THIS NEW DESTINATION NEAR ODESSA WILL ALLOW IT TO EXPAND THE EXPERIENCE AND ASSORTMENT FOR ITS CUSTOMERS, WHILE SERVING THE ENTIRE PERMIAN BASIN REGION. SEVERAL FACTORS THAT WERE TAKEN INTO ACCOUNT TO BUILD IT IN THE CITY OF ODESSA WERE BASED ON POPULATION STATISTICS, AGE AND ECONOMY. JAVIER JOVEN "They brought the people from Odessa. The area, the movement, the traffic, but it's also enough to grow." >

Bass pro shops is said to be located east of the city of Odessa near Cinergy. There is no fixed date for construction, but the city of Odessa will inform us later

Story Summary: In 2021 there were 786,000 patients with kidney failure, but fewer than 25,000 received a transplant that year. In 2022, the U.S. finally reached 25,000 kidney transplants in one year, but many are still waiting to receive a life-saving transplant... Today we will learn about the case of Iram Magallanes de midland, in Luis Carlos Mendoza's report organ donation gift of life!

A FEW DAYS AGO THE NATIONAL ORGAN DONOR DAY WAS COMMEMORATED AND TODAY I PRESENT THE STORY OF MR. IRAM MAGALLANES, WHO IS IN URGENT NEED OF A KIDNEY TRANSPLANT, AFTER BEING DIAGNOSED WITH THE KIDNEY DISEASE CALLED IGA NEPHROPATHY THAT HAS SERIOUSLY AFFECTED HIS HEALTH, IT IS THE LAST STAGE BEFORE ENTERING THE DIALYSIS PROCEDURE AS THE FINAL PART STAGE FOUR. TODAY I SPOKE WITH AMY, MR. MAGALLANES' WIFE AND MOTHER TO LEARN THE STORY, COME WITH ME.... IRAM'S LIFE WAS NORMAL, A MAN DEDICATED TO HIS WORK, HIS FAMILY, WHO ENJOYED RIDING HORSES AND ENJOYING EVERY DETAIL OF HIS EXISTENCE, AND SUDDENLY HIS LIFE TOOK AN UNEXPECTED TURN... (I WENT FOR A STOMACH ACHE AND I STAYED IN THE HOSPITAL FOR A WEEK AFTER THEY DIDN'T KNOW WHAT I HAD, AND WHEN THEY FOUND OUT I HAD, IT WAS THE GALLBLADDER AND SUDDENLY I WOKE UP AND IT WAS ALL SWOLLEN AND I WASN'T NORMAL BECAUSE I COULDN'T URINATE, MY KIDNEYS WERE OFF, THEY WERE DEHYDRATED, THEY WEREN'T WORKING. I WAS SCARED, DO YOU UNDERSTAND?THE FINAL DIAGNOSIS.... IGA NEPHROPATHY, STAGE FOUR, URGENT NEED FOR KIDNEY TRANSPLANT... HIS WIFE AMY TALKED ABOUT HOW THIS AFFECTED THE FAMILY AND WHAT THEY DID NEXT, (AMY MAGALLANES' WIFE... WE'VE CONSULTED A LOT OF DOCTORS, PEOPLE WE'VE LOOKED TO HELP US, EVEN NOW WE'RE VISITING A HOSPITAL IN SAN ANTONIO, METHODIST TRANSPLANT INSTITUTE, AND THEY'RE HELPING US, THEY PUT THEM ON THE TRANSPLANT LIST, BUT THE WAIT IS A LITTLE LONG. A WAIT SO LONG THAT JOSELINE DONOSO OF THE SOUTHWEST TRANSPLANT ALLIANCE, CORROBORATED IT WITH STATISTICS... (JOSELINE DONOSO, IN TEXAS CURRENTLY, ABOUT 10,000 PEOPLE ARE WAITING FOR A TRANSPLANT, OF WHICH MORE THAN 4,400 ARE HISPANIC, AND OF THOSE 3,843 NEED A KIDNEY. AMY TELLS US ABOUT HOW THIS HAS AFFECTED HER HUSBAND! YES HIS LIFE HAS CHANGED A LOT, HE WAS ALWAYS A VERY ACTIVE MAN, VERY HORSEBACK AND LATELY HE IS ALWAYS LOCKED UP, HE DOESN'T TALK MUCH, HE ALWAYS SPENDS HIS TIME ALONE AND SAD. FOR IRAM THEY ARE AN ACCUMULATION OF WORRIES ABOUT WHAT WILL HAPPEN TO HIS FAMILY, HOW HE WILL FULFILL HIS OBLIGATIONS! (IRAM) THE WORLD CAME CRASHING DOWN ON ME AS THEY SAY, WHY AND MY CHILDREN AND MY FAMILY, WHO'S GOING TO PAY FOR MY BILLS? I WANT TO LIVE, BUT I ALSO DON'T WANT SOMEONE TO

BE HURT FOR HELPING ME, BECAUSE WE ALL HAVE PEOPLE WHO HAVE DIED AND IF THEY CAN DONATE A KIDNEY TO ME I WOULD APPRECIATE IT VERY MUCH!

FOR AMY, THE WAIT HAS BEEN AGONIZING, BUT SHE DOES NOT LOSE FAITH THAT THE MIRACLE WILL HAPPEN. (AMY) IT'S BEEN EXASPERATING, I REMEMBER CLOSING MY EYES, AND I SAID... THERE'S GOING TO BE SOMEONE WHO CAN HELP US, AND WE'RE NOT GOING TO WAIT FOR EIGHT HUNDRED PEOPLE! IRAM'S MOTHER-IN-LAW, MRS. DELIA VAZQUEZ, ALSO HAS FAITH THAT HER SON-IN-LAW WILL RECEIVE THE GIFT OF LIFE, THE KIDNEY HE SO DESPERATELY NEEDS, (DELIA VAZQUEZ). MY SON-IN-LAW IS A BEAUTIFUL PERSON AND IT HURTS ME A LOT BECAUSE OF EVERYTHING THAT IS HAPPENING, BUT I TRUST IN GOD AND I KNOW THAT WITH THIS WE ARE GOING TO TOUCH THE HEARTS OF SEVERAL PEOPLE, THAT IF THEY KNOW OF A TRANSPLANT THROUGH ALL THIS LET US KNOW SO THAT THEY CAN PUT THAT KIDNEY THAT HE IS WAITING FOR SO MUCH AND THAT HE HAS A NORMAL LIFE TRUE AS HE WAS! THIS IS A CALL TO PEOPLE'S HEARTS AND CONSCIENCES... DONATING AN ORGAN IS A SECOND CHANCE AT LIFE. (JOSELINE DONOSO)... WELL, ORGAN DONATION IS IMPORTANT BECAUSE OF WHAT YOU LEAVE IN THIS WORLD, SINCE YOU GIVE THAT SECOND CHANCE AT LIFE TO THAT PERSON WHO NEEDS IT AND ALSO BECAUSE OF THE LEGACY, WHICH YOU LEAVE AS A DONOR THANKS TO THAT ACT OF GENEROSITY. MRS. MAGELLAN CONCLUDES WITH A PLEA TO THE COMMUNITY....

PLEASE FEEL A LITTLE BIT OF WHAT WE FEEL! AND IF THERE REALLY IS SOMEONE WHO CAN HELP, THEN LET THEM REALLY HELP. WHAT CAN BE DONE TO RAISE AWARENESS IN THE COMMUNITY ABOUT THE IMPORTANCE OF ORGAN DONATION?

(JOSLINE DONOSO) TRY TO GIVE MORE INFORMATION IN SPANISH SO THAT PEOPLE REALLY KNOW WHAT ORGAN DONATION IS, HOW IMPORTANT IT IS AND ABOVE ALL, FIGHT AGAINST THOSE MYTHS THAT UNFORTUNATELY TAKE HOLD WHEN WE DON'T KNOW THE IMPORTANCE OF ORGAN DONATION!

ALL PEOPLE ARE CONSIDERED POTENTIAL DONORS, THEIR AGE, ETHNICITY, RACE, RELIGION, OR HEALTH STATUS IN MOST CASES ARE NOT DETERMINING CONDITIONS... IN LIFE, A KIDNEY, PARTS OF THE LIVER, PARTS OF A LUNG, PARTS OF THE PANCREAS OR INTENSTINS, BONE MARROW, AMONG OTHERS, CAN BE DONATED, AND WITHOUT ANY NEGATIVE CONSEQUENCES FOR THE DONOR. (OUTRO) FRIENDS LIKE YOU HAVE SEEN MR. IRAM MAGALLANES WANTS TO IMPROVE HIS LIFE, NOT ONLY FOR HIMSELF, BUT FOR HIS CHILDREN AND HIS FAMILY, AND HE HAS ALL THE FAITH AND HOPE TO FIND THAT SAVING ANGEL WHO CAN DONATE A KIDNEY TO HIM, IF YOU THINK HE CAN HELP, YOU WANT TO HELP BY DONATING A KIDNEY, OR YOU KNOW SOMEONE OR HOW TO DO IT, WELL... I INVITE YOU TO REACH OUT TO THE PHONES THAT APPEAR ON THE SCREEN... FOR YOUR TELEMUNDO20 NEWSCAST, THIS WAS MY REPORT FROM THE CITY OF MIDLAND... I'M LUIS CARLOS MENDOZA.... >

ENRAGED IS HOW THE PARENTS OF THE UVALDE VICTIMS REACTED. AFTER HEARING THE DETAILS OF AN INDEPENDENT INVESTIGATION, THEY COULD NOT CONTAIN THEIR ANGER AND SADNESS AT DISAGREEING AND DEMANDED THAT ACTION BE TAKEN BY LOCAL LEADERS AND THE INVESTIGATOR PRESENT TO HOLD THE OFFICERS ACCOUNTABLE. "WHEN IS ENOUGH, ENOUGH, WHEN IS THE MONEY NOT WORTH MORE THAN OUR CHILDRENS LIFE. SAYING ENOUGH OF THE SUFFERING AND INJUSTICE THEY HAVE FACED FOR TWO YEARS. TODAY DURING THE SPECIAL SESSION OF THE COUNCIL. THE RETIRED DETECTIVE WHO CONDUCTED THE INVESTIGATION... HE REPORTED THAT THERE WERE INDEED SEVERAL FAILURES OF COMMUNICATION, TRAINING AND A LACK OF EQUIPMENT TO DEAL WITH AN ACTIVE SHOOTER SITUATION. HE RECOMMENDED BETTER TRAINING FOR OFFICERS, SHIELDS, AND EASY ACCESS TO CLASSROOMS. HOWEVER, HE NAMED SOME OF THE OFFICERS IN CHARGE THAT DAY AND DETERMINED THAT THEIR ACTIONS WERE NOT WRONG AND WERE DONE IN GOOD FAITH. HE ADDED THAT ONE OF THE DIFFICULTIES FOR THE OFFICERS TO RESPOND TO THE SITUATION WAS THE CONTROL OF THE CROWD PRESENT, REFERRING TO THE PARENTS WHO THAT DAY WERE LOOKING FOR ANSWERS ABOUT THEIR CHILDREN. ENRAGING THE FATHERS. TO THE POINT THAT MANY PREFERRED TO LEAVE THE BOARD. IT WAS A HECTIC MEETING IN WHICH THE PARENTS LEFT THE CIVIC CENTER UPSET AND AT THE SAME TIME SAD AFTER HEARING THE RESULTS OF THIS INDEPENDENT INVESTIGATION. AS THEY WERE HOPING TO HEAR THAT SOME OFFICER WAS GOING TO FACE CONSEQUENCES "FOR HIM TO SAY THAT THESE OFFICERS DID THE RIGHT THING, IS CRAP, ITS ALL CRAP." XAVIER LOPEZ'S MOTHER. I COULDN'T BELIEVE THE DETECTIVE JUSTIFIED THE OFFICERS' RESPONSE. "THEY WERE SCARED TO GET BULLETS YET OUR KIDS WERE GETTING SHOT AT OUR KIDS WERE GETTING

KILLED. THEIR LIFE DID NOT MATTER. ASSURING THAT THEIR JOB WAS TO SERVE AND PROTECT. AND THAT IF THEY HAD DONE SO, THEIR SON WOULD BE ALIVE TODAY. THE PARENTS APPROACHED THE DETECTIVE TELLING HIM THAT HIS INVESTIGATION SHOWED THEM THAT HE ONLY PROTECTED HIS SIBLINGS FROM THE LAW. WITHOUT DOING JUSTICE TO THE VICTIMS. BUT THEY ASSURED HIM THAT THIS IS WHY THEY WILL NEVER STOP FIGHTING. IN THE END, HOWEVER, SOMETHING HAPPENED THAT THE PARENTS DIDN'T EXPECT. SOME COUNCILLORS JOINED THE PARENTS' DISSATISFACTION AND ANGER AND EXPRESSED THAT THEY ALSO DID NOT AGREE WITH THE RESULTS OF THE INDEPENDENT INVESTIGATION.

Story Summary: In state news, the supreme court has extended a temporary freeze on enforcement of the s-b-4 immigration law. This law allows state police to detain and imprison people they believe have entered the country illegally. It went into effect on Wednesday last week but will now be suspended until Monday. Texas gov. Greg Abbott signed the law into law in December, raising concerns about rising racial profiling, detentions and deportation attempts by authorities. Latinos make up 40% of the Texas population. On March 4, the Biden administration and others filed an emergency request with the court, asking to block the law.

Story Summary: As you may recall, apart from these fires, 3 structure fires had already been reported in midland that have left many people homeless. That's why we are bringing you some tips from the fire department. Fire chief Justin bunch says that's why it's important to always pay attention to what's cooking in the kitchen. And he suggests having a mini fire extinguisher in the kitchen. If an unexpected fire breaks out. There are other ways to put out the flames. Put the lid on, remove it from the heat, and reduce the heat. Because once you remove one of the three elements of fire, whether it's heat or oxygen, the fire goes out. Bunch also recommends that you have your smoke detector checked annually. Also, talk to your family about establishing an evacuation plan in case of a fire.

Story Summary: In information from Odessa. As part of the city's water improvement plan, each resident will receive a new water meter, as current meters are at least 15 years old and do not read properly. In the event of a drought, the city said it's important to account for all the water that is used. By using modern ultrasonic technology, the new meters will be able to accurately measure the water used. Since current meters don't indicate as accurately, the city warns that

residents will see an increase in their bill. The nearly 44,000-metre replacement project should be completed by the end of 2025.

Story Summary: The supreme court's decision to extend the suspension of sb 4 until further notice lasted only hours. Since the supreme court on Tuesday allowed the temporary entry into force of SB-4 in Texas, this decision allows local and state police to arrest undocumented migrants. However, sb-4 has sharpened the conflict between the conservative government in Texas and the executive power in Washington over who has authority over immigration matters. Samantha Lugo tells us, about the national controversy, what generated the issue.

ON MONDAY, DEC. 18, GOV. GREG ABBOTT TRAVELED TO BROWNSVILLE TO SIGN SB-4 INTO LAW. 24 HOURS LATER AT THE WHITE HOUSE, PRESIDENT JOE BIDEN'S PRESS SECRETARY DESCRIBED THE NEW LAW AS FOLLOWS. SOT: KARINE JEAN-PIERRE, WHITE HOUSE SPOKESWOMAN (FROM VIDEO: WHITE HOUSE. THIS IS AN EXTREME LAW THAT WILL NOT AND DOES NOT MAKE THE COMMUNITIES IN TEXAS SAFER. IT JUST DOESN'T. AND I THINK TO ADD TO THAT IS THAT IS VERY MUCH IN LINE WITH WHAT REPUBLICANS LIKE TO DO OR TEND TO DO, WHICH IS DEMONIDZE IMMIGRANTS AND ALSO DEHUMANIZE IMMIGRANTS". "THIS IS AN EXTREME LAW THAT WILL NOT MAKE OR MAKE TEXAS COMMUNITIES SAFER. IT'S JUST NOT LIKE THAT. AND I THINK YOU HAVE TO ADD THAT IT'S VERY MUCH IN LINE WITH WHAT REPUBLICANS LIKE TO DO OR TEND TO DO, WHICH IS TO DEMONIZE IMMIGRANTS AND ALSO DEHUMANIZE THEM." AFTER THE SIGNING CEREMONY, GOVERNOR GREG ABBOTT WROTE ON THE SOCIAL NETWORK EQUIS THAT THE GOAL OF THE LAW WAS PRECISELY TO PROTECT HIS FELLOW COUNTRYMEN FROM WHAT HE DESCRIBED AS PRESIDENT BIDEN'S OPEN BORDER POLICIES, MENTIONING THAT IN THE 2022-2023 FISCAL YEAR ALONE, TWO AND A HALF MILLION UNDOCUMENTED IMMIGRANTS CROSSED THE BORDER. TODAY IN BROWNSVILLE, I SIGNED THREE NEW LAWS TO BETTER PROTECT TEXANS AND AMERICANS FROM BIDEN'S OPEN BORDER POLICIES. ILLEGAL ENTRY INTO TEXAS IS NOW A CRIME SUBJECT TO REMOVAL OR IMPRISONMENT. TEXAS WILL ALSO FUND NEW WALL CONSTRUCTION & INCREASE HUMAN SMUGGLING PENALTIES.... ABBOTT'S MOVE RECEIVED THE BACKING OF REPUBLICAN LAWMAKERS IN WASHINGTON. "THIS CRISIS CAN BE CONTROLLED BY JOE BIDEN. NOW HE CAN'T DO IT BECAUSE IF HE DOES IT NOW, THEN PEOPLE ARE GOING TO SAY, WELL, BECAUSE YOU DIDN'T DO IT THREE YEARS AGO." AMONG DEMOCRATS, THERE WERE THOSE WHO RECOGNIZED THE NEED TO OFFER SOLUTIONS AND NOT PUNISHMENTS." WHEN THERE ARE PEOPLE WHO ARE DYING OF HUNGER OR WITH THE AMOUNT OF VIOLENCE THAT WE

KNOW THERE IS IN SOME COUNTRIES, WE HAVE TO ESTABLISH A SYSTEM WHERE THOSE PEOPLE ARE LEGALLY PROTECTED BY COMING." WHILE AMONG THE INHABITANTS OF BORDER TOWNS, THE REACTION WAS MIXED. "WELL, RIGHT NOW IT'S MORE OR LESS A CRISIS BECAUSE IT'S ALREADY A LOT, IT'S A LOT OF PEOPLE WHO HAVE ENTERED." "I HAVE DACA, SO THAT'S WHAT PROTECTS ME BUT I WOULDN'T WANT THAT TO HAPPEN TO MY PARENTS, THEY'RE NOT FROM HERE."

While the fate of thousands of migrants depends on political decisions, the issue of immigration is once again becoming a kind of political piñata ahead of the November elections. We want to reiterate that today, Tuesday, March 19, SB-4 went back into force temporarily, but the law could once again be judicially blocked, and the case could thus return to the supreme court for a final ruling.
