III. OUTREACH INITIATIVES

The following outreach initiatives were completed by the SEU during the reporting period:

A. **Job Fairs**

1. January 25, 2023, a station representative with hiring authority attended the job fair at the Central Florida Fair Exposition Park in Orlando, Florida. Participation included staffing a booth, giving out information about careers in broadcasting and information about the stations, soliciting applications, and collecting resumes.
2. March 22, 2023, a station representative with hiring authority attended the job fair at the Central Florida Fair Exposition Park in Orlando, Florida. Participation included staffing a booth, giving out information about careers in broadcasting and information about the stations, soliciting applications, and collecting resumes.
3. July 12, 2023, a station representative with hiring authority attended the job fair at the Central Florida Fair Exposition Park in Orlando, Florida. Participation included staffing a booth, giving out information about careers in broadcasting and information about the stations, soliciting applications, and collecting resumes.
4. September 13, 2023, a station representative with hiring authority attended the job fair at the Central Florida Fair Exposition Park in Orlando, Florida. Participation included staffing a booth, giving out information about careers in broadcasting and information about the stations, soliciting applications, and collecting resumes.

B. **Management Training**

The Salem Vice President of Human Resources conducts monthly HR Network Training sessions via teleconference and PowerPoint presentations, which includes review of EEO policies and compliance. The SEU's Office Manager and Business Manager participate in these training sessions each month and then routinely communicate with the SEU's General Manager and other management team members to keep all employees apprised of the company and SEU's policy on equal employment.

C. **Sponsored Community Events for Broadcasting Opportunities:**

1. October 11, 2022, station employment unit sponsored an activity "Pastors Appreciation Event 2022" at Metro Life Church in Casselberry, Florida. A Station Representative with hiring authority, received resumes and provided information on broadcast opportunities to those in attendance. The station also promoted the event with on-air promo announcements aired, a posting on Facebook and Twitter, along with email blasts.

2. October 17, 2022, station employment unit sponsored an activity "Battleground Talkers Tour 2022" at Faith Assembly Church in Orlando, Florida. A Station Representative with hiring authority, received resumes and provided information on broadcast opportunities to those in attendance. The station also promoted the event with on-air promo announcements aired, a posting on Facebook and Twitter, along with email blasts.

3. April 10, 2023, station employment unit sponsored an activity "Pastors Master's 2023" at Heathrow Country Club in Heathrow, Florida. A Station Representative with hiring authority, received resumes and provided information on broadcast opportunities to those in attendance. The station also promoted the event with on-air promo announcements aired, a posting on Facebook and Twitter, along with email blasts.

4. May 6, 2023, station employment unit sponsored an activity "Freedom Expo 2023" at Seminole Harley-Davidson in Sanford, Florida. A Station Representative with hiring authority, received resumes and provided information on broadcast opportunities to those in attendance. The station also promoted the event with on-air promo announcements aired, a posting on Facebook and Twitter, along with email blasts.

D. Establish Training designed to enable station personnel to acquire skills for higher-level positions

1. October 4, 2022, Gabriel Casiano, part-time board-op was trained for additional responsibilities as an expert in putting together video production to expand his role to include both a video and audio producer.

E. Other Activities

1. July 18, 2023, Apopka High School Boosters visited the station. The Boosters were given a tour and station operation was explained including job opportunities in the cluster.
