This series offers viewers an up-close and personal look into the world of the modern American entrepreneur. As complicated as starting a business may seem, the goal is to demystify the process by sharing the real life experiences of average Americans who are taking control of their own destiny while creating jobs for others.

## CHILDREN

### **Bali**

Tuesdays 11:00 am – 11:30 am

Bali, a resolutely modern preschooler, lives a resolutely modern life in the big city. With a most un-stereotypical family, Bali faces the world inquisitively, sometimes shyly, never recklessly, and always enthusiastically. Both of Bali's parents work, and Bali's dad takes a very active role in handling the family's daily grind. The triumphs and concerns of Bali deal with many of today's social issues for children: nannies, divorce and little everyday traumas such as going back to

school and first sleepovers. Targeted to pre-schoolers, the animated series BALI features a painterly graphic style with bold colors, along with a strong musical score and original songs designed to encourage movement. Each half-hour episode focuses on a theme, including helping those in need, dealing with new experiences, asking for help, facing a challenge and following instructions.

### **Peep and The Big Wide World**

Mondays-Fridays 10:00 am – 10:30 am

Narrated by comedienne Joan Cusack, the Emmy Award-winning preschool science and math series tracks the adventures of Peep, a newly-hatched chicken; Chirp, a smart and sassy robin; and Quack, an irascible yet endearing duck. Each half-hour episode is filled with wonder, charm and humor, and contains two animated stories that highlight simple science and math concepts.

### **Robert and Ribert's Wonderworld**
