Instead of replacing the pipes with a new sewage system, the pipes will be recoded. This will help the cost be four times cheaper and can extend the lifespan of the pipes for 50 years.   |
| <b>Government</b> | NewsChannel 20 Sunrise | 11/29/2023 | 25 seconds | The Supreme Court is taking on a major case next week that could reshape the US tax code and cost the government hundreds of billions of dollars. In "Moore versus United States," Justices will weigh whether the fed can tax certain types of "unrealized" gains. These are things like stocks or bonds people own, but they haven't gotten direct access to the money it's worth. The court's definition of what counts as "realization" could push billions of taxable incomes out of the government's hands. |

| <b>Government</b> | NewsChannel 20 Sunrise | 12/12/2023 | 55 seconds | <p>There are bipartisan concerns about renewing the 'Foreign Intelligence Surveillance Act.' Section 702 of the law allows for collection of personal data without a warrant and the White House is lobbying against any reforms. The FBI director made his feelings clear on the issue, " The idea that we would let an indispensable tool like that lapse or frankly amended it in a way that gutted its effectiveness, in my view would be a grave mistake and I fear we would live to regret it.' The bill in question would require a warrant before making inquiries on foreign subjects and ban officials from buying personal data online.</p> |
