

WBRY PROGRAMMING OVERVIEW

March 2021

WBRY writes and produces area and local newscasts every broadcast day.

On a daily basis our news writers attend and report meetings of the Town of Woodbury Mayor and Board of Alderman, The Cannon County Commission, Cannon County Board of Education and special meetings.

The station monitors activities of the Woodbury Police Department and the Cannon County Sheriff's Department. Activities of the county grand jury is also monitored and reported.

Elected officials in city and county government are always offered airtime to review and explain the work of local government. Members of the state House of Representatives and State Senate have standing invitations to give updates on their work.

WBRY air weather reports and weather advisories twice each hour.

Newscasts air seven times each day at 6:03am, 7:00am, 8:03am, 11:04am 12:03pm, 4:03pm and 5:03pm

National and International News is provided by ABC News and airs once an hour.

COVID-19 is changing how our listeners are able to work and interact, the information is being addressed on a daily basis.

Content of our programming is changing for the safety of our coverage area.

We recently re-formatted the way local public service announcements were presented and increased our coverage of this service over two-hundred percent.
