This is a great, comprehensive list. Just a few things I will add:

- She assisted with filming b-roll footage in both Louisiana Spotlight and last week at a legislative hearing
- She ran teleprompter for us during the Governor's Debate and also assisted with the coordinating
- She has run teleprompter for us during SWI (The State We're In)
- She produced and reported two of her own news packages and went on-air with the anchors as a reporter
