Docs on Call

(Health Care)

Mondays, 6-7PM, 60 minutes

Medford, Oregon is the medical hub of Southern Oregon and Northern California. Two or three doctors come to our studios every Monday night to take live call-ins from 6-7pm. These calls are private. We initiated this program so that those who are too poor or too frightened to seek medical care in-person might do so from the comfort of their own homes. Many times "our" doctors have spent time on the phone convincing callers to get to a doctor who can help them. The program airs from September through the last Monday in May prior to Memorial Day.

Focus on Health

(Health Care)

Mondays, 5 PM

Doctor Robin Miller joins our team on the news set and answers topical questions for the day. She also answers appropriate email questions that she receives.

Your Place, Your Money

(Economy)

Wednesdays, 7 PM

We feature experts in consumer affairs to provide tips that anyone can use to better their financial situation.

Stay Safe Oregon

Throughout the quarter, KOBI-TV NBC5 has worked to create awareness of this epidemic and provide resources to communities across our region with a campaign titled Stay Safe Oregon. The effort is designed to educate our viewers about the dangers of prescription drug and heroin abuse, drive down opioid use in our region and encourage treatment. We provide targeted on-air Public Service Announcement campaigns to maximize OPG's message, as well as broadcast (TV and radio), digital, print, and social media platforms to enhance the availability of the campaign message.

Your Place, Our Kids

Your Place Our Kids will be a one year partnership formed by Southern Oregon leading broadcaster KOBI – TV / NBC 5 in conjunction with the Oregon Community Foundation.

Your Place Our Kids is a campaign that believes that early learning programs ensure high-quality experiences for young children from birth to kindergarten. Utilizing on-air messaging, news stories, social media platforms and public speaking opportunities, KOBI – TV / NBC 5 and its partner will provide a daily campaign that reinforces the importance of investing in our future, especially, in Southern Oregon and Northern California.
