## **1. News Franchises**

### **Better Health**

**(Health Care)**

**Mondays, 6:30 AM**

Every Monday a representative from Asante joins NBC5 for a discussion on a different health related topic. This interview style news segment covers a wide range of information from breast cancer statistics to health tips on school lunches.

### **Pet Talk**

**(Education)**

**Wednesdays, 5:30 AM**

We feature current pets up for adoption in Jackson County by welcoming a pet and a representative from the Southern Oregon Humane Society each week for a discussion. This news segment deals with pet care issues of all types: choosing and caring for pets, spaying, neutering, etc.

### **Pump Patrol**

**(Economy)**

**Monday-Friday 5:30 AM and 6:30AM**

Best price for gas in Southern Oregon and Northern California.

### **Docs on Call**

**(Health Care)**

**Mondays, 6-7PM, 60 minutes**

Medford, Oregon is the medical hub of Southern Oregon and Northern California. Two or three doctors come to our studios every Monday night to take live call-ins from 6-7pm. These calls are private. We initiated this program so that those who are too poor or too frightened to seek medical care in-person might do so from the comfort of their own homes. Many times "our" doctors have spent time on the phone convincing callers to get to a doctor who can help them. The program airs from September through the last Monday in May prior to Memorial Day.

### **Focus on Health**

**(Health Care)**

**Mondays, 5 PM**

Doctor Robin Miller joins our team on the news set and answers topical questions for the day. She also answers appropriate email questions that she receives.

### **Your Place, Your Money**

**(Economy)**

**Wednesdays, 7 PM**

We feature experts in consumer affairs to provide tips that anyone can use to better their financial situation.

## **2. Locally Produced Programming & Community Partnerships**

### **Know Your Role**

Know Your Role is a one year alliance formed by Southern Oregon broadcaster KOB-TV/NBC5 in conjunction with Southern Oregon Sports Commission. The mission of Know Your Role is to improve the culture of youth sports in our region

and create a healthy and positive experience for kids, parents and the community.  
(KOB1 328 spots / MOB1 128 spots)

### **HOPE**

Southern Oregon's leading broadcaster, KOB1-TV/NBC5, will work with Rogue Retreat and AllCare Health to bring compelling news stories and Public Service Announcements providing information about poverty and homelessness in our communities. The goal of the 30 week on-air and web campaign will be to educate and inform people in our community about support programs that help those individuals that are in poverty and / or homeless.

(KOB1 759 spots / MOB1 1,238 spots)

### **3. In-Depth Local News**

#### **Bullying at Medford Elementary School**

Three parts

Reporter: Amanda Rose

TRT: 13:18

NBC5 Air Dates: May 21-23 at 6pm & 11pm

A mother tells NBC5 News her 6<sup>th</sup> grade daughter was mercilessly bullied at a local school. Public records show she reported it many times, but she claims not enough was done. Even after a school district investigation found her daughter was being bullied... it didn't stop. Find out what this mother had to do when she said her daughter's cries for help were ignored.

#### **Mt. Shasta Search & Rescue**

One Part

Reporter: Amanda Rose

TRT 4:27

NBC5 Air Date: June 4 at 6pm & 11pm

What's it like to save lives on Mt. Shasta? NBC5's Amanda Rose takes us behind the scenes as elite first responders prepare for the busy summer hiking season on Mt. Shasta.

**In addition to the usual treatment of daily news, we host an in depth feature interview segment of 5-8 minutes with one or more guests, Monday through Friday, during the 5pm show.**

***Get Wild*** is a weekly half-hour reality series featuring wild animals at the world famous San Diego Zoo. The series provides key information about each creature and teen viewers learn about their living habitats and unique behaviors. For example, in one episode viewers learn how experts studying adult orangutans learn the ways they raise their young. Another episode highlights the Panda bear and explains the animals living patterns. *Get Wild* is a series intended to educate and inform viewers all about life in the animal kingdom.

***SWAP TV*** is a weekly half-hour television series about two teenagers from different backgrounds swapping lives for a weekend. The series meets the educational and informational objectives of the FCC's Children's Programming requirements for children ages 13-16. The programs explore the opposite lives of the participating youngsters as they learn about different cultures and family settings. Young viewers are exposed to the special interests of the swapping youngsters and what adjustments they make to a different life situation. The program teaches tolerance of various races, creeds and backgrounds while exposing an appreciation to someone else's way of life. Each episode is informative, entertaining and promotes good social values and respect. *SWAP TV* is closed-captioned for the hearing impaired and displays the E/I icon throughout the broadcast.

***Animal Rescue: Family Edition*** is a weekly half-hour reality series showcasing spectacular rescues of all types of animals and focusing on families doing their best to care for and protect pets. The series highlights the dedicated and loving families around the world who help sick, injured or abused animals. Each episode also instructs children on the proper care of animals and provides safety tips on how to care for all kinds of creatures in the animal kingdom. The show is aimed at children and their families who want to learn about animal treatment, care and protection.

***Wild World*** is a weekly half-hour reality series showcasing all types of wild animals at the world famous San Diego Zoo. The series focuses on the dedicated people who care for these unique critters. The program also informs teen viewers about the living environments and key facts about each wild animal. Episodes also include stories on zoo enrichment programs that help animals initiate natural behavior. Whether it is following the life cycles of rhinoceros or understanding the eating habits of grizzly bears, *Wild World* is a series intended to educate and inform viewers all about life in the animal kingdom.

***Eco Company Teens*** explores all aspects of being green and understanding how our actions impact the world. Young viewers learn about alternative energies by visiting wind farms and solar installations and discovering new energy technologies currently under development. They also learn more about recycling, conservation and organics. The E-Team profiles teenagers and school organizations who have

taken it upon themselves to make a difference, young entrepreneurs who are taking their passion for green to develop ideas, and new products for a sustainable future.

***Missing: Unsolved Cases*** is a weekly half-hour educational/informational series focusing on actual unsolved cases of missing persons. The series, which is appropriate for family viewing and children ages 13-16 in particular, provides information and descriptions of missing children, including endangered, runaways as well as victims of abductions. The show also presents teenage peer-to-peer advice on safety in public places and in cyber space, including real-world examples of how to avoid potentially dangerous situations. The program emphasizes taking active responsibility for personal safety and promotes situational awareness, presented in a calm and non-threatening manner suited for teenagers.
