## FAMILY TALK

**Protecting Your Child in a Dark Culture - Part 1 - JULY 01, 2021** - When Rebecca Hagelin took her 13-year-old daughter, Kristen, for a sports physical, the female pediatrician insisted that she have a private chat with the youngster. Rebecca, the author of *30 Ways in 30 Days to Strengthen Your Family*, was matter of fact, declaring, "She's a minor. I'm her mother, and I'm staying!" When the doctor told Kristen, just "do what's comfortable for you" sexually, Rebecca explained that her daughter understood that sex is only for marriage. The lesson? God gave your kids to you, Mom and Dad. Never give away your authority!

**Overcoming Alcoholism - JULY 28, 2021** - Many people struggle with alcohol and other addictions, but very few actually receive any form of treatment. Bob and Pauline Bartosch, authors of *Overcomers Outreach: Bridge to Recovery*, reveal to Dr. James Dobson that Bob was dependent on alcohol and Pauline relied on valium. Ultimately, both found hope and healing in the Lord, as well as support communities in Alcoholics Anonymous and Al-Anon. Out of their experience, they founded Overcomers Outreach, a Christ-centered addiction support group.

**Abortion Monster: The Trial of Kermit Gosnell - AUGUST 11, 2021** - For 30 years, convicted murderer Kermit Gosnell operated as a licensed doctor and abortion provider, running a clinic in West Philadelphia that was nothing short of a house of horrors. On today's edition of Family Talk, Dr. James Dobson sits down with filmmakers Ann McElhinney and Phelim McAleer, the couple behind the 2017 movie entitled *Gosnell: The Trial of America's Biggest Serial Killer*. They discuss the heart behind the film and the impact it is making in our society. Not surprisingly, the mainstream media refused to report on the Gosnell investigation at the time.

**Gambling in America: A Growing Crisis of Greed, Addiction, and Loss - Part 1 - AUGUST 16, 2021**

Ten million Americans are crippled by their gambling addiction. Whether they waste their money in the casinos, on lottery tickets, or with online sports betting, it's a social cancer that is rapidly spreading to the next generation. On today's edition of Family Talk, Dr. James Dobson sits down with Kristen Haflett, a licensed social worker who specializes in gambling addictions. They are joined by Ryan Dobson, Dr. Dobson's son, who adds his insight on addiction and families in peril. Together, they examine how this \$255-billion-per-year industry preys upon the least fortunate by exploiting one of man's most common sins, the love of money.

## **Gambling in America: A Growing Crisis of Greed, Addiction, and Loss - Part 2 - AUGUST 17, 2021**

People who delve into gambling sometimes find it's a seductive path fraught with greed and compulsion. Those same people often struggle with depression or anxiety. In turn, alcohol and drug use can manifest with the gambler as a form of coping. On today's edition of Family Talk, Dr. James Dobson talks with Kristen Haflett, a licensed clinical social worker who specializes in gambling addictions. They discuss how 87% of gambling addicts who seek recovery can "fall off the wagon." While the odds are against them, with God, recovery is possible.

## **The Significance of the Texas Heartbeat Law - Part 1 - SEPTEMBER 15, 2021**

In the late hours of September 1st, 2021, the U.S. Supreme Court refused to block the Texas Heartbeat Law, legislation that prohibits abortion after a heartbeat is detected. On today's edition of Family Talk, Dr. James Dobson and Janet Porter, founder of Faith2Action, examine this historic moment and consider what it means for the future.

**The Significance of the Texas Heartbeat Law - Part 2 - SEPTEMBER 16, 2021** - Psalm 139: 13-14 reads, "For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made." On today's edition of Family Talk, Dr. James Dobson and Janet Porter, founder of Faith2Action, continue discussing the new Texas Heartbeat Law and what it means for the pro-life movement. Porter's firm belief is that if a heartbeat is detected, the baby should be protected. Thanks to the recent passage of the law, once cardiac activity is detected in a pre-born child, abortion is now prohibited in the state of Texas.

Despite the fact that President Joe Biden has signed pro-abortion executive orders, God has been moving through the passage of "Heartbeat Bills" in 10 states (If a heartbeat is detected, the baby is protected against being aborted). On this edition of Family Talk, guest Janet Porter, author of *A Heartbeat Away*, says "what was once impossible is now inevitable! We are going to end abortion." She believes that God will use the Heartbeat law to eventually overturn *Roe v. Wade*, thanks in part to President Trump's three pro-life Supreme Court appointees.

**July 26th 2021 - [In His Image](#) - With special guest M.D. Perkins | A ten part series - Made in God's image. The Bible talks about this concept, but what does it mean? ## FAMILY TALK

**Protecting Your Child in a Dark Culture - Part 1 - JULY 01, 2021** - When Rebecca Hagelin took her 13-year-old daughter, Kristen, for a sports physical, the female pediatrician insisted that she have a private chat with the youngster. Rebecca, the author of *30 Ways in 30 Days to Strengthen Your Family*, was matter of fact, declaring, "She's a minor. I'm her mother, and I'm staying!" When the doctor told Kristen, just "do what's comfortable for you" sexually, Rebecca explained that her daughter understood that sex is only for marriage. The lesson? God gave your kids to you, Mom and Dad. Never give away your authority!

**Protecting Your Child in a Dark Culture - Part 2 - JULY 02, 2021** - Today, like never before, Christian parents are battling the culture over competing worldviews. And the ultimate prize in this battle is our children! That's why Rebecca Hagelin wrote *30 Ways in 30 Days to Strengthen Your Family*. Sadly, 90% of kids who go online will at some point view pornography, and a recent report has revealed that 20% of teens are sending nude photos by text. Rebecca says it's time to practice "deliberate parenting." God wants you to protect your kids' innocence and empower them to make wise, righteous choices.

**Moms Raising Sons to Be Men - Part 1 - JULY 07, 2021** - On today's edition of Dr. James Dobson's Family Talk, Rhonda Stoppe, author of *Moms Raising Sons to Be Men*, warns "it is possible for a mother to deny a boy his manhood as he grows up." And if she does, Stoppe says he'll become a mama's boy, and will still be sitting on the couch when he's 40 years old. Especially as a boy enters puberty, he needs to answer to his father, or, if a dad is not in the picture, then a godly man who will affirm him in his masculinity.

**Children: A Heritage from the Lord - JULY 19, 2021** - Psalm 127:3 says, "Children are a heritage from the Lord." But Dr. Michael Youssef, founder of Leading the Way Ministries, insists that verse 1 provides essential context: "Unless the Lord builds the house, the builders labor in vain." When God is at the center of the family, He will grow, bless, guide, and protect it. Seek always His direction and your children are likely to emulate you into their adult years.

**Living with the Strong-Willed Child - Part 1 - AUGUST 03, 2021** - Contrary to the misguided worldly wisdom that claims each child is born as a blank slate, Dr. James Dobson contends that God gives every boy and girl a unique personality. Some children have enough defiance to equal 10 of their peers. On today's edition of Family Talk, Dr. Dobson, author of *The New Strong-Willed Child*, talks to a panel of three formerly exhausted mothers who struggled with their strong-willed children. While they each administered a healthy dose of love, discipline, and prayer, the Lord rewarded their patience and tears with well-adjusted adult children.

**I Can't Believe You Just Said That! Biblical Wisdom for Taming Your Child's Tongue - Part 2 - AUGUST 27, 2021** - On today's edition of Family Talk, Ginger Hubbard, author of *I Can't Believe You Just Said That!*, continues her conversation with Dr. Tim Clinton. Ginger offers a 3-step plan for parenting and discipline. First, ask your child heart-probing questions to identify his or her "old self." Second, discourage that behavior. And third, urge him or her to honor God by "putting on" the right behavior. Consider Ephesians 4:22-24, "Put off your old self, which is being corrupted by its deceitful desires; and put on the new self, created to be like God in true righteousness and holiness."

**Grandparenting Teens: Leaving a Legacy of Hope - Part 1 - SEPTEMBER 09, 2021** - If you're a grandparent, your primary focus should not be what you leave in your grandchildren's bank accounts, but rather, what you have deposited in their hearts. On today's edition of Family Talk, Dr. Tim Clinton sits down with Mark Gregston to talk about his new book, *Grandparenting Teens: Leaving a Legacy of Hope*. Mark explains that grandparents can and should be one of the greatest resources for providing stability and Christian discipleship in a teenager's life.

**Grandparenting Teens: Leaving a Legacy of Hope - Part 2 - SEPTEMBER 10, 2021** - When grandchildren

become teenagers, grandparents have a tendency to disengage, no matter how close they were with their grandchildren beforehand. On today's edition of Family Talk, Mark Gregston, author of *Grandparenting Teens: Leaving a Legacy of Hope*, encourages grandparents to do the opposite, saying this is the time for them to press in, not check out. Rather than being concerned about what's coming out of their teenage grandchild's mouth, they should be listening to his or her heart.
