WJRR donated 3 pair of Earthday Birthday concert tickets to the Bradley Summersill Foundation

Hello! I am a board member with the Bradley Summersill Foundation. We are a 501c3 nonprofit organization that was started in 2010 when we lost Bradley Summersill, who was 18, and Brian Walker, who was 22, to a drunk driver. We started this all because we know how expensive funeral costs can be and we wanted to be able to turn such a tragic event into something with meaning. The Bradley Summersill foundation pays for headstones for family's who have lost a child under the age of 24 and can not afford one. We do a annual poker run event to raise money, its one of our biggest fundraisers. Our event is fast approaching on February 28th,2015. We are currently looking for donations for raffle items, sponsorships, and just to get our name out more in the community. All donations are a tax write off due to the fact we are a 501c3 organization.
