Section I
LOCAL PROGRAMMING

Section I lists regularly-scheduled and special programs that represent the station's issue-responsive programming providing the most significant treatment of the issues listed above for the calendar quarter.

ISSUE	PROGRAM/ TITLE	DESCRIPTION	GUEST	DATE/TIME	DURATION
-------	-------------------	-------------	-------	-----------	----------

<p>American History</p>	<p>Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news out of Florida this week. - 10 minutes</p> <p>W/Hazeltrove: Hazeltrove gives his background as a historian and the books he's written so far on American history. He then reacts to the protests over historical figures who owned slaves and the push to tear down their monuments and erase their history. He believes it is important to look at them in the context of the time period they lived in. Also explains what inspired him to write about American history in the first place. He says it's vital to learn history so we can better understand the world we live in today. 30 minutes</p> <p>W/Hazeltrove: Hazeltrove talks about his latest American history book called "Henry Knox's Noble Train". He explains the history of Henry Knox and how he became a hero during the American revolution. Talks about Henry was just a small bookstore owner who would get an idea that would help the Continental Army during a vital time in the war. Also discusses how the Continental Army was so unprepared in the beginning to fight the British Army. 10 minutes</p> <p>W/Hazeltrove: Hazeltrove continues his conversation about his new book on the American Revolution. His book lays out the story on how Henry Knox was able to get important artillery weapons to George Washington's Army at a crucial time during the American Revolutionary War. He also discusses how the current division that exist in the country today go back to the early last century. 10 minutes</p>	<p>William Hazeltrove: American Historian</p>	<p>Jul 4-5, 2020</p>	<p>60 minutes</p>
--------------------------------	----------------------------------	--	--	-----------------------------	--------------------------

<p>Florida Hurricane Preparation</p>	<p>Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news out of Florida this week. - 10 minutes</p> <p>W/Lehmann: Roger talks about his experience as an insurance expert and what he currently does for the R Street Institute. He then talks about the important of getting flood insurance, especially before hurricane season. He believes almost everyone in Florida should have it. He also talks about how many insurance providers offer flood insurance and that private flood insurance is growing. Also talks about how the federal flood insurance program is not sustainable. 30 minutes</p> <p>W/Lehmann: Roger continues to discuss why the country should move to private flood insurance only and get rid of the federal flood insurance program. He also talks about how we got to the point of needing more private flood insurance and reforms needed to promote private over public flood insurance. He then discusses why insurance rates kept rising and how that can change in the future. He also gives advice on how to prepare your insurance papers before hurricane season. 10 minutes</p> <p>W/Lehmann: Roger discusses the effects of climate change on the state of Florida and how to address it in the future. He believes climate change will cause major flooding problems in the state of Florida if it is not addressed. He also said that climate change will cause major economic damage in the US. Roger also discussed why he believes we need a carbon tax and how it would work in Florida. 10 minutes</p>	<p>Roger Lehmann: Florida Insurance Expert</p>	<p>July 11-12, 2020</p>	<p>60 minutes</p>
---	----------------------------------	---	---	--------------------------------	--------------------------

<p>Cornavirus Information</p>	<p>Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news out of Florida this week. - 10 minutes</p> <p>W/Gibbons: Karl discusses his experience as an economic expert and his current work with Third Eye Management. He then believes more of the country will shut down because of the coronavirus. He says there is no quick fix and we will have to deal with the virus for several months. He then talks about how many jobs in the hospitality industry will be lost because of the pandemic no matter what steps are taken. He also thinks this will speed up the death of many of the major retailers across the country. He believes that small businesses will be better able to adapt to the changes in the market. 30 minutes</p> <p>W/Gibbons: Karl discusses how some of the economy is turning into a barter economy because of the pandemic and the internet. Karl then talks about why raising the minimum wage in the middle of a pandemic is not a good idea. He also says that many of the major retail chains will either go away or change in how they do business, not only because of the pandemic, but also because of the internet. 10 minutes</p> <p>W/Marlow: Ian discusses his background in technology and what he is working on right now. He then talks about how people are still learning how to use video conference and other apps while they are working at home and why that can create problems. He gives some steps that people need to take when they use an online platform while working at home. He believes there are some commonsense steps people can take to prevent problems while working at home. He says it's all about training yourself in the new process of working at home. 10 minutes</p>	<p>Karl Gibbons: Economist</p> <p>Ian Marlow: Tech Expert</p>	<p>July 18-19, 2020</p>	<p>60 minutes</p>
--------------------------------------	----------------------------------	--	---	--------------------------------	--------------------------

<p>Florida Environmental Policy</p>	<p>Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news in Florida 10 minutes</p> <p>W/Lindquist: Gives his background and how he got involved with the American Conservation Coalition. He also discusses what the organization does to help the environment. He then talks about the environmental threats to Florida and the people in the state in the future. He talks about some free market solutions to solving environmental issues in the state. It involves new technologies, spending on new infrastructure, and govt policy. He also discusses why many young conservatives are involved in environmental issues. 30 minutes</p> <p>W/Lindquist: He discusses why the Green New Deal is not a good solution to climate change and environmental issues. Thinks it gives the government too much control and infringes on private innovation. He thinks that the energy sector is leading the way in some private innovation to help lower CO2 emissions. Also talks about the importance of new flood infrastructure and new sea walls. 10 minutes</p> <p>W/Lindquist: He discusses why it is important to preserve and restore the natural habitats in the state of Florida including the Everglades. He talks about how some of the natural habitat has been abused in the state. Talks about what citizens can do to get involved and help protect Florida's environment. 10 minutes</p>	<p>Nick Lindquist: National Policy Director of the American Conservation Coalition</p>	<p>July 25-26, 2020</p>	<p>60 minutes</p>
--	----------------------------------	--	---	--------------------------------	--------------------------

<p>Blood Donation</p>	<p>Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news out of Florida this week. - 10 minutes</p> <p>W/Forbes: Susan discusses how her organization is working to collect blood and plasma donations. She explains how they are looking for plasma donations from those who have already had the virus because some doctors are now using that plasma as a treatment for COVID-19. She explains how a plasma donation works and why it is safe. She also talks about what information someone needs to provide before they donate plasma. 30 minutes</p> <p>W/Forbes: Susan discusses how many of the blood drives around the country have been cancelled because of the pandemic and how that made some concerned of a possible blood shortage. She talks about current blood drives going on and how you can find out where to donate blood. She also explains how they keep donators safe during the procedure from catching or spreading the virus. 10 minutes</p> <p>W/Forbes: Susan discusses how your business or organization can become a partner with One Blood to help put together a blood drive. She also talks about why blood donations are important any time, even when there is not a pandemic. Susan also encourages people to make it a habit to donate blood because it can be rewarding to know you are helping those in need. 10 minutes</p>	<p>Susan Forbes: Communications Director for OneBlood</p>	<p>August 1-2, 2020</p>	<p>60 minutes</p>
------------------------------	----------------------------------	--	--	--------------------------------	--------------------------

<p>Economic and Coronavirus</p>	<p>Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news out of Florida this week. - 10 minutes</p> <p>W/Flanagan: Shaun talks about his background and what he does at the Legatum institute. He then discusses their prosperity index and how they come up with analysis. He also discusses how the prosperity index for the US shows concerns because of the pandemic. He explains how they determine an economic outlook of a country and what can be done to help the economy. 30 minutes</p> <p>W/Flanagan: He discusses how social problems can have a negative effect on the economy and why the pandemic and the social unrest could have a negative effect on economic growth in the US. He explains how the pandemic not only effects the economy because of the virus itself, but also how the shutdowns taking away personal freedoms can negatively affect the prosperity of a country. He also talks about how different states have been affected by the pandemic. 10 minutes</p> <p>W/Flanagan: Shaun discusses how the state of Florida looks in the prosperity index and why. He talks about why Florida has moved up in the rankings, but still needs work when it comes to social structures. He also talks about how Florida’s education system ranks compared to other states in the US. 10 minutes</p>	<p>Shaun Flanagan: Director of the Centre for Metrics at the Legatum Institute</p>	<p>August 8-9, 2020</p>	<p>60 minutes</p>
--	----------------------------------	---	---	--------------------------------	--------------------------

<p>Politics</p>	<p>Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news out of Florida this week. - 10 minutes</p> <p>W/Gonzalez: Mike discusses his background and what he currently does for the Heritage foundation. He then talks about why he wrote his new book “The Plot to Change America”. He believes that identity politics is destroying America as we know it because it makes people feel like victims of the system when they are not. He talks about how certain groups have used race for decades to divide the country in order to change the country. He believes this has been taught from many different areas including academia. 30 minutes</p> <p>W/Gonzales: Mike continues to discuss his book “The Plot to Change America”. He talks about how the “Black Live Matter” movement got started and why the organization is about more than just fighting against police brutality. He also explains how the BLM organization is a Marxist organization that in reality wants to change America into a more communist country. He also talks about how his family is originally from Cuba and how that taught him to love his country and hate identity politics. 10 minutes</p> <p>W/Gonzales: Mike discusses how identity politics has been pushed in American Universities by Marxist groups and professors. He also talks about how to fight back against identity politics and other movements that seek to destroy the country as it is known today. He believes people can be shown the greatness of America and come to love the country again. 10 minutes</p>	<p>Mike Gonzalez: Fellow at The Heritage Foundation</p>	<p>August 15-16, 2020</p>	<p>60 minutes</p>
------------------------	----------------------------------	---	--	----------------------------------	--------------------------

<p>Politics</p>	<p>Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news out of Florida this week. - 10 minutes</p> <p>W/Deutch: Congressman Deutch talks about the Democratic National Convention and why he believes it has been a success. He also talks about why he believes Joe Biden would make a much better President than Donald Trump. He says Trump has failed the country during the pandemic and Biden will help get the country back on track. He also believes Biden has a good chance to win Florida because minorities and elderly will want to vote for him. He also says Biden can help heal the divisions in the country and grow the economy again. 30 minutes</p> <p>W/Hyden: Marc talks about his roll with the R Street institute. He discusses why during the pandemic there should be an expansion of mail in voting. He also thinks there is a way to make in person voting safer. He also talks about why he disagrees with Trump on mail in voting and points out that it has already worked in several states without any issues. He believes voter fraud will not be an issue because of this right now. 10 minutes</p> <p>W/Hyden: He discusses why mail in voting is partisan neutral, meaning it does not help one party over the other. He gives examples on how it has helped Republicans in the past. He also says that the US Postal Service should be able to handle the load of extra mail in ballots because it is still a small number compared to all the other types of mail, they handle every day. 10 minutes</p>	<p>Florida Congressman Ted Deutch</p> <p>Marc Hyden, Director, State Government Affairs at R Street Institute</p>	<p>August 22-23, 2020</p>	<p>60 minutes</p>
------------------------	----------------------------------	---	---	----------------------------------	--------------------------

<p>Hurricane Preparation</p>	<p>Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news out of Florida this week. - 10 minutes</p> <p>W/Salmons: Holly gives her background and explains what the BBB does for the business community. She then goes over some tips on how to prepare now before a major storm could possibly hit your area. She says you should make a list of all the providers you might need and do your homework on them now instead of after the fact. This is true for consumers and businesses. She also explains what steps you should take during a storm if you are a business owner. She says it is important to have all that information ready ahead of time. 30 minutes</p> <p>W/Salmons: Holly talks about what steps you need to take to prevent getting scammed during the aftermath of a storm. She says it's important to check the background of a business before you use them for any repairs. She also explains how the BBB gives you tools to find out what businesses are reliable when it comes to home repairs or anything else you might need after a storm. 10 minutes</p> <p>W/Salmons: Holly discusses certain scams to avoid right now because of the coronavirus pandemic. One scam to avoid right now are contract tracer scams. If they ask you for your social security number, it is most likely a scam. She talks about why it is important for businesses to communicate to customers what steps are being taken during a storm or during the pandemic. 10 minutes</p>	<p>Holly Salmons: President of the Better Business Bureau of Central Florida</p>	<p>August 29-30, 2020</p>	<p>60 minutes</p>
-------------------------------------	----------------------------------	---	---	----------------------------------	--------------------------

<p style="text-align: center;">Suicide Prevention Month</p> <p>Disability Help</p>	<p style="text-align: center;">Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news out of Florida this week. - 10 minutes - W/Guevara-Ruiz: Manuel discusses what he does for the Crisis Center of Tampa Bay. He gives his background as a veteran and how he now works for the Veterans Support Line. The lines are available for veterans who need help. He explains how they connect veterans to resources to get the help they need. He also explains how it is veterans who are taking the calls. He says it has been very rewarding to help veterans going through a hard time. 30 minutes</p> <p>W/Guevara-Ruiz: Manuel continues to talk about the Veterans Support Line and how they are more needed now than ever because of the coronavirus pandemic. He says they are getting more calls because the isolation and fear caused by the virus can be especially hard on veterans with ptsd. He also goes into detail on what someone would expect when they call the support line. He also talks about the resources for those veterans who have ptsd and why it is important that those veterans get the help they need. 10 minutes</p> <p>W/Finch: John Discusses how Able United works and where people can find information on their new program that helps those who have disabilities. He also explains how their program can help those with disabilities find work or get financial help, which is especially important during the pandemic and the bad economy. 10 minutes</p>	<p style="text-align: center;">Manuel Guevara-Ruiz: Manager Veterans & Peers Initiatives at the Crisis Center of Tampa Bay.</p> <p style="text-align: center;">John Finch: Director of Able United</p>	<p style="text-align: center;">September 5-6, 2020</p>	<p style="text-align: center;">60 minutes</p>
--	--	--	--	---	--

<p>Suicide Prevention Month</p>	<p>Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news out of Florida this week. - 10 minutes</p> <p>W/Moses: Chad explains what the organization “To Write Love On Her Arms” does to help those with mental health issues. He also talks about their special outreach program during Suicide Prevention Week. He goes over some of the statistics in the country right now on suicide and what can be done to help prevent even more suicides in the country. He says that there are small things we can all do right now to help those in need. 30 minutes</p> <p>W/Moses: Chad explains how the coronavirus pandemic has exasperated mental health issues for many people in the country right now because of the isolation, fear, and economic downturn. He talks about the new page on their website for Suicide Prevention Week that includes resources for people in need of help and self-care tips to use during the pandemic. Also talks about the theme this week which is “worth living for”. 10 minutes</p> <p>W/Moses: Chad talks about his experience with the organization and how he has seen many success stories of those who have had mental health issues. He also talks about a personal experience with helping someone and how that was a great example of a small gesture going a long way in helping those in need. 10 minutes</p>	<p>Chad Moses: Director of Outreach for “To Write Love On Her Arms”</p>	<p>September 12-13, 2020</p>	<p>60 minutes</p>
--	----------------------------------	---	--	-------------------------------------	--------------------------

<p>Presidential Politics</p> <p>Health Information</p>	<p>Florida Roundtable</p>	<p>Yaffee: Yaffee updates the latest news out of Florida this week.</p> <p style="text-align: center;">- 10 minutes</p> <p>W/Cortes: Cortes gives his thoughts on why he believes Trump has a good chance of winning Florida. He believes the polls point to a Trump victory and that is because of the economy coming back and growing Hispanic support for Trump. Cortes also says he believes Trump's biggest weakness is the messaging surrounding the coronavirus, but believes he can overcome that. Also explains why Trump has had a successful foreign policy and why he deserves of Nobel prize.</p> <p style="text-align: center;">30 minutes</p> <p>W/Dr. Edmonds: Dr. Edmonds explains why eye strain due to looking at digital screens is becoming a big issue in the US and says it has been exasperated by the pandemic because students are going to school at home and workers are working from home. Goes over some important steps one can take to prevent digital eye strain. He also talks about why this can be worse on young kids because their eyes are still developing.</p> <p style="text-align: center;">10 minutes</p> <p>W Dr. Edmonds: Dr. Edmonds explains what steps are being taken at eye doctor facilities to help keep staff and patients safe from coronavirus. Also talks about why it is important to take your children to the eye doctor to get checks at an early age. It can help them see better but also check for other health issues.</p> <p style="text-align: center;">10 minutes</p>	<p>Steve Cortes: Director of Strategy for the Trump Campaign</p> <p>Dr. Scott Edmonds: Chief Eyecare officer for United Healthcare</p>	<p>September 19-20, 2020</p>	<p>60 minutes</p>
--	----------------------------------	---	--	-------------------------------------	--------------------------
